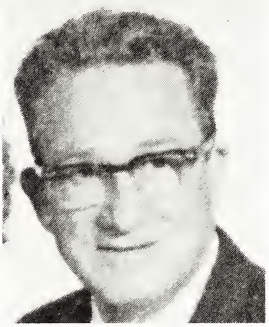
Dedication



Fred Forester

Fred Forester was born atop Lookout Mountain, Head River, Georgia, July 19, 1900. He was the fifth child of a timber man and attended school in a one room log house.

He was converted at age 19, called to preach, and graduated from Piedmont College in Demorest, Georgia. He graduated with a B.A. degree from Mercer University and received the William Russell Owen Medal for the best Ministerial Athlete. While attending Southwestern Baptist Theological Seminary in Texas where he earned the ThM. and M.R.E. degrees and pastored four half-time churches, he married Ellen Elizabeth Nabers, a graduate of Mary-Harden Baylor University and a student at the seminary. They are the parents of five sons and have fifteen grandchildren. All of their sons are serving the Lord in different capacities as they are all licensed ministers with four being ordained.

Fred has pastored the East Athen Baptist Church where he was ordained, Cullowhee Baptist Church for 7 years, Drexel First Baptist for 7 years, Bessimer City First for 5 years, Northside Baptist, Louisiana, for 7 years, Drexel Memorial Baptist for 5 years, and was Brotherhood Secretary of Louisiana Baptist State Convention for 7 years.

While pastor of Drexel First, he served as moderator of this association for six years, associational Brotherhood and R.A. leader, a member of the State Baptist General Board, served on the State Baptist Missions Committee, and served as Director of R.A. work in the Hickory division which included eight associations. He headed the "dry movement" in Burke County which led to outlawing legal sales of intoxicating beverages here.

He was a pioneer in promoting R.A. camps in Texas, Western North Carolina, and Louisiana, he has made two trips to Nigeria and one to Jamaica to aid in R.A. and Brotherhood work.

In 1947 he took a mercy trip to Poland, acted as chaplain of the ship, and was listed in Who's Who in America in the South and Southwest. He has been honored as Pastor-Emeritus of Drexel Memorial Baptist Church where he and his wife are members. He is presently serving as assistant R.A. leader and the local R.A. chapter has adopted his name as the name for their chapter.

Fred has seen approximately 4,000 accept Christ during his 50 years in the ministry. Though he is handicapped with Parkinson's Disease and arthritis, he remains a great R.A. enthusiast and always an ardent soul winner.

Constitution and By-Laws

ARTICLE 1

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION.**

MEMBERSHIP
ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has a responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

OBJECTS
ARTICLE 3

The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES
ARTICLE 4

This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS
ARTICLE 5

The officers of the association shall be a Moderator, Vice-Moderator, Clerk and Treasurer, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember

each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which

the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

SUNDAY SCHOOL REPORT

One of the goals for the Sunday Schools of our churches in Bold Mission Thrust was to increase the 1976 enrollment by 22% by 1982, or an enrollment of 15,204. In 1976 our Sunday School enrollment in the association was 12,462. In 1981 our enrollment was 10,944. This is the last year we have to reach our goal.

Although the task to reach the goal will be difficult, it is not impossible. The Sunday Schools of our churches can reach people for Bible study and church membership. It is the best organized and equipped organization in our church to reach out. It is virtually impossible for a church to grow unless it grows through the Sunday School.

We have a lot of reasons to be optimistic about future growth in our churches: There is a greater emphasis on Sunday School on every level of Baptist life; we have just completed a People Search which gave us a vast number of prospects; Lay Evangelism Schools are suggested for each church in early 1982; simultaneous revivals will be held in the western section of our state in the Spring, and a Sunday School Enlargement Campaign will be conducted in our association in 1983. The opportunity is ours, and is now, to reach others.

8.5 by '85 is also designed to increase the number of people enrolled in Sunday School. This convention-wide campaign is entering Phase II. The goals for this phase include: 100,000 net gain in Sunday School enrollment; 5,000 new visitation programs; 100,000 workers trained in witnessing; 1,000 new weekly workers' meetings; 3,000 Sunday School leadership diplomas; 2,000 standard Sunday Schools; and 1,000 new Sunday Schools. 8.5 by '85 interpreters in our association have been trained to interpret and lead us in developing goals and strategies for reaching people for Bible study.

This past year the ASSIST team provided a teacher training workshop, a VBS clinic, assisted in the Key Leadership Conference, and for the first time offered a Sunday School Leadership Night which helped to equip 150 workers in their task of building a stronger Sunday School unit in their churches.

The ASSIST team (Associational Sunday School Improvement Support Team) is always ready to help any church or individual Sunday School worker to become more effective in proclaiming the gospel through Bible study.

ASSOCIATIONAL CHURCH TRAINING REPORT

This past year 1981 has been a good effort in church training, but it has not been all that it could, or should be. It is the hope of this writer, that this segment of ministry will be given the highest priority in the year 1981-1982.

Because one of the "thrust" of "HERE'S HOPE" evangelistic effort is congregationalizing new converts, church training is a major factor in the quality of these new members.

There are a host of new resources and materials, that will be available, beginning in December of 1981 and January of 1982. Church training is undergoing some long awaited changes. Some of these are new materials, and some are changes in format. However, the main goal of "Equipping the Saints" for service, shall never change.

May God lead us to GREATNESS in the area of church training in the coming years.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

THEME: "Maturing In Christ"

Your S. M. B. C. continues to reach thousands for Christ. Some trust him as Savior and Lord. Others grow spiritually and get involved in world wide missions through prayer.

As we gave special consideration to our theme and studied the ministry of prayer, we became more aware that there is great possibility for everyone in reaching the whole world for Christ. We emphasized the fact that we can give prayer support to the total efforts to make Christ known throughout the world.

Knowledge of local and worldwide needs and the commands and promises of what God will do when we passionately pray, inspired 1,098 to commit themselves to pray 15 minutes daily for world missions. Including the staff, we averaged 183 each week in attendance. There were 217 saved, 467 rededications and 28 made a commitment for special service.

Thousands of those who attended weekend retreats and visited our services were challenged and blessed.

Those who pray for us will want to know these current needs: The usual maintenance, painting, reroofing cottages (already begun), repairing and purchasing equipment. The camp executive committee has purchased the Bessemer City cottage which houses 29 campers. These are all open doors for you and your churches to make an investment in this great work.

WOMAN'S MISSIONARY UNION

This has been the ninety-second year of Woman's Missionary Union. Women have stood positively through all these generations, for missions. Our purpose continues to be missions education, involvement, and support on behalf of our Home and Foreign Missionaries.

For two years now, "Life Changing Commitments" has been emphasized by Woman's Missionary Union. If we are to reach our goals of giving every person in the world an opportunity to hear the gospel, nothing less than Life-Changing Commitments will do the job.

Each one of you has been encouraged to identify your gifts and develop them, then use these gifts to do whatever possible, during the emphasis of Bold Mission Commitment. Total mobilization of these gifts which God so bountifully gave us, under the leadership of the Holy Spirit, is our goal to reach the billions by the year 2000.

Many of our churches participated in the "Ten Thousand More By November Four" campaign. This emphasis spread across North Carolina to enlist members in our churches Missions Organizations. God has blessed in many lives due to this effort.

As we venture on toward the goals we have set; we are trusting in God's leadership for guidance and Direction for our lives. As our watchword has said so well; "Commit thy way unto the Lord; and He shall bring it to pass." (Psalm 37:5)

BROTHERHOOD REPORT

Brotherhood, the overarching umbrella that unites and coordinates Baptist Men and Royal Ambassadors, is the Church organization responsible for involving its men and boys in missions. Basic strategy for implementing this assignment includes teaching missions, leading men and boys to engage in mission activities, to pray for and give to missions, to develop a personal ministry and to interpret and to undergird the work of the denomination. Our Associational Brotherhood exists for the purpose of undergirding the work of the local church units and to develop, sponsor and coordinate joint cooperative programs.

We praise the Lord for our associational Royal Ambassador program which is among the finest anywhere. Mission activity, mission study and mission

support are heavily emphasized. Our annual conclave was hosted by Drexel First Baptist Church. Our hike for home missions drew approximately two hundred and seventy five enthusiastic marchers. A partial tally shows that at least three thousand dollars was raised for missions as a result of that activity.

A strong recreation program including a soft ball league, a basketball league, field and track competition, a hiking and camping program, a day camping event for Crusaders and a Crusader car competition was provided.

Baptist Men, working jointly with the W. M. U. at the Associational level, actively promoted missions in the local churches through the sponsorship of Home and Foreign Mission Institute Teacher Training: State, Home and Foreign Missions were promoted with special emphasis given to State Missions including training for church interpreters. Baptist Men's Day was observed in many of our churches in January. A number of churches sent representatives to the Brotherhood session of the Key Leadership Conference.

Our annual workshop was held at the Baptist Center to provide training for Brotherhood workers at all levels.

The Catawba River Association was represented at the meetings of the General Board of North Carolina Baptist Men by those associational officers named to serve on it.

The resources of the Associational Brotherhood are available to Church Brotherhood unites upon invitation. Please contact us if we can assist you.

We are looking forward to a great year in missions.

MUSIC REPORT

There are two outstanding events included in the 1980-81 Calendar Year Report from the Music Committee.

On Saturday, March 14th, the Youth of Drexel First Baptist Church presented the musical drama, "The Witness", to over 300 youth and Associational Leaders at Mt. Home Baptist Church. The other exceptional happening in our music calendar was a Joint Associational Music Workshop held on Monday and Tuesday, April 13 and 14 at Valdese First Baptist Church, with combined representation from Catawba River and Caldwell Associations. There was an excellent turnout in attendance on both evenings.

Our elected Associational Music Director, Rick Bailey, had to leave during his term in order to return to his education at Southeastern Seminary. Thad Brendle, from Drexel First Baptist, filled out the year for Rick and does now submit this report with great thanks and best wishes to Rick for his job well done.

NORTH CAROLINA MISSIONS REPORT

North Carolina Baptist Christians are proud of their social programs. It is through these, that we can minister as Jesus commanded us to. The faithful stewardship and the missionary vision of our churches expressed through their

support of the North Carolina mission offering enable Baptist Christians to maintain a growing program to help the homeless children, the sick, the aged, the deaf, and also give a Christian education to those enrolled in our colleges and universities.

This year, our goal is $2,750,000.00, a modest goal when we stop to realize just how many people there are in North Carolina. It's too early to give any statistics on our progress at meeting this goal this year. But in this day of inflation, it will take a lot of dollars to support these institutions.

Our pastoral school at Fruitland is partly financed through the State missions, enabling many pastors (entering the ministry late in life) to get a quality education to help them minister to the lost through the churches they serve. Other areas of need that are constantly challenging state missions are: aid to small churches, and salary supplement for pastors of small churches.

Let us join hand and heart in an all-out effort to give, to pray, and to work more for the cause of Christ through our mission efforts, here in our great state and our own local church. We dare not fail, because the need grows greater day by day.

THE ASSOCIATIONAL CHURCH MEDIA (LIBRARY) ORGANIZATION (TACMO)

We have a new name! Or rather the word **Library** has been added to incorporate two concepts: Church Libraries and church media centers. Whatever the name, the purpose of the program is the same—to minister to the church membership by providing materials to meet the needs and interests of all individuals. "The printed word, the recorded sound, the filmed picture—God works through all these media to enrich life."

Approximately thirty churches in this association have reported that they have a media library. Others have signified their intentions of starting one. A small space, a small budget, a willing worker, and much interest can be what you need to begin.

In May, your Director attended the Key Leadership Church Media Library Conference at Ridgecrest. Directors from many other associations shared ideas, discussed programs, and reviewed materials. This conference was led by a consultant from the Church Media Library Department (SBC). As a follow-up meeting, media library directors in this association were asked to meet for a discussion of their problems and needs.

We urge you to send your Media Library Director to the Church Media Library Conference which is held in Ridgecrest every summer. This is a series of workshops on many phases of media library work. For those who have had no formal library science training, this is essential. It is impossible to do this work without adequate training.

Several books necessary for learning about classification and cataloging have been placed in the Baptist Center. These can be checked out and used for several weeks. Also, there are many sources, aids, suggestions, and numerous publications available from the Church Media Library Department relating to the selection, promotion, and processing materials.

Your committee is very interested in helping you in your efforts in

establishing the right kind of media library service. Make it one of your "Bold Mission" goals to put special emphasis on your media library center this year, and let it be an asset to the church ministry. "WITNESS . . . THE MEDIA WAY."

BURKE UNITED CHRISTIAN MINISTRIES

Burke United Christian Ministries continues to provide a crisis ministry for Burke County. Our purpose is to unite as many churches as possible throughout the county ". . . in a ministry to persons in need, working to help persons reach their full potential—socially, economically, intellectually, physically, and spiritually; reaching out to those who are victims of anxiety, fear, loneliness, confusion, and alienation; assisting in institutional and rest home volunteer programs; sponsoring Yokefellow Prison Ministries at Western Correctional Center and Burke Youth Center; initiating or participating in any other needed programs which can best be carried out jointly by the churches." (From our brochure, available upon request.)

In our report last year we told about the purchase of our new center and the work being done to make it more able to meet the needs of persons coming to it. Since that time we have finished flooring the upstairs and added several clothing storage areas. Recently we added 70 additional feet of rods for storing clothing in addition to the 5 long rods we had earlier. We still have the large open areas clear for multi-purpose use. There is still space for three large rooms if they are needed. We have put storm windows in to make the center more easily heated and cooled. We added an air conditioner (which had been donated) to cool the back area of the house. The entire area can now be cooled easily. There have been two roof-type ventilation exhaust fans installed to pump out extremely hot air upstairs. They go on and off automatically by thermostatic control.

We have worked out a solution to our past problem of helping people with emergency fuel requests. Before, we had trouble being able to charge purchases of heating oil. We have purchased a 275 gallon tank which we have placed in the basement, enabling us to buy bulk amounts of oil at a reduced wholesale price through one of the local oil companies. We still plan to limit the amount of help to **temporary emergency** need by giving only 20 gallons at a time. We feel that we can now do so more efficiently than in the past.

Our most pressing need at the present time is for food. We simply have not been receiving adequate collections of food from the churches. There is always a reduced supply during the summer months, but we have not seen an increased supply this fall. We have had a large demand for food all year and it is getting worse. We have spent $150.00 at a time to have food on hand to give to persons who are hungry, and this only partially fills the pantry shelves. We need more churches collecting food regularly and bringing it to the center, allowing us to use the money for other needs. We continue to need your

financial support. If you have not put Burke United Christian Ministries in your church budget, we would greatly appreciate your consideration.

Each year we feel that surely the number of new clients coming for help will become less, but we are always shocked at the sharp increases. Last year we reported that we had an average of 50 new clients or families needing help each month for 1980. But this year we have had an average of 67 at the Morganton Center and 15 at the East Burke Center in Hildebran which opened last March. By the way, the new Center in Hildebran is functioning quite well with all voluntary workers, providing clothing, food, lodging, meals, gas and some limited financial help. So far, after seven months, this new Center is self-supporting financially.

We face a very uncertain future. We don't know yet what the cut-backs in food stamps and other federal help programs, job shortages, and a general down-trend economically—with prices rising constantly—will mean in the way of increasing the demand for help from Burke United Christian Ministries. We must be ready to help when the trouble arises and do the best we can to help people with basic living needs. Won't you help us? We depend primarily on the churches of Burke County for support. Thanks for your help in the past. We know you will come through for us in the future.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, founded 165 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production and distribution of God's word without profit.

On behalf of the millions of people who learned about our Lord Jesus Christ through the pages of Scripture in 1980, the American Bible Society would like to express its sincere thanks to the churches of the Catawba River Baptist Association for their share in these successful programs of Scripture evangelism. The denomination's support for each of the past four years has averaged about two cents per member, or a total of $293,000.

During 1980 the Bible Society of Brazil produced for the first time the Illustrated New Testament in Today's Portuguese, work is continuing on the complete Bible.

New translations have been completed to meet the growing needs of Nigerian Christians who are becoming increasingly eager to have the Scriptures in their own languages.

If only we could reach every man, woman and child with the written Word of God, they could experience the same new life in Christ as revealed through His message of love and forgiveness.

In our Association let us continue to support the American Bible Society as a part of our commitment to Bold Mission Thrust. I personally believe that through the American Bible Society is an excellent way to share the word to the world.

THE TEMPERANCE REPORT

We are praising the Lord for some victories in North Carolina that have and will affect temperance and morals in Burke County.

The most effective organization in North Carolina against beverage alcohol and drugs is the Christian Action League. The League has been involved in its most extensive legislative program in its entire history. There were some victories; some defeats; and some delays. A brief review of these follows.

1. **Senate Bill 128 and House Bill 230:** DRUG PARAPHERNALIA ACT — to prohibit the manufacture, delivery, sale, possession and use of drug paraphernalia. RESULT: Enacted into Law.

2. **Senate Bill 324:** AN ACT TO DECRIMINALIZE MARIJUANA UP TO FOUR OUNCES (160-240 joints) Five Trustees appeared before the Senate Committee opposing the measure. Sent to a subcommittee that recommended a study committee to re-examine marijuana laws. RESULT: Senate Appropriation Committee Refused to Fund the Study Committee.

3. **Senate Bill 463:** AN ACT TO GRANT LIMITED DRIVING PRIVILEGES TO THOSE REFUSING THE BREATHALYZER. League President appeared before the Senate panel opposing the measure that would basically destroy our implied law. RESULT: Bill was never reported out of the committee.

4. **Senate Bill 295:** AN ACT TO REPEAL ADVERSARY HEARING IN OBSCENITY LAW. The measure overwhelmingly passed the Senate, but ran into trouble in the House Judiciary Committee I. RESULT: Established a Legislative Research Committee to Study Obscenity Laws.

5. **Senate Bill 451:** AN ACT REQUIRING PARENTAL NOTIFICATION PRIOR TO PERFORMING ABORTION ON MINOR. Cleared Senate Judiciary Committee, but ran into trouble on the Senate floor. After 12 amendments, it was finally approved and sent to the House where it went to a hostile committee. A House subcommittee gave the proposal an unfavorable report. RESULT: House Judiciary Committee III adopted its subcommittee's recommendation for an unfavorable report.

6. **Senate Bill 589:** AN ACT TO PROHIBIT OPEN BEER OR WINE CONTAINERS IN MOTOR VEHICLES. The measure passed the Senate with a strong vote, but it was stalled in the House ABC Committee. RESULT: Will be before the House in mini-session, June, 1982.

7. **Senate Bill 191:** AN ACT TO ALLOW COUNTIES AND MUNICIPALITIES TO PROHIBIT OR REGULATE THE PUBLIC POSSESSION AND CONSUMPTION OF BEER AND WINE. Even though a Senate ABC Subcommittee gave the measure an unfavorable report, it was overturned by the entire committee and sent to the Senate floor and passed with no opposition. RESULT: It is in the House ABC Committee and will be considered in June, 1982, mini-session.

8. **Senate Bill 320 and House Bill 247:** AN ACT TO AMEND THE CONSTITUTION TO RESERVE TO THE PEOPLE THE RIGHT OF INITIATIVE AND REFERENDUM. Cleared the Senate Committee on Constitutional Amendments. RESULT: Failed by one vote to obtain the necessary 3/5ths margin.

9. **House Bill 963:** AN ACT TO RAISE THE DRINKING AGE OF BEER AND WINE FROM 18 TO 20. Measure was changed to a resolution asking for

a Study Commission. RESULT: Appropriation Committee refused to fund the Study Committee. Measure killed.

10. **Senate Bill 664:** AN ACT TO ESTABLISH A STATE-WIDE REFERENDUM TO RAISE BEER-WINE DRINKING AGE FROM 18 TO 21. Gained a unanimous vote in the Senate Committee on Election Laws. Ran into trouble on the Senate floor due to a projected loss of $4 million in revenue due to reduction in sales if enacted. RESULT: Sent to Senate Finance Committee and died in committee.

11. **Senate Bill 59:** AN ACT TO INCREASE TAXES ON ALCOHOLIC BEVERAGES. This measure was intended to provide revenues for the highway fund in lieu of a gas tax. A committee substitute was presented to provide for a lesser tax increase to generate revenue for the General Fund to replace funds transferred to the Highway Fund. RESULT: Bill is stalled in the Senate Finance Committee and will be considered in the fall budget session.

12. **House Bill 513:** AN ACT FOR A STATE-WIDE REFERENDUM ON BEVERAGE DEPOSIT LEGISLATION (THE BOTTLE BILL). Ran into tremendous opposition from the beer and beverage industry along with the manufacturers of bottles and cans, convenient and supermarket operators. RESULT: Killed in House Small Business Committee.

13. **House Bill 9:** AN ACT TO RE-WRITE ABC LAWS. This was the report of a Legislative Study Commission that re-wrote the ABC laws. RESULT: Removed a provision that would have allowed liquor billboard advertising and provision that would have removed the 50 foot restriction of an outlet to a church or school.

14. **Senate Bill 591:** AN ACT TO PROHIBIT LIQUOR SALES IN SATELLITE ANNEXED AREAS. This measure was directed to prohibit establishments in dry areas from being annexed into a wet area in order to sell alcoholic beverages. RESULT: Died in Senate ABC Subcommittee.

15. **House Bill 1239:** AN ACT TO PROVIDE FOR FORFEITURE OF MOTOR VEHICLES USED IN COMMISSION OF THE OFFENSES OF DRIVING UNDER THE INFLUENCE AND WRECKLESS DRIVING WHILE INTOXICATED. The measure would allow the courts to confiscate a motor vehicle and be sold at public auction if driver had been convicted of DWI and driving with a revoked license. RESULT: Postponed indefinitely by House Judiciary Committee.

16. **Senate Bill 29:** APPROPRIATION BILL (Budget). An amendment to remove the funding of medically unnecessary abortions. RESULT: Amendment defeated and $2 million was approved for abortion funding.

The Christian Action League is now involved in an effort to enlist 1000 churches or individuals that will become a prayer partner and to make financial contributions to the League's ministry. Every church in the Catawba River Association is urged to include the Christian Action League in their budget.

Edmund Burke said: "All that is necessary for evil to flourish is for good people to do nothing."

EXECUTIVE PROMOTION COMMITTEE REPORT

The Executive Promotion Committee met four times this past year to carry on the business of the Association. Reports from all of the Organizations were heard and progress noted.

The purchase of a Video Player/Recorder through the Cave Plan was approved and purchased by the Association and is currently being used.

A flag to be used by the Association was designed by Mrs. Jean Pless to be used as the official flag of our Association, and will be carried in the Parade of Flags at the joint Baptist State Convention in Greensboro.

Many other things claimed our attention during these meetings and they were all handled orderly and with dispatch. Always pray for your Executive Promotion Committee and see that your church is always represented. All the Key Leaders of your church are members plus two others that you designate. Thank you for you cooperation and prayers.

STEWARDSHIP/COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream and that dream will come true as you and I are faithful in our giving of our finances and ourselves. Are you committed to making this dream a reality?

There are several needs that must be met if we are to boldly achieve our Goal of Bold Missions:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth.
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted.
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust.
4. We need a strong commitment to reach the goal for our 1982 State Cooperative Program budget.
5. We need a strong zeal and spirit of cooperation to attain the goal of $52,511.24 for our 1982 Associational missions program.
6. We need a greater concern for people in order to bring about a new turn around in attitudes and records in church growth and church member development.

The dream is bold. We are excited! The mission unmistakably stands before us. Let's get on with the task!

MISSIONS COMMITTEE REPORT

The Mission Committee was charged with the responsibility of doing the work of long range planning for the association. A detailed study was made of

both the churches of our association and the communities they serve. The committee's report is available to any and all who care.

One of the findings of the report led the committee to meet on September 1 at the Associational Office to discuss the possibility of beginning a new work in the Quaker Meadows vicinity. At this meeting Pastors Ralph May of Zion and Zack Fleming of El Bethel met with the mission committee to discuss the possibility of a shared venture in beginning a new work.

Also, the committee helped to promote the "Bold Mission Offering" that was collected in February and sent to strengthen our sister association in Rochester, N.Y. There were 28 churches participated and a little over $3,000+ was collected. There is continued support for W. Va. Missions through our N. C. State-Sister relationship.

One of the increasing needs in our Association is the beginning of Mission Committee to assist the churches in fulfilling their mission action programs. The Associational Mission Committee will assist in any way to help begin and develop these needed committees.

RECEPTION AND LOCATION OF NEW CHURCHES

On August 26, 1981 the Reception and Location of New Churches committee received a request from Grace Baptist Church to be placed under the watchcare of the Association for three years and become a member of the Association at the conclusion of this time period.

The Committee met with leaders from this new church (from a group of 97 members that have disassociated themselves from Mulls Grove Baptist Church) and the Committee upon examination and evaluation of the situation are recommending that the Association receive them into the Association with a three year period of watchcare.

2. For the provision of our Baptist Center as a beautiful example of God's blessings on our Association.
3. For your continued and increasing support of state, home, foreign missions and the Cooperative Program as we work together to put into action Bold Missions Support.
4. For your prayers, continued interest and financial support (especially last February when you contributed over $3,000 + $1,000 from another church) of our "Sister" Association—the Greater Rochester, N. C. Baptist Association. Let's do it again and more next time. We need churches who will volunteer for a one on one relationship with churches/chapels in the Rochester area.
5. With our People Search just behind us, with our Lay Witnessing schools and the joint evangelistic Crusade "Here's Hope" ahead of us and let's get on with our #1 priority—evangelizing and congregationalizing.

HOME MISSIONS REPORT

This year's Home Mission Board budget, at $36.6 million the largest in our history, reflects the record amounts you gave to the Annie Armstrong Easter offering: more than $16.5 million, a million above our goal. Likewise, our Cooperative program gifts increased by $34,832.

Our missionary force rose in 1980, to peaking at 3,000 before year-end. Maintaining the 3,000 number has been difficult for us, because of the large turnover in HMB pastors who led their churches to self supporting status, and thus dropped from the roll.

The 1980's was a remarkable year for home missions. Our witness at the Winter Olympics at Lake Placid, N. Y. has resulted in a small church there. Results in that already has us planning for the 1984 Summer games at Los Angeles.

Then the influx of Indochinese refugees, and the Cubans, challenged us. Our workers helped in camps and led in recruiting SBC church sponsorships.

Specialized Evangelism Departments conducted 20 Growing an Evangelistic Church seminars. Associational Evangelism Department assisted 11 states in training associational evangelism chairpersons, conducted conferences at both conference centers, developed a planning guide for associational evangelism chairpersons and helped 10 states in 13 small-church evangelism seminars. Evangelism Support Department involved more than 70,000 persons in evangelism this year. In addition approximately 15,000 evangelism volunteers did mission work. More than 100 key persons have been trained in N. E. S. T. (National Evangelism Support Team) which encourages direct action and prayer involvement at home.

During 1980, more than 1,000 church-type missions were started and more than 450 new churches were constituted. At the end of the year more than 2,400 church-type missions, sponsored by 1,700 churches were operating.

Church Extension division helped support 1,150 church extension workers; extended pastoral support to 950 congregations; approved or appointed 481 new church extension workers.

Forty church planter apprentices and 55 bivocational church planters were appointed. In addition, 108 seminarians spent 10 weeks planting new churches in 54 communities.

Training strategy, trained 300 persons in 33 state conventions to teach Lay Evangelism Schools and Tell Witness Training. Eighty leaders, representing 23 local churches in 10 state conventions, were trained in the pilot Continuing Witness Training Seminar; they are following up with local church training.

HMB church loans officers counciled 1,450 churches, helping many to obtain local financing. Approximately 2,800 churches were served by the church loan program this year. During 1980, the division's loan portfolio increased by 4,800,000 to other investors, while retaining the responsibility of the loan. The total of $64,631,553 is nine percent above last year.

In 1980, three Basic Leadership Seminars were conducted, involving 66 directors of missions—most of whom were in their first two years of service. Almost 300 directors have been involved in these intensive five-day seminars since 1976.

In our Rural and Urban Missions, nine directors of missions were appointed, 475 directors were trained. The inservice guidance directors attracted 37 directors. Fifty-one colleges, Bible schools and seminars now have inservice guidance programs.

During 1980, 1,500 language workers received financial support. Field services included work among 79 ethnic groups speaking 70 languages. Approximately 300 new units of ethnic work were established.

In our other ministries with the Black church relations, our giving and developing a comprehensive plan for relating to its public both inside the SBC and in other religious/secular areas.

Our support of our sister association the Greater Rochester Baptist Association, has been a rewarding one. The support of God's work is the most rewarding privilege we have in trying to tell the world about Jesus Christ. The part of our Cooperative program giving that goes to missions is one of the easiest ways to support missions. But let's not stop there, because we are supposed to "Go, ye therefore", and we have no place to stop.

Mrs. Alvin (Pearl) Cordell

FOREIGN MISSIONS REPORT

Christians have two major tasks: to evangelize and congregationalize. Southern Baptists, under the direction of the Foreign Mission Board, are engaged in various ways to accomplish these tasks. Listed are six efforts:

MISSIONARY SUPPORT

At the beginning of 1981 there were
3000+ missionaries
93 different types of service
330 appointments in 1980

EVANGELISM AND CHURCH DEVELOPMENT

Southern Baptists cooperate with nationals representing
11,500 churches
8,000 of these are self-supporting

There were 100,000 baptisms. That represents 36 baptisms per missionary. It took only 11 overseas Baptists to win 1 new convert to baptism during the year. (In Catawba River Association the ratio is to win 1 new convert).

SCHOOLS AND STUDENTS

Evangelism through education and the development of Christian leaders are key emphases. The extent of this program can be seen in these figures:
77,000 students in primary and secondary schools
14,000 students in colleges and universities
5,000 in 67 seminaries

PUBLICATION WORK

At present 86 missionaries work in 27 publication centers, translating, printing, and distributing the Scriptures and Christian literature. Bill Thompson from Morganton serves at the Spanish Publishing House, El Paso, Texas.

HOSPITALS AND MEDICAL CARE

The Foreign Mission Board assists in maintenance of:
20 hospitals and 120 clinics and dispensaries
There are:
56 missionary physicians
76 nurses
12 dentists
43 other missionaries help in health care and with refugees
Working with the missionary personnel are:
919 national physicians
844 national nurses
Last year they treated 137,000 in-patients and 1.1 million out-patients.

MONETARY SUPPORT

In 1980 Southern Baptists contributed to Foreign Missions $85,456,178. Of that amount $40,836,167 was the Lottie Moon Offering.

The goal for 1981 is $50,000,000. There are many urgent needs for land, buildings and volunteers.

Keith Parks suggests one couple per year from each association. Mr. Imasogine, Pres. of the Nigerian Baptists Convention, said it was not impossible to tell everyone about Christ by year 2000, but it is a "sensible proposition". He added, "Millions around the world like me are WAITING"!!

Jesus said, "Come unto me".
He also said, "Go Ye".

Foreign Mission Representative

SEMINARY EXTENSION REPORT

During the past year more than 10,000 enrolled in one or more Seminary Extension programs throughout the United States. This surpassed the enrollment of all six Southern Baptist Seminaries.

In North Carolina, the enrollment was 2,300. These people studied primarily in 75 centers throughout the state.

As a part of our state missions program, North Carolina Baptists help underwrite the cost of study with Seminary Extension through the Cooperative Program budget with a $900 scholarship for each course. The subsidy helps keep the cost per course within a range every student can afford. It also helps to explain why our state has enjoyed the largest Seminary Extension program in the United States for the seventh consecutive year.

Our Association has enrolled more than 50 students in 7 courses. We hope to award our 1st diplomas at the Associational meeting next fall.

Recently we began sponsoring the Homelitics course at Fruitland and this will enable us to enroll 80 more students per year.

EVANGELISM REPORT - 1981

I like what Dr. C. B. Hogue, Director of Evangelism, Home Mission Board, said in our relationship to evangelism. He stated, ". . . evangelism must become PRIORITY ONE for all Southern Baptists." I hope and pray that we will personalize that in our own association and churches.

The church was founded upon evangelism. That is, the proclamation of the Good News in Jesus Christ. We can never get away from that mandate. If we do, we are sunk as a people called Southern Baptists.

One way to rekindle your evangelistic zeal is to enter into partnership with us in the 1982 JOINT EVANGELISTIC CRUSADE. As our hope in Jesus Christ is rejuvenated through obedience to the Great Commission, we will be able to share with some 62,000 lost people in Burke County "HERE'S HOPE" with a ring of conviction and certainty.

As of today, we have (33) churches committed to be actively engaged in the outreach ministry of our association. They are heavily involved in prayer, People Search, Lay Evangelism Schools and revival efforts to make "HERE'S HOPE" a reality in our county. My prayer is that before the year is out that we shall see all of our churches committed to the 1982 JOINT EVANGELISTIC CRUSADE. I am sure that it will not hurt a single church. In fact, the benefits that you will receive by participating will be overwhelming. You will not be able to count them all.

Pastors, deacons and leaders of our churches let's be determined by the grace of God to once again return evangelism to its proper place in the Body of Christ — not last in the functioning of the church, but first. Make evangelism PRIORITY NUMBER ONE and I believe we will experience revival in our churches.

NOTE: ratio of resident members to baptism is:

CHRISTIAN HIGHER EDUCATION REPORT

"Education is power. Proper education is power for good, a power which cannot be overestimated . . . This will apply to denominations as well as individuals. We, as Baptists, must not ignore the education of our people if we would expect the greatest power in uplifting the masses and aggressively prosecute the work assigned to us." This statement is typical of the Baptist attitude though it was written October 31, 1889.

Today, North Carolina Baptists sponsor and support seven institutions of Christian higher education. Again, most of these Baptist schools are older than the majority of the state colleges and universities. In many cases the colleges begun by the churches became models for colleges and universities founded later by the state. There now exists in North Carolina what is called a "dual system of higher education," in which there are 38 church and privately supported colleges, along with the younger system of schools supported and

controlled by the state. Seven of these 38 are Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate.

What is a Baptist college? A Baptist college is a community of faith and learning. Faith and learning are not separate parts of the college, and are not disconnected from or opposed to one another. Rather, they are blended so that faith can give direction and meaning to learning, and so learning can give enlightenment to faith. Therefore, this education — Christian education — is offered in a community where faith and learning are honorable partners, and where neither attempts to belittle or dominate the other. Let us keep in mind that the BASIC PURPOSE of a Baptist college is education. Baptists would never intentionally offer in the Master's Name that they know is inferior and not their best. "Christ inspires our best. Nothing less than our best is worthy of Christ. We should be ashamed to put His name on the second-rate whether it is health care, child care, or education. What we do in Christ's name must be excellent. It must be attractive and winsome. Then it is truly witnessing for Christ. True piety abhors mediocrity and calls for excellence."

Goals for our Colleges and Universities:

a. To teach and train young men and women to be a Christian in all walks of life.
b. To maintain academic strength and Christian values.
c. Academic freedom and Faculty security.
d. Accreditation - a guarantee of high standards of work.

The state conventions in the Southern Baptist Convention increased their 1980 support to the schools by $6,725,259 for a total of $55,307,213. Of this amount, $782,946 was given as addition to endowment funds. Donations, gifts, and grants totaling $72,588,419 for an increase of $11,008,052. Endowment funds amounted to $486,271,717; property was valued at $941,039,994, making assets total $1,427,311,711. This was an increase of $135,117,508. Endowment increased $53,391,928 and property value by $81,725,580.

CHURCH VOCATION VOLUNTEER - Church vocation volunteers totaled 23,758 for 1980-81 or an increase of 967.

We appreciate your Christian support of our colleges. We request your prayers for both faculty and students.

BIBLICAL RECORDER REPORT

Again this past year, the *Biblical Recorder* has reminded us all of the value of good church-pastor relations. This is just one of many subjects the *Recorder* seeks to cover for North Carolina Baptists.

The editor believes strongly in the local church as well as the ministry and work of the pastor. As all of us know, nothing can take the place of a good church and a good pastor.

And yet, we also know that there are those in our midst who do not believe in this as much as they should. The *Recorder* is a constant reminder to us that a bedrock of Baptist life is a strong local church served by a dedicated pastor.

The *Recorder* also challenges us in many other ways. For example, it reported that there was a net gain of only 21 new churches in our convention in the past 10 years. This shocked many people, especially in view of the number of new churches organized in the last 50 years and in the population growth of our state in the last decade.

The *Recorder* was happy to report that the Southern Baptist Convention in Los Angeles was a good one. Those unable to attend were given an accurate and complete picture of what happened there — a front row seat, as it were, for only 7¢ (cost of one *Recorder*.)

When people know the truth — and truth must be spoken in love — we have a better convention, better churches, better associations and better individual Christians. The *Recorder* is that instrument of communication that keeps us closer together as Baptists.

If you are not receiving the *Recorder,* you are missing something vital to your Christian life. The cost is still much less than one-half the price of a first class stamp. Surely, every church and every individual can afford that much.

BAPTIST HOSPITAL 1981 REPORT

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical technology and the application of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18 MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catheterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes — making transfusion faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure. This makes it possible to identify and classify a seizure, thus enabling the Physician to determine the precise drug dosage needed.

The hospital's ministry has been aided by completion and occupation of the Focus Building. Other hospital space is undergoing renovation for more effective use.

Several staff members from the Medical Center have participated in short-term mission assignments during the past year — many of these in overseas areas.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education in both crisis ministry and pastoral counseling, at several levels, and numerous events in Christian enrichment and development. The Minister's Care Plan continues in which the Baptist State

Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep our operating costs and patient charges as low as possible.

During the year, the hospital's charter revision has been brought to successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program, and $353,397.73 through the North Carolina Missions Offering and designated gifts.

NORTH CAROLINA BAPTIST HOMES FOR AGING

As we look back over the past thirty years of ministry in our Baptist Homes, it is a real inspiration to see where we have been and to meditate on the many blessings that God has so richly bestowed upon us. He has brought us from one Home in 1951 to a total of six Homes, an apartment complex, and a skilled nursing unit; from one resident to a total capacity for 300 persons in 1981. These have been good years, and God has used N. C. Baptists to bring this special ministry to older people a long way. Where we go from here is certainly, as always, in the hands of the Lord, but depends largely on where North Carolina Baptists want to go.

Quite frankly, we are at a standstill. Crippling inflation has caught up with us and is eating into the very vitals of our existence. We are still giving the same high quality of Christian care to each of the residents in the six Homes, Nursing Care Unit, and the apartment complex. It is a struggle and a juggle between income and expenditures.

Building plans for a desperately needed 70-bed addition to our current Nursing Care Unit and the Hayes Home have been held up by regulatory red tape for years. Now that the state health laws have been altered to permit the building of these beds, it does appear that we could wisely borrow the money at the current interest rates.

Though 1980 gifts through our Cooperative Program and the North Carolina Missions Offering are a little more than $550,000.00 (18% of all income), these gifts are not commensurate with our current population growth and the ministry support needs of the Homes.

Two things are apparent. One, Baptists must be informed of our needs and do all possible to increase their gifts accordingly through the regular channels — the Cooperative Program and the North Carolina Missions Offering. Two, North Carolina Baptists must help us find ways of raising money for development and expansion to meet the needs of current residents and the needs of growing numbers of older adults.

The General Board of the Baptist State Convention has joined us in our concerns and has appointed a Special Study Committee to take a serious and close look at the financial needs of our Baptist Homes.

We will continue to trust our Heavenly Father for His blessings upon the Homes' vital ministry to older adults. We will keep faith with Him and with

N. C. Baptists and strive to give the highest quality care to each resident of the North Carolina Baptist Homes. We will believe that our future is as bright as the promises of God Himself and as sure as the love and devotion of North Carolina Baptists.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA REPORT 1981

The ministry of the Baptist Children's Homes in Piedmont, North Carolina continues to grow and develop. This is made possible by the continuing support of many Christian friends. Vital to the work of the Homes is financial support through special gifts, the North Carolina Missions Offering and income through the Cooperative Program.

The Thomasville Family Services Center offers to residents in the 28 surrounding counties any and all services of our statewide ministry. Many of these services are actually located within these counties: group care at Mills Home, a specialized group home at the Wall Home, Wallburg, emergency care at High Point and Burlington, a network of licensed foster homes, therapeutic camping in Moore County, social service offices in Hickory, Thomasville and Burlington, the Child Development Center and Family Resource Center in Thomasville, plus counseling and referral service.

During the past year an amphitheater has been completed on the Mills Home campus under the sponsorship of the Alumni Association. The therapeutic camping program of the Institution has been consolidated to make use of Cameron Home near Vass.

Good things are taking place in our Baptist Children's Homes family across the state. Six Family Services Centers have been opened with three others in planning stages. Children are being provided temporary care in seven Emergency Care Homes. The Child Development Center in Thomasville continues to offer progressive demonstration preschool care as a model for North Carolina Baptist Churches. The Family Resource Center located in Thomasville is piloting a concept of continuing education for people across the state who are in the best position to assist families through a concept of preventive care.

Larry Sawyer and members of the staff of the Homes in Piedmont North Carolina are leading the program in a very fine way. In the words of Paul they can say "We are laborers together with God" (I Corinthians 3:9). Thank Him for this relationship.

ANNUITY BOARD REPORT

Dr. Darold H. Morgan, president of the Annuity Board, states that 1980 has been a year of unprecedented growth and startling change.

Statistical highlights in 1980 included:

1. A 13th check amounting to 10 percent of a year's benefit was mailed to annuitants who retired before 1980.
2. A total of $21,059,479 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $15,955,965.
4. Total assets held in trust at the close of the year equaled $806,518,757. This figure represented a growth of $139,043,770 over 1979's total.
5. Premium income totaled $87,938,590 including contributions and relief receipts. A total of $42,121,138 was designated for the Fixed Fund, $3,620,501 was earmarked for the Balanced fund and $11,063,513 went into Plan A. Insurance premiums totaled $24,863,894.
6. At the close of 1980, the Board counted 20,527 church and agency member accounts in Plan A, 47,701 in the Fixed Fund, 6,033 in the Balanced Fund and 3,376 in the Variable Fund.

North Carolina Baptist State Convention, as of March 31, 1981 has 3,114 staff members of 2,353 churches and associations participating in the S. B. Retirement Program.

The church's response to upgrading the staff member's retirement program is most encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum.

THE NORTH CAROLINA BAPTIST FOUNDATION REPORT

During the past year, twenty-three new trust funds valued at $385,016.00 were established with the N. C. Baptist Foundation. Coupled with the additions to existing trusts, total new assets held for the various missions and institutions increased the value of trust assets by $453,877.

—Foreign Missions trust funds increased by approximately $26,000.
—Home Missions trusts increased by $8,000.
—Baptist Childrens Homes of North Carolina trusts increased by approximately $19,000.
—Southeastern Seminary by $12,250.
—Fruitland Bible Institute by $33,000.
—N. C. Baptist Homes by $1,500.
—Local church trust funds, including cemetery, scholarship and mission funds by $5,000.
—Cooperative Program by $7,000.
—Statewide Student loan fund by $115,000.

The Directors of the Foundation made an investment decision in 1978 to increase the yield to the charitable beneficiaries of trust income. Over a two year period investments moved toward high quality selective bonds to accomplish this goal. The income of yield increased steadily with the rate on December 30, 1980 averaging 10.3%. Market Value of all assets on December 30, 1980 were $4,586,215.12. The bond portion of the investment portfolio reflected the high interest market at the end of the year with market values being depressed below inventory value.

Thirty-eight percent of the market value of all assets held by the Foundation were made as gifts by persons desiring to receive income for the remainder of

their lifetime and at death have the trust funds pay income to missions or Baptist institutions. Foundation personnel are available to assist any member of a Baptist Church in North Carolina to utilize this or other plans of giving to provide a perpetual personal support for sharing the message of Christ — even beyond one's lifetime.

More families are utilizing the memorial gifts as a means of providing mission support on a continuing basis. Individual trust accounts are established with only the income being distributed in the name of the deceased family member. Generally the mission cause named to receive the income was loved and supported during the lifetime of the family member.

Private and confidential conferences are scheduled by Foundation staff members with individuals desiring to seek direction in estate planning and giving.

MEMORIALS

We pause to pay our respects to those of our fellowship who have gone to their reward since this time last year. We read in I Thessalonians 4:13, "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope." The services these departed ones rendered in our association when they were physically present with us are remembered with love and appreciation.

They are now just a step away for:

Death is only an old door
Set in a garden wall;
On gentle hinges it gives, at dusk
When the thrushes call.

There is nothing to trouble any heart;
Nothing to hurt at all.
Death is only a quiet door
In an old wall.

Nancy Byrd Turner

We shall remember them as:

"Asleep in Jesus"

"Asleep in Jesus! Blessed sleep,
From which none ever wakes to weep!
A calm and undisturbed repose,
Unbroken by the last of foes.

Asleep in Jesus! Peaceful rest,
Whose waking is supremely blest!
No fear, no woe, shall dim that hour
That manifests the Savior's pow'r."

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention included the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

Dedication

Edward Phifer Bennett was born in Burke County on October 4, 1912 to the late Mr. and Mrs. Alexander Bennett. He is married to Tellis Cannon and they have two daughters.

He is a graduate of Gardner-Webb College. At the age of 24, he made a decision for full time Christian service and was licensed to preach in August 1936, although he was preaching in 1935.

On February 4, 1937, he was ordained by his home church, Pleasant View Baptist Church, Morganton. Among the churches he served within our association were Mt. View No. 1, Smyrna, Grand View, Mt. Olive, Calvin Heights, Pleasant Ridge, Mt. Home, High Peak and North Morganton. He also served the Pleasant Gardens Church in McDowell County and Union Grove and Miller Hill in Caldwell County. Recently he has served as interim pastor for Bethel, Mt. Olive, Asheville Street Churches. He served faithfully as moderator of this association between the years 1948-1951.

Among his fondest memories are the times he sponsored a radio program in which he made many friends including shut-ins and during the war when he corresponded with many of the service men.

Truly he has been and continues to be a great servant of His Lord.

Constitution and By-Laws

ARTICLE 1

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION.**

MEMBERSHIP
ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has a responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember

each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which

the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

SUNDAY SCHOOL REPORT

Our Associational goal for Sunday School was to have 15,204 people enrolled in Bible study by 1982, an increase of 22% over 1976 levels. The final result was 12,093 enrolled. This means we need to strengthen our commitment for reaching people.

The convention-wide campaign to increase Sunday School enrollment to eight and a half million by September 30, 1985, has just entered PHASE III. This goal for growth in Southern Baptist Sunday Schools — referred to as 8.5 by '85 — is an integral part of the 1982-85 Bold Mission Thrust. Goals for 1982-83 are as follows:

- 200,000 net gain enrollment in Sunday School
- 5,000 new visitation programs
- 100,000 workers trained in witnessing
- 1,000 new weekly workers' meetings
- 3,000 Sunday School Leadership Diplomas
- 1,000 new Sunday Schools.

North Carolina has adopted the challenging state goal of enrolling 855,000 in Bible study by 1985. This represents a 30% increase. Local church goals of 10% annual gain would surpass the state goal.

In order to help our churches be a part of reaching people in Bold Mission Thrust, we are encouraging churches to participate in the Sunday School Growth Campaign in March, 1983; send their Sunday School teachers and workers to the Associational Leadership Training School in May, (the new "Understanding" series of books will be offered); send the VBS leaders to the VBS Clinic in April; and to call upon the ASSIST Team at any time. The Associational Sunday School Improvement Support Team is trained to help you improve any aspect of your Bible Teaching program.

Your Sunday School can grow; you can reach people. It is not too late to set enrollment goals and to make plans to reach out to others.

SOUTH MOUNTAIN BAPTIST CAMP
1982 Report

THEME: REACHING OUT FOR CHRIST

God richly blessed your camp during the 1982 summer season. Including the staff we averaged 190 each week. This is an increase from 183 per week in 1981. Another 2,000 youth and adults attended retreats and other church related activities during 1982.

In response to a challenging theme: "Reaching Out For Christ", presented through classes and in chapel services, 443 rededicated their lives to Christ. Another 269 received Christ as Savior, of these, 67 felt the leading for some type of special Christian service. In response to a challenge to pray, 1,395 committed themselves to a daily 15 minute prayer time for world missions.

Each week campers were made aware that God's plan to evangelize the whole world involves every Christian. During Bible study, chapel services, mission films, and weekly missionary speakers, campers were challenged to pray, to give, and to go when called.

Including the lake, pool, and several cottages we had major maintenance, and improvement expenses. Also printing equipment, washers, and dryers were replaced and added. Therefore we ask that when churches are drawing up budgets for 1983, please prayerfully consider including South Mountain Baptist Camp.

A Building Planning Committee is now considering how to use a donation of $44,000 by Mr. & Mrs. Joe Byrd Sr. of Morganton, N. C. For use in the fall and winter season, the committee is considering a gymtorium and winterized multi-purpose cottage for staff dorm during summer and retreats during the fall and winter months. Other donations are needed for this project.

Thank you for your continued support and interest in South Mountain Baptist Camp.

Respectfully submitted,
T. A. Lineberger, Director

CHURCH TRAINING

There are not a great deal of things to share by way of report in Church Training this year. One great highlight, however, was attendance at "M" Night. I am pleased to report that we enjoyed the second highest attendance in the history of the Catawba River Association.

I urge everyone involved in an ongoing Church Training program to select their church's representative for the Church Training Queen contest. Then come out on "M" Night in sufficient numbers to have her chosen Queen for the entire Association.

Thank you for the opportunity to have served you, as your Church Training Director for the past year. My prayers are with you and Reverend Roy Houston, your new director for the coming year.

Respectfully submitted,
Ralph May

WOMAN'S MISSIONARY UNION

Ye shall be my witnesses — tell the good news — love your neighbor as yourself. This is missions. And Woman's Missionary Union is a church missions organization designed to help women, girls, and preschoolers learn who their neighbors are and how to minister and witness to them. Mission studies help them learn about missionaries and what they do. Members of WMU organizations are challenged to support those missionaries with their prayers and with their offerings.

Your WMU Associational Council Members are very excited about our work and would like to share our enthusiam with all the churches in the association. Let us help you train leaders and organize new WMU organizations (if needed) in your church.

Jesus' command to go to all people everywhere becomes personalized. Missions is just beyond your doorstep. There are people who need to know Christ.

Learning and doing are bound together. The teaching of missions leads to action — to involvement in missions. Through engaging in Mission Action and Personal Witnessing and through Supporting Missions, persons give expression on what they have learned.

Let's answer as our 1981-82 watchword states: "Also I heard the voice of the Lord saying, Whom shall I send, and Who will go for us? Then said I, Hear am I, send me." Isaiah 6:8.

Respectfully submitted,
Mrs. Baxter Barnes
Woman's Missionary Union Director
CRBA

BROTHERHOOD REPORT

It has been found that a well coordinated team, harnessed in tandem and working with precision can move loads well beyond the sum of their individual capacities. There is a complex technical explanation for this phenomenon, but Baptists have long known it simply as cooperation.

In cooperation with the WMU, our associational Brotherhood co-sponsored in the past year, both home and foreign mission institute teacher training and promoted the North Carolina Missions Offering. In a cooperative effort with our churches, we provided workshops for leader training and promoted Baptist Men's Day. In cooperation with our state convention, our association was represented at five North Carolina Baptist Men's conferences at Camp Caraway (3) and at Greensboro (2).

Cooperation was the corner stone of our year's activity in Royal Ambassador work. Our associational conclave, held at Zion Church, featured past and present missionaries Tom Stevens (Indonesia), Rev. and Mrs. Kenneth Bragg (Japan) and Bill Brock (Brazil). Our association and first Baptist Church, Morganton, hosted the Western State Crusader Congress. Pioneer RA's from East Valdese Church attended the State Pioneer Congress at Wingate College, where the Peggy Harmon Older Pioneer Chapter was recognized as an honor chapter.

This year's Crusader - GA Day Camp, also a cooperatively sponsored event, at South Mountain Baptist Camp was attended by about 110. Missionary George Cowsert (Argentina), deaf ministries, nature studies and crafts were featured. About 230 participants marched in our Hike for Home Missions from Drexel Memorial to Antioch.

The spirit of cooperation pervaded our RA interest activities. An associational Crusader Car Competition was held at East Valdese Baptist Church. Eight churches fielded thirteen basketball teams, 8 Older and 5 Younger Pioneer teams. Seasonal champions were Zion (Older Pioneers) and East Valdese (Younger Pioneers). East Valdese participated in the first round of the state playoffs.

Our RA track and field events began with a well attended associational meet and concluded with about 50 boys and counselors attending the state meet at Gardner-Webb College.

Approximately 40 men and boys attended an RA Campout in May, competing in various campcraft skills. Both Crusaders and Pioneers participated in our associationally sponsored softball league. They ended their season with a cookout at Zion. Champions were Zion (Crusaders) and Pleasant Hill (Pioneers).

A SPECIAL REMINDER:

Our associational Brotherhood leadership is trained to assist you to begin new units or strengthen existing ones. Please contact us if we can help you in any way.

Respectfully submitted,
Albert Epley

STATE MISSIONS

THE NORTH CAROLINA MISSION OFFERING theme for 1982 is "HOPE IS SOMETHING YOU GIVE", and this year will be the fourth effort for combining six offerings into one special effort to meet the needs of our several Baptist ministries such as Homes for the Aged, The Baptist Children's Homes, The Baptist Hospital, our colleges, Fruitland Bible Institute and others that are dependent on North Carolina Baptist Christians for support. It takes a lot of money to operate these institutions, especially during these days of

inflation. The goal for this year is two and three fourth million dollars. Every year since it was begun North Carolina Mission Offering for undesignated causes has increased. Let's hope this year will also show an increase.

Under this unified plan of once a year offering, churches will be able to combine their efforts to meet the needs of our several state mission responsibilities. We as Baptist Christians need to try and reach the more than two million unchurched people in North Carolina.

If every member of our Baptist churches will give $2.44 each we could reach our goal of $2,750,000, or if we would go beyond our goal, a greater blessing, I'm sure, we would receive. Let us provide Hope to as many people as we can through this unified offering. This is a great opportunity to show our love and concern to those who need our love. We believe that the NORTH CAROLINA MISSION OFFERING is the best way to fund State Missions. Pray for the success of this offering, and lead your church to do its part this year.

Respectively submitted,
Lee Silver

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

8.5 by '85 is a play to reach an enrollment of 8.5 million people in Bible study by 1985. The media library in the church can be an important factor in realizing this goal.

A new church year is beginning and let's renew our commitment to emphasize the use of our media library centers. The purpose of the media library is to provide materials for all age groups, for those with special needs, and for all organizations of the church. The pastoral staff, teachers, and leaders should have access to a wide variety of materials with which to supplement their work in the ministry to Christ.

Last spring, your Media Library Director was privileged to attend the Key Leadership Meeting for Media Library Directors at Ridgecrest. Directors from many other associations attended this workshop to share ideas, problems, and to review materials. As a follow-up, the Directors of this Association were asked to meet for a discussion of their immediate needs.

Again, we urge you to send your Director to the Media Library Conference which is held at Ridgecrest every summer in July. A spring Media Conference is scheduled for April 29-30, 1983, at the Hickory Grove Baptist Church in Charlotte. A new book, *A Church Media Library at Work* will be off the press in January. This book will be valuable to our work. Many other publications and aids are available from the Sunday School Board of the Southern Baptist Convention and from the office in Raleigh.

If you need assistance in your library program, your Associational Committee will be glad to help in any way we can. Please call any one of us, or the Baptist Center. "Is your church media library geared up for 1985? If not, why not start today? 8.5 by '85 should be an integral part of the church media library vocabulary."

Billie Bolinger, Director
Church Media Library Organization

BURKE UNITED CHRISTIAN MINISTRIES
Report to Catawba River Baptist Association

Burke United Christian Ministries is an interdenominational organization which gives assistance to persons experiencing financial, physical, and emotional crisis.

It is supported by the churches of Burke County with gifts of food, clothing, financial aid, and household furniture.

This July 1st., a new fulltime director, Rev. William C. Clark, a retired United Methodist Minister, was hired, and is here to direct the operation.

Volunteers from the various churches work as receptionists, and clothing processors. Their services are invaluable, and without them our doors could not stay open.

In 1981, which is the latest year for which figures are available, Burke United Christian Ministries gave 6,576 assists in the area of food, clothing, fuel, lodging, rent, utilities, furniture, appliances, bus tickets, legal assistance, and counseling.

Other financial support comes from Burke County and Valdese-Lovelady United Funds, and private organizations and individual donations.

All applicants who come for the first time are carefully interviewed by the director. He also interviews all emergency cases, and hands out slips for food, prescriptions, and gasolene. Rent, utilities, and fuel assistance are also approved by him.

The present economical picture indicates that this year there will be a very heavy increase client wise. This will make it necessary for more churches to join those now contributing to help bear the ever increasing load. Out of two hundred churches in Burke County only 62 assist with only 42 supporting financially. Our thanks go out to those who have made it possible for us to serve the good people of Burke County regardless of their race, creed, or denominational preference.

Rev. W. C. Clark, Director
Burke United Christian Ministries

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society has been distributing copies of the Bible and portions of the Scripture for 166 years.

Its main objective is the distribution of the Scriptures in the language of the people. Since 1816 the American Bible Society has distributed 98.2 million Bibles and 3.3 billion Testaments, Scripture portions and selections for a total of almost 3.4 billion. The entire Bible has been produced in 277 languages, the New Testament in 516 languages and single biblical books in 944 languages. At the end of last year, at least one book of the Bible has been published in 1,739 different languages and dialects by the United Bible Societies. This is an increase of 29 languages over the previous year's total.

Let us as churches of the Catawba River Baptist Association continue to support The American Bible Society.

Prayerfully consider joining the Bible-a-Month Club; with as little as $3.00 a month you become a missionary at home with a world wide outreach.

REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATION 1982

Workers change but the work goes on. This is the simple message from *Biblical Recorder* this year.

Marse Grant, editor for nearly 23 years, retired September 13, his 62nd birthday. Succeeding him will be R. G. (Gene) Puckett who has served as editor of two other Baptist state papers and associate editor of a third one.

He came to the *Recorder* from the position of executive director of Americans United for the Separation of Church and State where he was also publisher of the magazine, *Church and State.*

Editorials and letters have praised his ability. In addition to his 20 years of editorial work on Baptist papers, he has been pastor of churches in Kentucky, Ohio and Florida. He was interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Church near Baltimore. He will carry on the tradition of our Baptist state paper as it looks forward to its 150th anniversary next January 17.

It has not been an easy year for the *Biblical Recorder,* primarily because mailing costs increased 160 per cent, from $2,500 a week to $6,500 a week. Another increase may come this fall. The *Recorder* has been through hard times before and will make it this time, thanks to the continuing support of North Carolina Baptists.

Please remember the new *Recorder* editor and his family. As his schedule permits, he will be speaking in churches and in associational meetings. He wants to know more about our state and these appearances will help him. Remember him in your prayers as he undertakes this difficult and demanding job.

STEWARDSHIP/COOPERATIVE PROGRAM

Stewardship education is one of the most urgent challenges facing the church. We as Southern Baptists have often been erratic and negligent in the area of the development of Christian Stewards. Our denomination has raised enormous amounts of money, but approximately 80 percent of its active membership is virtually uninvolved in giving. This has been due largely to the fact that stewardship education has been weak.

Several ways of remedying this situation are to return to a Biblical study on Christian stewardship, and develop a ministry-action budget in the local church that will reflect a vision which encompasses the world. This combination cannot be beat. God will honor those who honor Him.

We desperately need to let God speak to us once again through His Word on the subject of Christian stewardship. As you know, the Bible has more to say

about our money than we are ready to admit. Once again we need to let God through the Holy Spirit speak to us — motivate us — and challenge us in the matters of Christian stewardship.

As you plan your ministry-action budget this year, may we suggest that your church start dealing in percentages rather than "X" amount of dollars. In so doing, you will discover that it will be easier to set certain goals in your budget. And another advantage of percentage giving is that your giving, to certain needs spelled out in the budget, will be determined by the giving of your congregation. If you will meet your budget or not - or go beyond it - you still only give the percentage that you have predetermined to give. This way it will help you keep your budget more in line than the other method.

I wish you a prosperous year as you plan and promote God's work through your church budget. Giving is only one segment of Christian stewardship. That being so, by the grace of our living Lord, may we be determined to be the best Christian steward in our churches as possible in financial matters.

Respectfully submitted,
Joe B. Church, Chairman

CATAWBA RIVER BAPTIST ASSOCIATION
MISSIONS COMMITTEE REPORT
September 14, 1982

The Missions Committee of the Association met on two occasions during the past year. We met back in Winter along with Advisory Steering Committee to discuss the possibility of beginning a new work which would lead to a new congregation. We were in agreement that there were some particular areas that needed work.

We discussed the possibility of beginning a new worship in the Quaker-Meadows Community. Recent census information reveals a population increase of 49.4%. Other areas considered were Glen Alpine and the Valdese area. We recommended to the Association that we consider beginning a new work somewhere within the boundaries of the Association in the next few years.

Mr. Bob Watson of the Baptist Convention of North Carolina came and consulted with us about our needs and after a quick car tour of the areas of concern, we concluded we needed to go ahead with our plans.

Ms. Connie Russell came to us in June as a Summer worker. It was her responsibility to conduct surveys and Backyard Clubs to see if the fields were ripe for new work. Russell worked with four churches this past summer. Her purpose was to evaluate and extend into prospective new work communities. Her report confirmed the need.

The Committee has recommended to the Associational Finance and Budget Committee that $1000.00 be placed in the 1982-83 budget for the purpose of starting a new work. The Baptist Convention of North Carolina's Department of Church Extension has conditionally committed $2400.00-$3000.00 to Catawba River Baptist Association to match our $1000.00 in support of the Mission Committee's plan. This money will be used as a stipend for someone who is interested in planting a new church.

DEAF MINISTRY

Most Christian ministries are first a dream in the heart that can only be satisfied by bringing that dream into reality. In January of 1982, Dr. Jerry Potter's (N. C. Missionary to the deaf) dream became a reality when in a joint effort Burkemont Baptist and the North Carolina Baptist Convention named Marsha Lineberger as missionary to the deaf.

The ministry has two aspects. One, to provide North Carolina School for the deaf students with well rounded spiritual activities, which is financed through the N. C. Baptist State Convention. Included are; establishing friendships, visitation, and counseling, chapel services, retreats, and outings at South Mountain Baptist Camp and TTY services. The TTY is a teleprinter that the deaf use for phone calls. The TTY serves many purposes including; relaying messages, making appointments, relaying emergency messages, and counseling. One deaf woman became a Christian through the use of our TTY. The second aspect is directing a deaf ministry at Burkemont which is financed through this local church services, interpreting for secular and business needs of the deaf, Bible study classes, teaching sign language classes and providing training for interpreters, encouraging and training for deaf leadership, visitation and counseling and TTY services.

We praise the Lord for the fruit that He has given to this new ministry. Since January, 1982, 85 deaf people have made decisions for the Lord of which 56 were professions of faith.

Respectfully submitted,
Marsha Lineberger
Missionary to the deaf

MUSIC REPORT

There were two specific music functions of the Music Committee of our association during the 1981-82 calendar year. In the early spring of this year, the youth of Drexel First Baptist Church presented the musical entitled "The Apostle" for the spiritual enjoyment of our associational youth. There were approximately 200 people in attendance. Also, during the key leadership meeting held at the Morganton First Baptist Church, Thad Brendle, assoc. musical director, talked to any attending church music leaders, volunteer or full-time, concerning the planning and execution of a successful church music year.

It is our hope that during the next year, another joint music clinic, such as the one held two years ago in Valdese in affiliation with the Lenoir Association, might be held for all available choir members and music leaders within our association. Also, during the next year we would hope that more music might be made available on an inter-church basis within our association so that churches with less available music budgeted funds might be able to borrow idle music from other associational churches with greater music finance capabilities. This would potentially double or even triple the spiritual usefulness of any given piece of church music purchased within our association; there would be more music for more churches.

Looking forward to a successfully active year for the music of the Catawba River Baptist Association.

Thad Brendle
Associational Music Director

HOME MISSIONS REPORT

Truly the Lord has Blessed. As we look at the records of the Home Mission Board, we are pleased to report that we have 3,074 missionaries presently serving. More than 30,000 volunteered to serve as temporary or part-time missionaries through Mission Service Corps and Special Mission Ministries.

The goal for 1982 was $22,000,000, which is increased from the $18,539,913, that was given through the Annie Armstrong Easter Offering for 1981.

The different areas of the Home Mission Board includes: Evangelism

Projects, Church Extension, Christian Social Ministries, Language Missions, Interfaith Witness, Black Church Relations, Chaplaincy Ministries, Associational Missions and a variety of Special Projects.

In the Evangelism Projects, more than 165 churches represented 30 state conventions in the pilot phase of Continuing Witness Training. More seminars are planned. Specialized Evangelism Department helped hold 22 "Growing and Evangelistic Church" Seminars. National evangelism consultants for family women and ethnics led training sessions. An average of 360 new persons enrolled in the Correspondence Bible Course each month.

Over 500 persons have been assigned through Mission Service Corps since its beginning. They serve under missionary leaders in 45 states, Puerto Rico, American Samoa, and Canada.

More than 1,100 new church-type missions were started during 1981, and more than 450 were constituted into churches. The 1982-85 "Bold New Work" plans have a goal of 1,500 new churches. "Rechurching the City," is an effort to plant 2,500 new urban missions in the next five years.

The HMB in 1981 assisted 163 churches with facilities providing for 10,988 persons, representing more than $13.5 million in loans.

The Language Missions Division assisted with intensive language missions efforts in three cities; 41 new units were started among 17 ethnic groups. Bible study materials were prepared in cooperation with the Sunday School Board.

The Christian Social Ministries Department provided disaster relief funds of $8,900 to five state conventions. More than $80,000 in designated hunger relief funds were distributed. The CSM conducted five state conferences for ministries with older persons; held regional conferences on strengthening family life; in New Mexico, sponsored a conference with several other SBC agencies-the first Hospice Awareness Conference; and held a planning conference for the state director of blind ministries in 1981.

These accomplishments are encouraging, but the challenge is still with us to spread the Gospel to every creature. This means at home as well as abroad. The challenge to you as Christians is spread the Word, minister to the People — the Lord will truly bless.

The 1982 Home Mission Board budget is $37,529,000. It takes $721,712 a week, $103,102 a day, $4,296 an hour and $72 a minute to fund the work of the board. The Annie Armstrong Easter Offering for home missions exceeded its 1981 goal by 7.5 percent. The $18,539,912.67 given for 1981 was more than $3 million above the 1980 goal, an increase of 12.51 percent. The goal for 1982 will have to increase around 19.5 percent over 1981. With the economy sinking deeper into recession and unemployment hitting new levels, it will not be easy to continue to reach Annie Armstrong goals. But in the words of Leonard Irwin, "Southern Baptists will do what has to be done."

CATAWBA RIVER/GREATER ROCHESTER SISTER RELATIONSHIP

The relationship between our two associations has been a tremendous help and encouragement to the churches, chapels, and Bible study fellowships of the upstate New York area. Your prayers and support have done much to

strengthen our work, particularly in regard to some of our newer chapels. Your missions offering of $1,733.44 has been used for evangelistic and other supportive efforts in the Canandaigua Baptist Chapel, the East Rochester Baptist Chapel, the Portuguese Baptist Chapel and the Brockport Bible Study Fellowship.

We have also used a small part, along with funds from the Baptist Convention of New York and this association, to secure video tape equipment. This facility for reaching and training is of particular value here in the northern area where highly qualified people often are not available for training projects.

The work in our association is growing. We minister in 6 languages: Laotian, Portuguese, Malay-Arab (India), Spanish, Deaf, and English. Every church, chapel, and Bible study fellowship has pastoral leadership. There is an excellent fellowship and a deep spiritual unity which unites us. Baptisms for this year are up about 20% above what they were last year. Our ratio of baptisms to church membership is about 1-9.

The spiritual need is so great. Thank you again for standing with us in reaching out to the people of northwest New York with the message of Jesus Christ.

Respectfully submitted,
Norman Beckham,
Director of Missions

FOREIGN MISSIONS REPORT

The Foreign Missions Board's report highlights some encouraging signs as well as some sobering realities. The good news is that God has used ordinary Christians to bring about growth. The sobering picture comes when we view the multitudes without Christ.

In the area of **mission support and evangelism** there is growth. As 1982 began, 3,136 missionaries, including 2,688 career persons, were under appointment in 95 countries. Volunteers numbered 4,709. Yet 1,700 personnel requests remained unmet. Over-sea churches with whom Southern Baptist work baptized 127,337 persons during 1981. There is less growth in areas where the opposition to the gospel is severe.

In 528 **schools** in 50 countries, 122,616 students receive general education with Christian situations. **Seminaries** have a total of 5,643 students. Mexican students are making mission trips to the Spanish-speaking areas of Honduras and Chicago. 6,936 are enrolled in seminary extension courses.

Publications of the Christian message is growing. It is available now in several dozen languages. Bible publication is up. A new hymnal is ready for Indonesia. Three RA books are ready for boys in Togo.

Spiritual as well as **physical needs** are being met in hospitals, dental facilities, and mobile clinics. Financial pressures caused the return of the hospital in Gaza to the Missions Society of Great Britain. Children Clinics work in Tanzania, Chile, and Benin. Dental clinics have moved into prisons on the Ivory Coast.

Growth has come in the **benevolent ministries & contributions.** A major development project including evangelism, irrigation, well digging, and public health is under way in Upper Volta which illustrates meeting physical and

spiritual needs of the total person. Expenditures for **relief totaled** $373,564; **world hunger** $3,154,493.

Total gifts toward Foreign Missions was $95,480,007. The Lottie Moon Offering amounted to $44,713,506. The goal for 1982 is $58,000,000.

Respectfully submitted,
Mrs. Knolan Benfield

TEMPERANCE AND MORALS

The Christian Action League is grateful to God for the opportunities that He has provided in the past year to have a BOLD witness concerning current moral and ethical matters.

I. PRESIDENTIAL COMMISSION ON DRUNK DRIVING: The league was involved in the initial request to President Ronald Reagan concerning the naming of a Presidential Commission to study ways to reduce the needless slaughter of 26,000 people annually upon our highways due to drinking drivers. He responded to this request and named 26 prominent Americans who will look at the Drinking and Driving problem on a national basis and will make recommendations to the states in ways to deal with this carnage.

II. GOVERNOR'S TASK FORCE ON DRUNKEN DRIVERS: When the idea of a Presidential Commission on Drunk Drivers became certain, the League called upon Governor James B. Hunt, Jr. to name a N. C. Task Force on Drunken Drivers, in order to study this growing problem from our state's perspective and explore ways to remove the irresponsible element from our highways to insist on drinking and driving. The Governor accepted this recommendation and named a panel of outstanding citizens to conduct public hearing throughout our state and seek solutions to this growing problem. Public hearings were held in Raleigh, Asheville, Charlotte, Winston-Salem, Greenville, Fayetteville, and Wilmington.

The league promoted attendance at these hearings and enlisted speakers who made pertinent recommendations or shared personal tragedies due to drinking drivers.

The Task Force will submit its recommendations to the governor. These will be compiled into the Governor's Crime Commission's legislative program for the 1983 session of the General Assembly.

These recommendations will include such provisions:

1. Raising the legal drinking age to 21 for the sale, possession and consumption of **all** alcoholic beverages.
2. Mandatory jail sentences for convicted drunk drivers.
3. Abolish the practice of plea bargaining for convicted drunk drivers. (Currently, many are allowed to plead guilty to a lesser offence like careless and reckless driving, etc.)
4. Prohibit open containers of any kind of alcoholic beverage in a motor vehicle.
5. Prohibit public consumption of all alcoholic beverages.
6. Provide victim restitution due to alcohol-related accidents through additional taxes on alcoholic beverages.
7. Enact a DRAM law which will make the retailer criminally responsible for accidents caused by intoxicated patrons.

8. Abolish the practice of granting limited driving privileges for convicted drunk drivers.

III. STATE WIDE CONFERENCE ON OBSCENITY: This historic event was held in Greensboro on March 30, 1982, when foremost national authorities were brought to our state to explore ways that we can rid North Carolina of the reputation of being the nation's "smut" capital. Due to the loopholes that now exist in our obscenity laws our state has more x-rated theaters and "adult" book stores (sex shops) per capita than any other state.

The conference attracted some 500 participants and about 100 were law enforcement personnel.

As a result of this highly successful conference, six Regional Conferences on Obscenity and Decency will be held in Asheville, Charlotte, Winston-Salem, Raleigh, Greenville, and Wilmington between September 15 and October 15, 1982. Specific information on these conferences can be obtained from the League's publication, *Tomorrow.* If you are not receiving it, a one-year complimentary subscription can be obtained by writing: CHRISTIAN ACTION LEAGUE, P.O. Box 2126, Raleigh, N. C. 27602.

IV. SUCCESSFUL REFERENDUMS: The League rejoices in several significant victories during the past year. Pro-liquor-beer-wine forces were defeated in the following campaigns:

1. Cabarrus County: On and Off Premises Beer-Wine Sales.
2. Union County: Off-Premises Beer-Wine Sales.
3. Arlington (Yadkin County): ABC Liquor Stores.
4. Jonesville (Yadkin County): ABC Liquor Stores.
5. Wildon (Wison County): Liquor-By-The-Drink.
6. Forest City (Rutherford County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
7. Oakboro (Stanly County): ABC Liquor Stores and Off-Premises Beer-Wine.
8. Stoneville (Rockingham County): ABC Liquor Stores.
9. Boone (Watauga County): ABC Liquor Stores.
10. Lenior (Caldwell County): Liquor-By-The-Drink and On-Premises Beer Sales.
11. East Bend (Yadkin County): ABC Liquor Stores.
12. High Shoals (Gaston County): ABC Liquor Stores and Off-Premises Beer-Wine Sales.
13. Manteo (Dare County): Liquor-By-The-Drink.

The Christian Action League is also grateful for prayer and financial support of the churches of this association. Through the N. C. Mission Offering, the League will receive $22,000 this year which is 19% of our budget. The remainder of our operating expense comes from churches that have us in their budgets or through personal contributions. Without your continued support, we will not be able to remain on the cutting edge of moral and ethical issues that confront us.

May we always remember: "All that is necessary for evil to flourish is for good people to do nothing."

Robert Tenery

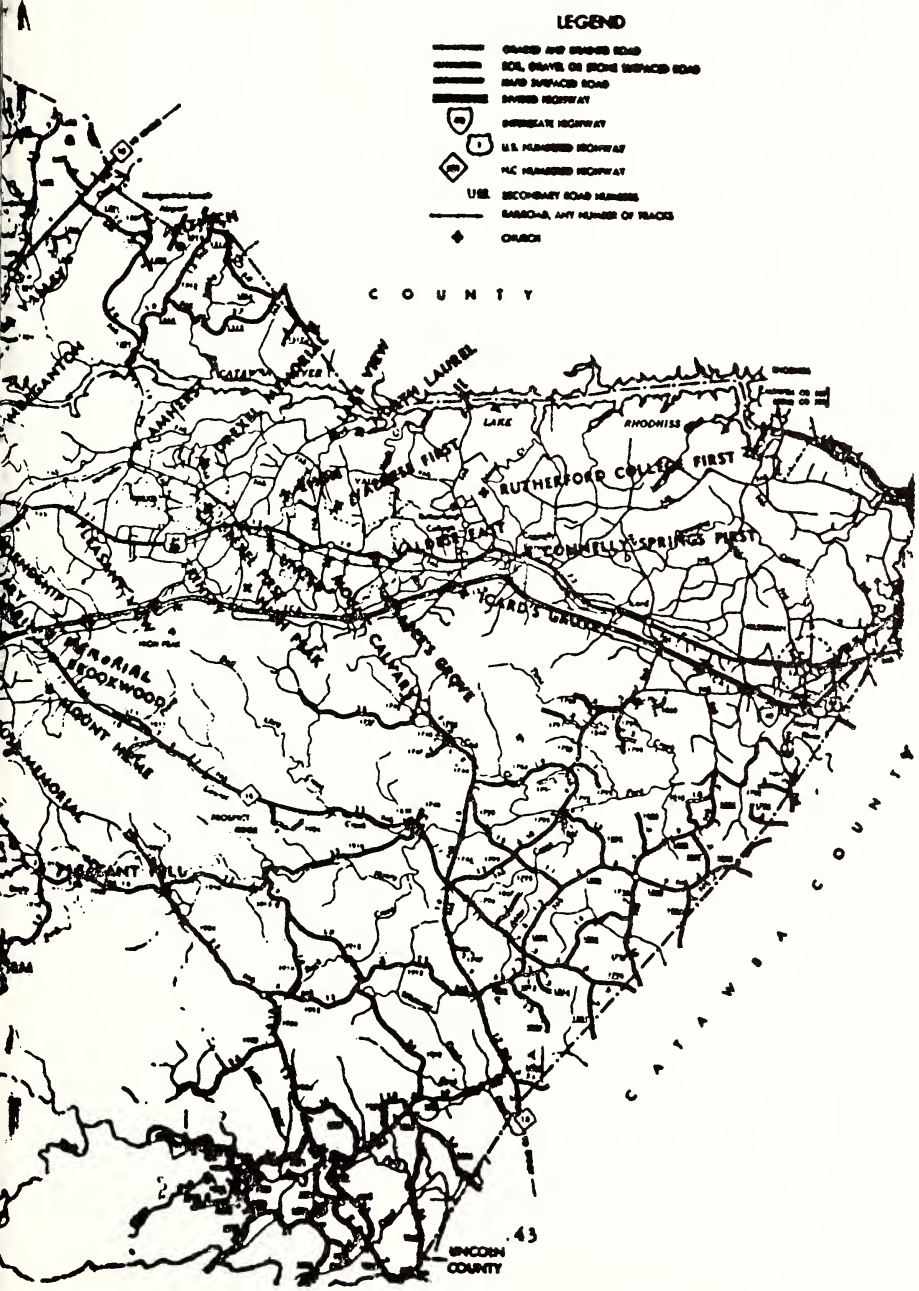
vba River Baptist Association



MINUTES OF THE EXECUTIVE PROMOTIONAL COMMITTEE

The Executive Promotional Committee of the Catawba River Association met quarterly at the Baptist Center in Morganton, N. C. on October 11, 1982.

Reports were presented from all organizations with notions given concerning their plans and progress. Items of business pursuant to the normal function of the Association were handled systematically and orderly throughout the year.

With the moving of Moderator Jack Fleming from our association, Vice Moderator William J. Thompson was elevated to the postition of Moderator until the association convenes in October.

The Advisory Steering Committee presented the following recommendations throughout the year:

(1) That the Association take $150.00 from the Contingency Fund to help pay the expenses of Thad Brendle to New York to work in a Youth Retreat.
(2) Upon recommendation from the Missions Committee that Catawba River Association in conjunction with the North Carolina State Baptist Convention utilize a "State Worker" for the purpose of beginning new work and pay $200.00 in support.
(3) That the Executive Promotional Committee and Advisory Steering Committee change their meeting time to the second Monday of each quarter.
(4) That the secretary of the Catawba River Baptist Association be paid $4.00 per hour.
(5) That the secretary's hours be changed from 20 to 30 hours per week.
(6) Recommended the adoption of the 1982-83 Associational Budget in the amount of $57,911.24.

It is hoped that each church will encourage attendance of its key leaders and two assigned members to the Associational Promotional Committee meeting each quarter this next year. This will assure us much wider representation on this committee and help expedite matters much more enthusiastically and efficiently between the annual meetings of the Association.

Bill Thompson
Moderator and Chairman of the
Executive Promotion Committee

BAPTIST HOSPITAL

Believing that North Carolina Baptists have a right and a responsibility to know as much as possible about their institutions, we submit the following information on Baptist Hospital in the hope that it will be of some interest and help.

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) a new method of delivering anti-cancer drugs by means of an "infusion pump", which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of chemotherapy. (2) A new type of x-ray called "digital radiography", used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome x-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where x-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis", which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional form of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton, and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the

black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totaled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

Larry Cline, Representative

CHRISTIAN HIGHER EDUCATION REPORT
Annual Associational Meetings, 1982

North Carolina Baptist have founded and continued to support seven colleges and universities. (This number is second only to Texas, which sponsors eight Baptist Schools.) What are the names of the North Carolina Baptist Colleges, and where are they located? Perhaps calling the roll will prove helpful. Imagining a map of the state and reading from left to right, the Baptist colleges are **Mars Hill,** in the mountains 18 miles north of Asheville, in the town of Mars Hill; **Gardner-Webb,** in the town of Boiling Springs, nine miles from Shelby and not far from the South Carolina border; **Wingate,** 30 miles east of Charlotte, in the town of Wingate, also near the South Carolina line; **Wake Forest,** in the centrally located city of Winston-Salem; **Meredith,** in the capitol City of Raleigh; **Campbell,** 30 miles south of Raleigh, in the town of Buies Creek; and **Chowan,** in the Northeast town of Murfreesboro, and not far from the Virginia state line.

During the 1981-82 school year, there were 15,798 students and 1,768 faculty and staff comprising the human side of the seven schools.
Foreign students numbered 224 from 57 countries and territories from Australia to Zimbabwe. North Carolina Baptist college students are preparing for a variety of vocations, for example: church-related vocations, 665; teaching, 1,314; medicine (including nursing), 1,329; law, 961; social work, 384. Approximately 9,700 of the students received financial aid. The seven colleges have practiced the ministry of Christian education for a cumulative total of 757 years. These colleges are proud of their Baptist heritage and are wanting to be effective missions partners with the churches.

The business of Baptist colleges is the education of young people. This is the primary service provided by the colleges to the churches. The college presidents have asked that the churches — pastors and lay people alike — help them by appointing young people from the churches toward Baptist colleges. Often there are Baptist youth who would prefer a Baptist college, but who fail to apply out of the belief that they cannot afford the cost. It is often the case that a person can attend a Baptist school as inexpensively — sometimes more inexpensively, depending upon the aid available — as he or she can attend a state institution.

For students, for generous support through the Cooperative Program and for a meaningful place in the great mission to the world, your Baptist colleges are grateful.

Respectfully submitted,
J. William Quarles, Ed. D.

EVANGELISM REPORT - 1982

This year was a great year in evangelism. Throughout our state we have had a Joint Evangelistic Crusade called "Here's Hope". Figures to date indicate 2,932 professions of faith in Christ and 34,266 rededications, with only 36 of our 80 associations being complete in their reporting.

In our own association, we had 49 churches participating and 103 professions of faith. We feel that many churches have been revived through these efforts.

In connection with the Here's Hope Crusade, we have just finished the Western Piedmont Crusade for Christ with the Bill Glass Team in our county. We had at least 100 churches participating in the Crusade. There were 145 professions of faith and 135 other types of decisions. With both of these Crusades and extensive discipleship training in soul winning, I feel that we shall continue to reap the harvest of souls in the days and weeks ahead. My prayer is that God will always burden our hearts for the salvation of men, women, boys and girls. Continue to make evangelism your number one priority in your church and personal life. God will bless you if you do. I hope to see the day when evangelism will become our lifestyle as Southern Baptists not something we preach about.

The Statewide Evangelism Conference will be held in Charlotte's Oven Auditorium during February 7-8, with Dr. Wayne Ward leading Bible Study; Dr. Landrum Leavell, Dr. Bo Baker, Dr. Joe Ford preaching, and Dick Baker leading the music.

On February 1, 1982, J. W. Hutchens, Jr. became Director of the Division on Evangelism for the Baptist State Convention of North Carolina.

NOTE: ratio of resident members to baptism is:

1977-1978 - 38-1
1978-1979 - 32-1
1979-1980 - 29-1
1980-1981 - 32.32 - 1
1981-1982 - 27.56 - 1

* * * * *

The Burkemont Baptist Church broke all historical records for Sunday School average attendance for the associational year 1981-82 with an average attendance of 520. The previous record average attendance in Sunday School

had been held by Calvary Church with an average of 519 in Sunday School in the 1930's.

Burke County made history because of the Western Piedmont Crusade for Christ with the Bill Glass team in charge September 19-26. This involved the cooperation of churches of various denominations. This demonstrates the effectiveness of all Christians working together.

NORTH CAROLINA BAPTIST HOMES, INC.

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 269 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Missions Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516, 804.00, provided 50% of benevolent care. The many residents who will be looking to the Baptist Homes' ministry for their care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

We love you, and we thank you for your love, your gifts, and your prayers. As Abraham was about to deliver the fatal blow to his son, Isaac, he asked, "Father, where is the sacrifice?" Whereupon Abraham replied, "God will provide!" And so He did! And so, we believe that you will provide!

Respectfully submitted,
Jay Hall

REPORT TO THE ASSOCIATION
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED 1982
THOMASVILLE FAMILY SERVICES AREA

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: Group living on four campuses, foster care, therapeutic camping, maternity care, emergency care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development; counseling and professional services to families and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, which provides therapeutic camping for boys from all across the State, has shown steady growth since its beginning in December of 1980. The program is now operating with three groups of 10 boys each. This is a highly specialized program of "friendship therapy" in a small group setting surrounded with nature's incentives for achievement and learning.

Members of the Mills Home Alumni are in the midst of renovating the oldest standing child care building in North Carolina. The Mitchell House was built in 1885 and will soon house a museum which will help us to know "how it was".

Mills Home is at the hub of what we are doing in the Thomasville Area under the capable leadership of newly appointed Resident Director and Associate, Gene and Mary Alice Wilson.

The quality of life for our children has been enhanced this year by the addition of a therapeutic recreation team. Mr. & Mrs. Jim Martin have a fine background that will enable them to help our staff statewide to plan and provide recreation with purpose. They work out of Thomasville.

A new 16mm thirty minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

Larry W. Sawyer and members of the Thomasville Area Family Services Staff are ready to serve those who turn to us for help.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those we serve.

James Sessions,
Representative

ANNUITY BOARD REPORT

"Solid Growth and Expanding Achievements"

Despite the economic problems in the nation, 1981 was a year of solid growth and expanding achievements with record number in assets, benefits paid and member accounts," said Darold H. Morgan, president of the Annuity Board of the Southern Baptist Convention.

Key statistical highlights in 1981 included:

1. A 10 percent 13th Check was sent to annuitants who retired before 1980. Those annuitants who retired in 1980-81 received their 13th Check bonus in their monthly checks.
2. A total of $24,298,521 was paid in retirement benefits.
3. Total assets administered by the board as of Dec. 31, 1981 were $896,535,999 compared with $806,518,757 in Dec. 31, 1980.
4. Relief funds from the Cooperative Program totalled $357,200.
5. Membership records indicated that 19,299 persons were enrolled in Plan A, 54,930 in Plan B, and 4,193 in Plan C.
6. Premium income reached $72,854,632. Of this amount, $45,443,258 was signated for the Fixed Fund and $10,294,788 for Plan A.
7. **Catawba River Association** 38 churches and 50 staff members are participating in the retirement program. Of this number, 13 are still participating on the minimum of 3.34 per month. **There is a great need to upgrade this to 10**% of total salary for off members.

NORTH CAROLINA

As of March 31, 1982, 3,288 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

As of March 31, 1982, we had processed the following:

70 - Southern Baptist Retirement Program applications
14 - applications for age retirement benefits
501 - retirement program updates

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance, auto allowance, etc.) should be the minimum. In 1981 North Carolina reported 1,032 upgrades!

Six (6) VIDEO TAPES are now available for churches and associations to assist in understanding the protection programs of the Annuity Board. Order from the Film Library, Baptist State Convention.

N. C. BAPTIST FOUNDATION, INC.
REPORT TO THE ASSOCIATION

When it was chartered in 1920, The North Carolina Baptist Foundation was charged with the responsibility of promoting the making of gifts, receiving and managing the gifts, and distributing the income earned from the investment of those gifts to the objects and causes specified by their donors. The charter further provided that those designated causes should be any and all objects and causes of the "Missionary Baptist denomination".

Today, the purpose remains the same. Baptist Foundation is the only agency of the Baptist State Convention which receives gifts for all Baptist causes: the colleges, universities and seminaries, Baptist Homes and Children's Homes, Baptist Hospital and the school of medicine churches and associations, Foreign and Home Mission Boards, special mission offerings, Cooperative Program, and all other concerns of Baptists.

During 1981, new trusts were created and old trusts had additions which together totaled $855,991.00 bringing the assets in all trusts to almost five million dollars. (Real estate is stated in the assets at the value when given, which is on the books at approximately 2.4 million dollars less than the current market value.)

Through the trusts created prior to 1981, investments earned $418,529.70 during 1981 for distribution to beneficiaries named by the trust donors. During the years of the Foundation's existence, the sum of $2,610,299.00 has been distributed to all beneficiaries of trusts held by the foundation, all according to the instructions provided by the donors.

The objective and future plans of the Foundation are summarized in a brief phrase - promoting mission support through estate stewardship. Through conferences and seminars, through counseling with individuals and speaking to church groups, the Foundation will continue to support North Carolina Baptists in their efforts to become better managers and stewards of their material possessions. Through its role as trustee agency, the Foundation will serve North Carolina Baptists by enabling them to enjoy Christian stewardship in its fullest sense - even after death.

Paul Lovingood

IN MEMORIAM

As we commemorate our beloved church members who departed their earthly life since our last Associational Meeting, we have memories of their labors for the Father, their influence on others, and their now enjoying eternal life in a heavenly Paradise.

Let us meditate on several biblical passages that give assurance and comfort:

Psalm 116:15 - Precious in the sight of the Lord is the death of his saints.

Rev. 14:13 - "Blessed are the dead who die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labors and their works do follow them."

I. Cor. 15:88 admonishes us, "Therefore my beloved brethen, be you steadfast, unmovable, always abounding in the work of the Lord, for as much as ye know that your labor is not in vain in the Lord."

To the true believer Death is his *Best day,* the beginning of a better life.
Enlarging day, the entering of his Father's house;
Reaping day, receiving the fruits sown in faith;
Transplanting day, the transforming from an earthly home to a mansion prepared by God;
Robing day, putting on new and glorious robes of light;
Coronation day, the day of his glory, the beginning of eternal perfect bliss with Christ
Prayer:
Solo: "How Firm a Foundation" - Thad Brendle, Minister of Music and Church Activities, First Baptist Church, Drexel, N. C.

Words of appreciation: It has been a joy to serve you as director of missions this year. Thank you for your support—prayer support, money support, people support, leadership support and facilities provided. Our thanks go to Mrs. Barbara R. (Austin) Hart of El Bethel Church who has served faithfully as a part-time volunteer office worker since April. And our sincere thanks to Mrs. Carol (Robert) DeVries who has helped several days during our heavy fall work season, also as a volunteer worker.

May we all pray to have a new commitment, a new loyalty, a new and enlarged vision of working together to honor our Lord as we attempt to proclaim the Good News of Christ to people here in Burke County and unto the uttermost parts of the earth.

To God be the glory for what has been accomplished this past year in and through our churches—both pastors and people.

Your friend in Christ,
Bill Goble, Jr.

SEMINARY EXTENSION REPORT

During the past year more than 10,000 enrolled in one or more Seminary Extension courses. In North Carolina more than 2500 enrolled.

North Carolina appreciates this effort to bring quality education to our people so much that it subsidizes this effort with pupil scholarships and faculty honorarium. This once again helped us to lead all other states in enrollment and teaching centers.

Our association enrolled 146 students in 10 courses. We also enrolled 82 students in Fruitland classes. We also have 4 students who have earned diplomas by completing 16 required courses. We have several others who will soon complete the required courses.

Respectfully submitted,
Robert Rownd

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention included the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

Constitution and By-Laws

ARTICLE 1

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION.**

MEMBERSHIP
ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has a responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

OBJECTS
ARTICLE 3

The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES
ARTICLE 4

This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS
ARTICLE 5

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember

each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which

the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

DIRECTOR OF MISSIONS ANNUAL REPORT: OCT. 1982—83

Miles traveled; 18,550 (approximately)

Work Among the Churches: 101 churches, 128 days, 174 services. Preached sermons, participated in special services (deacon ordination, deacon training seminars, note-burning ceremonies), taught Bible studies, taught Home & Foreign Missions studies. Visited churches for Church Training, Sunday School & AM and PM worship services, attended homecoming and revival services. Thank you for the privilege of preaching, teaching, training, ministering and worshipping in your church fellowship.

Work in the office: Many telephone conversations, about 120 personal interviews (counsel, etc.). At least 20 committee meetings. Produced and mailed about 500 copies of the CURRENT each month to 9 major church leaders plus associational leaders, etc. Published and distributed 320 Book of Reports, 600 annual program folders, published and distributed about 500, 12 pages 1983 Calendar of Activities. Many calls in office to get and return rent free audio visual aids and equipment.

Baptist Center: Our resource center for the churches. Thanks be unto God and to you for this excellent facility. Essentially the renovation and equipping of the new lounge-conference room has been completed - complete with new ceiling and lighting, new paint, carpet, draperies, conference table, couch, comfortable upholstered chair, small table & table lamp. Thanks to our churches who made a contribution to the renovation and to such volunteers as John Harris, Horace Huffman, Woodrow Green, Jimmy Steele, Mr. & Mrs. Austin Hart, Tom Luckadoo, who made the refurbishings and renovation possible. The Center now has 3 good conference areas plus the chapel and adequate storage, work and office space. The Faith Presbyterian Church continues to meet in the Center—twice each Sunday for worship (and Sunday

School). 2 Seminary Extension classes are currently meeting each week - weekly ministers' conferences - quarterly pastor seminars - Big A Club - Home, Foreign and State Missions studies - committee meetings - quarterly executive committees - a number of RA, GA & Acteen groups from our churches have toured the Center (with orientation).

Denominational Causes Presented to pastors & church leaders: All the missionary & benevolent causes and emphases of the Southern Baptist Convention, the N. C. State Baptist Convention, with a direct emphasis on World Missions through the Cooperative Program, the 3 special offerings, and associational missions.

Other DOM Areas of service: Burke County Jail Ministry Coordinator, Member of MAMA (Morganton Area Ministerial Association) Day's Inn On Call Chaplain - Served as secretary of the quarterly Reg. 8 Mission Fellowship - Radio Devotions on WMNC - Preaching Ministry to Foothills Nursing Home (at least twice a year). Worked with Missions Committee of Zion Church & Church Extension Dept., N. C. Baptist Convention, to establish the New Hope Baptist Mission.

Pastoral visits in homes and hospitals of pastors and families. Conducted a few funerals, etc. Worked closely with Missionary of Greater Rochester, N. Y. Baptist Association (our sister association).

Associational Meetings: see Calendar of Activities in 1982 Annual. Too numerous to mention here!

Outstanding highlights of the year are as follows:

1. Sunday School Enlargement Campaign in 16 churches in March.
2. Birthing of New Hope Baptist Mission in cooperation with Zion Baptist Church and the N. C. Baptist State Convention.
3. About 809 people in attendance at "M" Night. 2nd largest associational meeting in history.
4. Our "sister" relationship with the Greater Rochester (N. Y.) Baptist Association.

God bless all of you who worked as faithfully in our Phase I (1977-1982)of Bold Mission Thrust.Some of you doubled baptisms, and doubled giving through World Missions through the Cooperative Program and doubled Associational mission giving. With the economy improvement, let us be challenged to win many more people to the Lord and to increase our gifts through the local church and let the churches be good stewards by enlarged, faithful and generous giving to win this county and this world to Christ. At least we have a mandate from the Master to tell the good news of the gospel of Christ to a lost world. Let's make Phase II of Bold Mission Thrust a reality as we reach people for Christ and develop the believers into faithful discipleship.

Thank you for your prayers, your financial support, your church facilities, etc., — and for **just who you are!**It's a joy for us to serve the Lord Christ together!

Your friend and co-laborer
in Christ,
Bill Goble

EXECUTIVE PROMOTION COMMITTEE REPORT

The Executive Promotion Committee met quarterly — 4 times during 1982-83. The advisory Steering Committee also met 4 times preceding each of our general committee meetings.

Reports were presented from all organizations and some committees concerning their progress and their plans. Items of business pertaining to the normal function of the Association were handled systematically and orderly throughout the year.

The following recommendations (which were presented by the Advisory Steering Committee or from the floor) were approved throughout the year.

1) That we have the regular 5 year World Missions Conference the last week in April 1985.
2) That Bill & Roberta Goble be allowed to increase their retirement deductions from their salaries by $100 a month - to $200 per month for Mrs. Goble (not to affect salaries in any way but to satisfy IRS requirements in the budget).
3) Love Offering for the projected new mission in the Hidden Valley area approved for May 1st to be received by our churches.
4) Robert Round, Chairman, Oscar Long, Jimmy Lambert, Raymond White, Daisy Lester and Fannie Collins.
5) That we try (on an experimental basis) to have the Quarterly Leadership meeting on July 11, 1983 at Calvary Baptist Church - this Key Leadership Conference to be preceded by the Executive Promotion Committee.
6) That we allocate such funds from the budget as needed to clean the associational home (parsonage) and manicure the lawn and shrubbery, without painting, for the purpose of selling the house as soon as possible. Also, adopted a motion that the house selling committee be instructed to reduce the initial selling price to a reasonable price in order to facilitate the sale of the house.
7) Request the N. C. Baptist State Convention for church pastoral assistance in the amount of $3,500 a year for the New Hope Baptist Mission (The association provided $1,000).
8) That expenditures from our treasury on the cleaning, painting, manicuring and repairs of the associational home be replaced in our treasury to be taken from the sale income of the home when it is sold.
9) Approved the proposed 1983-84 proposed budget ($67,931.12) and recommend its adoption at the Oct. '83 annual meeting.

It is hoped that each church will increase its associational missions gifts significantly each year to **get to** and **go beyond** the suggested and recommended 3% **minimum** undesignated gifts to associational missions. Also, please see that your church is represented at our regular quarterly meetings by your pastor, key leaders suggested by our constitution and your two elected members. They will be informed, inspired and will have significant input to help us have a more effective associational mission program.

Thanks for your support.

Respectfully submitted,
Bill Thompson, Moderator
& Chairman of the Executive
Promotion Committee

CATAWBA RIVER ASSOCIATIONAL MISSION REPORT 1982-83

This has been an exciting year for Associational Missions. The Associational Missions Committee is happy to report a banner year. After two years of planning and praying, the Association, in partnership with the Baptist Convention of North Carolina and the Zion Baptist Church gave birth to a new church.

The New Hope Baptist Mission, our associational new work, is located off Spainhour Road in the Hidden Valley residential community. The New Hope Mission is under the wing of the Zion Baptist Church in a variety of ways. The church provided the property and the materials for construction and the labor. The ladies of the church played a significant supportive role in providing food and refreshments for the working men.

The church has a pastor named Charles Battle. He is a recent Fruitland Bible Institute graduate and has been on the field since services began on June 27th. The church was dedicated on July 10th and the church was full to capacity. Average attendance now exceeds 30. The community has over 90 homes of where the majority are unchurched.

Thanks to you, $2,840.26 was contributed to the support of the project. North Carolina Baptist gave us $2,500.00 and the Association pledged an additional funding for the 83-84 year. We need to pledge our support by placing New Hope Mission on our Church Budgets.

Also, many thanks to the churches of our association who support West Virginia and Rochester pioneer missions. Several summer teams assisted our new work areas. Calvary Baptist had an exciting mission to the churches of Rochester. Total given to Rochester for Missions amounted to $1,618.91. These struggling congregations thank you according to Rev. Norman Beckham, Area Missionary.

Respectfully submitted,
Buddy Corbin

DEAF MINISTRY

The Lord continues to bless the joint effort Burkemont Baptist and the North Carolina Baptist Convention have in supporting a missionary to the deaf. The ministry has two aspects; one-directing a deaf ministry at Burkemont which is financed through this local church. Secondly- to provide N.C. School for the deaf students with well rounded spiritual activities, which is financed through the N.C. Baptist State Convention. The following are things we do to carry out this aspect of the ministry:

We had 4 retreats for NCSD students at South Mountain Baptist Camp which involved students from 4-12 grades. The retreats at SMBC are an important part of our ministry. We have more opportunity to get to know the students better, more time for Bible study, more opportunity to demonstrate what Christian living means.

The Lord blessed as we ministered every Wed. at NCSD. We visited in the dorms with 4-12 graders (counseling, playing ball with kids, etc.) had Bible

study with High School students who were interested, and led evening chapel services.

We attended all ball games if possible in order to share and be a part of "whats going on with the kids".

We provided transportation for several NCSD students to go to Burkemont Church on Sunday night.

We showed Nicky Cruz movie at NCSD (true story of young man **saved** from gang warfare, drugs and degeneracy in the streets of a large city. We were at NCSD until 11:00 counseling and praying with students after the movie.

We have opened our home on several occasions to deaf young people and adults who needed living quarters and spiritual guidance.

We use our TTD (phone for deaf) almost daily for relaying messages, making appointments, and counseling.

We are thankful to several area churches for supporting us: First Baptist, Morgan gave some Bibles to be used at NCSD Chapel, First Baptist, Glen Alpine gave money for Bibles to give to individual students and also included the deaf ministry in their budget this year.

Respectfully submitted,
Marsha Lineberger
Missionary to the deaf

STEWARDSHIP/COOPERATIVE PROGRAM

Never before in the history of American life has money been as important as it is today. So much of our daily living is concerned with the accumulation and spending of money.

Any treatment of stewardship, then, must give rather major attention to money. Not that money is the crux of stewardship, any more than memorizing John 3:16 is the focal point of the Bible study. But since stewardship includes total accountability, and since money plays such a large role in our lives, then the Christian's relationship or (church's relationship) to his or her's finances is deserving of major attention.

We trust that each church will be a wise and generous steward of the Lord's money this year. Through "BOLD MISSIONS THRUST" lift up your vision to see the tremendous need to support our cooperative program, world missions and world hunger. These days call for days of giving, not days of keeping. Never have we had such a golden opportunity to demonstrate our commitment to the Lord by sharing our resources with other peoples of the world in our giving.

May I urge you or suggest to you to:

1. Double your church giving.
2. Double your Cooperative Program giving.
3. Double your Associational giving.

You won't go wrong in doing so. Have the courage of faith to commit your church to such faith-giving.

Respectfully submitted,
Joe B. Church, Chairman

EVANGELISM REPORT

At this time a year ago we were still vigorously involved in the follow up work from the Bill Glass Evangelistic Crusade here in Morganton. That Crusade had a lasting impact on Burke County and surrounding areas and we are constantly hearing requests for another Crusade sometime in the future. Of course, by far the majority of churches participating in the Crusade were Baptist Churches and many people from our Association were deeply involved in the Crusade.

The highlight of our Associational Activity this year was a Seminar on "Growing Evangelistic Churches" led by Mr. Richard Everett of the Evangelism Department of the Baptist State Convention. It was a four hour Seminar that was well attended by Pastors and Associate Pastors in our Association. The Association furnished a meal for the Seminar and a number of Pastors have expressed their gratitude for the Seminar.

Another Associational activity will come during the month of February when we will conduct a Seminar on Revival Preparation. This Seminar is being conducted in February with the view of helping our Pastors and Churches in preparation for Spring Revivals. This, also, will be conducted by personnel from the Evangelism Department of the Baptist State Convention.

Last year, there were 561 baptisms reported by the churches of the Catawba River Baptist Association. This meager record in evangelism tells me that we need to give evangelism a high priority in the life of our Association.

Continuing Witness Training

The most exciting thing on the evangelistic scene among Southern Baptists is the Continuing Witness Training program. This program has been put together by the Home Mission Board along with men from throughout Southern Baptist Convention life who have been successful in evangelism. Several national seminars have been conducted in connection with the program and it is the aim of the Home Mission Board and the Department of Evangelism for the Baptist State Convention that Seminars can be conducted all across this State. In order for an area to have a national seminar, a church in the area must be certified in CWT. This is done when a Pastor and a Layman from the Association, or area, attended a national seminar and pass the test for certification in CWT. No person can be certified in CWT unless his pastor is certified. In a certified church, the pastor conducts weekly seminars for 13 weeks in which there is a period of teaching and actual soul winning each week. When an Apprentice has gone through the 13 week training process, then that Apprentice can become an Equipper who, in turn, can equip others in the Program. Each person won to Christ during the program is helped by an Encourager for 13 weeks who will use the "Survival Kit" which is published by the Sunday School Board of the Southern Baptist Convention. As you can see, the program not only emphasizes making decisions but in making disciples as well. It does not stop at the point of decision making but goes on to disciple making. It is a very balanced and comprehensive approach to New Testament Evangelism.

The Burkemont Church has already been certified in our area for a CWT Seminar. We are now in the process of training Equippers and when we have trained enough Equippers for a national seminar, we will host a seminar for this area.

The CWT Program has been referred to as the Baptist version of Evangelism

Explosion. Of course, any program that properly presents the plan of salvation to lost people will, of necessity, bear some similarities to other programs with the same objectives but CWT is not simply Evangelism Explosion. The CWT Program has a greater emphasis on the Holy Spirit and repentance than does Evangelism Explosion. Of course, this should have been expected in any program developed by Baptists because these are two of the strong emphases of Baptists in regard to Evangelism.

The heart of the CWT Program is a "Model Presentation" of the Gospel of Jesus Christ which deals with God's purpose for our lives, our needs, God's provision and our response. The "Model Presentation" also provides a very easy and acceptable entrance into the presentation of the Gospel to a lost person. It trains the individual witness in the matter of handling difficulties and objections even though the presentation is so thorough and comprehensive that few objections are raised. It also places a tool in the hands of lay people which makes them effective witnesses for Christ.

Please pray for us as we move toward the hosting of a national seminar right here in our Association.

Yours in Christ.

FOREIGN MISSION REPORT — 1982

The Foreign Mission Board of the Southern Baptist Convention was begun in 1845, for the one purpose of providing a channel through which our churches could work together to share the gospel with all nations of the world. From the appointment of our first missionary in 1846, to 3,217 missionaries at the end of 1982, an increase of 406 new missionaries, the missionaries do the work of evangelism, preaching, church starting, training of local Baptist leadership, education, social ministries and hunger relief, medical work, publications and broadcasting. From one country in 1846, we now at the end of 1982, have work in 96 countries with 1.5 million Baptist members in 27,000 local churches and/or missions, and with 10,000 local pastors.

In 1982, there were 140,844 baptisms in the churches and missions overseas, which was a definite increase in ratio of baptisms per missionary. Our missionaries were aided by nearly 6,000 volunteers from local churches who went at their own expense.

During 1982, Southern Baptists channeled $110.2 million through the Foreign Mission Board, with 41.8% given through the SBC Cooperative Program and 46.5% through the Lottie Moon Christmas Offering. Our Lottie Moon offering amounted to $51,289 million, short of our $58 million goal for 1982.

Baptist bodies to which Southern Baptist missionaries relate established 700 new churches. The response to the gospel makes heavy demands on the publication work. Publications overseas included: Christian Books (including Bibles) — 723 titles, 2,292,904 copies; periodicals — 446 titles, 6,500,000 copies; and tracts — 18,200,000 copies. Also in 1982, more than 94 million people heard the gospel by means of local Baptist radio broadcasts and telecasts.

Theological school enrollment was up with 6,173 students enrolled in 1982. Theological education extension programs also enrolled 6,467 men and women.

Medical missionaries continue to minister to many people. About 170 medical missionaries reached 143,000 inpatients and 1.4 million out patients in 20 hospitals and 114 clinics during 1982.

One exciting event soon will be the completion of a new Missionary Learning Center in Rockville, Va., (about 22 miles from Richmond). This construction, in honor of Baker James and Eloise Cauthen, is being designed to equip and enable new missionaries to achieve maximum effectiveness on the field.

Within our SBC, Missions Partnerships are focusing more attention on Bold Mission Thrust intentions. Partnerships are joint ventures linking financial and human resources in a commitment of intercession and work. North Carolina Baptists are now seeking to work out a partnership with Togo.

Of the Baptist conventions to which Souhtern Baptists missionaries minister, twelve conventions in turn send missionaries to other countries.

Southern Baptists are seeking to fulfill their opportunity and duty in the Bold Mission Thrust to "make disciples of all nations" (Matt. 28:19). To quote Keith Parks, President of our F.M.B., "God is loving us to love a lost world."

THE HOME MISSION BOARD REPORT FOR 1982 - 83

The Home Mission Board has accepted the Bold Mission Thrust challenge of reaching this country for Jesus Christ. But to make Bold Mission Thrust a reality instead of a slogan, all Southern Baptists are called to actively share the gospel message. One agency, or one board, alone, cannot witness to 250 million Americans. Realizing this, the Southern Baptist Convention has given the Home Mission Board the bold mission task of equipping Southern Baptists with means to express their faith through witnessing. The Home Mission Board, therefore, serves in a dual role, as a direct missions agency and as a resource agency. This twin purpose is evident even in the Board's financial expenditures: nearly half the Board's funds support actions that encourage and equip others to accept the mission challenge.

As a mission-sending agency, the Home Mission Board appoints persons who witness, begin churches and meet human needs. Some missionaries, in addition, are catalysts who prepare local Baptists to serve on mission in their own community.

As a resource agency, the Home Mission Board provides information which enables local Baptists to better perform hands-on mission work. The Board staff holds conferences and seminars to train laypersons, ministers and missionaries, and leads in planning mission strategy. The staff also prepares workbooks and planning guides, books, statistical reports and media resourses, all to help churches and associations meet the Bold Mission challenge.

Highlight of the Missions Section year was beginning 1,180 new missions and churches.

There are no precise formulas to winning our land for Jesus Christ. Each home missionary is an individual, working in a unique situation, ministering to a diverse people. That which succeeds in one area may fail in another. What

appeals to one congregation may puzzle another. That is the challenge of home missions. That is the beauty of the individual's call. Whether church planter or evangelist, home mission personnel seek innovative ways to reach people for Jesus Christ. In the Scriptures, we find Jesus ministering to people beyond the synagogue walls. We, today, must use new frontiers to touch people. Lives are changed when people find the excitement of a daily adventure with Jesus Christ.

The home missions force includes 3,430 men and women serving as mission personnel in all 50 states, American Samoa, Puerto Rico, the American Virgin Islands and Canada. The agency places an additional 40,226 volunteers in areas of special service each year and endorses 1,568 chaplains in the military, in industries, hospitals and institutions.

Home Missions depends on the financial support of committed Southern Baptists, sacrificially giving through the Cooperative Program and the Annie Armstrong Easter Offering for Home Missions. As of December 31, 1982, the Annie Armstrong Easter Offering amounted to $20,709,206, an increase of 11.7 percent over 1981. During its fiscal year, the SBC Executive Committee allocated $17,634,029 through the Cooperative Program, an increase of 10.4 percent over 1981. In our Catawba River Association, the Annie Armstrong Easter Offering for 1982 amounted to $40,499.00, an increase of sixteen percent over 1981. Let's keep up the good work!

In 1982 we celebrated the centennial of the Home Mission Board's relocation in Atlanta, Georgia, a move historians believe ultimately saved the Board, and perhaps the Southern Baptist Convention, from serious decline. In 1882, the Home Mission Board was financially troubled, a disaster-plagued agency, located in Marion, Alabama. In an effort to save the Board, The Southern Baptist Convention voted to move it to Atlanta. In the decade following, the Board accomplished twice as much as it had in the previous 37 years. Today, the Home Mission Board is a robust descendant of the frail agency, facing an uncertain future a century ago. The future of the Home Mission Board is enveloped in accomplishing Bold Mission Thrust and making it a reality in our land.

Barbara R. Hart, Representative

TEMPERANCE AND MORALS REPORT
1983 REPORT TO THE ASSOCIATION

We are grateful to our Lord for what your association has meant to the cause of social and civic righteousness in our state in the past 12 months. You have assisted the efforts of the League with appropriate action along with your prayer and financial support.

We wish to list just a few of the strategic issues where your voice was so influential.

I. SAFE ROADS ACT OF 1983

Due to the growing problem of the needless slaughter of innocent men, women, and children upon our highways due to drinking drivers, the League called upon Governor James B. Hunt, Jr., to name a Task Force to study this problem and seek constructive recommendations to be presented to the 1983

General Assembly. He complied with this request, and the recommendations of the Task Force were compiled into the Safe Roads Act of 1983. Even though the powerful beer-liquor-restaurant lobby along with other alcoholic retail groups were able to "water-down" some key provisions in this legislative packet, we at least have a measure that can be strengthened in the future to deal with the irresponsible drinking driver.

II. STATE LOTTERY

With the General Assembly seeking additional tax funds, it became apparent that an easy route for the politicians to take would be to put the state into the gambling business via a state-wide lottery.

The League organized the opposition to this issue. When the pro-lottery forces paraded representatives of the lottery industry extolling the "virtues" of such for North Carolina at a legislative public hearing, it was the Christian Action League that presented the adverse effects that a lottery would have upon our state.

It was through your letters, resolutions, and other contacts to your legislators that generated the opposition to the lottery and resulted in its defeat.

However, this is not a dead issue. Pro-lottery forces are seeking state tax funds for a Legislative Lottery Feasibility Study to prepare legislation for the 1984 mini-session of the General Assembly, May we not "grow weary in well-doing" or we will get stuck with a lottery as we did with liquor-by-the-drink.

III. REFERENDUMS

In the past 12 months, you made it possible for the League to assist 7 communities successfully in defeating various referendums. These were:

1. Archdale: Liquor-By-The-Drink, ABC Liquor Stores; and Off-Premise Beer and Wine sales
2. Newton: Liquor-By-The-Drink
3. West Jefferson: ABC Liquor Stores
4. Banner Elk: Liquor-By-The-Drink
5. Lenoir County: Liquor-By-The-Drink
6. Kings Mountain: ABC Liquor Stores and Off-Premise Sales of Beer and Wine
7. Elizabethtown: Liquor-By-The-Drink.

Other referendums are pending.

CONCLUSION

Thank you again for making it possible for us to remain on the "firing line". May your churches continue to provide the prayer and financial support so that we might be an effective instrument for the cause of social and civic righteousness.

NORTH CAROLINA MISSIONS REPORT

Through State Missions in North Carolina you as a Christian can offer hope in a variety of circumstances. The total N. C. Missions offering goal will be divided among the many agencies that minister to the needs of our people. Our goal here in the Catawba River Association is $31,000.00, state wide it is $2,750,000.00.

Let us list several places where it goes. Take for instance, the Baptist Children's Homes. Here we have 4 group-care homes, 8 emergency care centers. Foster homes, and family service centers and others. These agencies will receive 30% of the offering given through N. C. State Missions, Education - 5%, State Mission Ministries - 27%, Baptist Homes for the Aging - 15%, WMU and Brotherhood - a total of 8%.

Giving to provide for these is one way you give hope. Jesus said that caring for the elderly people and homeless children is a responsibility God expects of us. Take for instance, Fruitland Bible Institute, here many of our pastors are trained and educated to lead people to Christ. Many of them enter the ministry rather late in life, or were unable to go to other colleges or seminaries. But, at Fruitland, they are trained and become good leaders and dedicated pastors.

Aren't you glad you can have a part in providing for this wonderful institution? All the programs of State Missions help strengthen the local church because these programs represent you in areas where your church does not serve. We as N. C. Baptists are growing in our support to State Missions. Seven years ago our state-wide goal was only $400,000.00. The faithful stewardship of individual Christians and the missionary vision of the churches expressed through their support of the N. C. Missions Offering, will enable us to maintain a growing state mission program.

So let us keep up the good work, and give a little hope to those when it seems that no one cares.

Lee Silver, Representative

BURKE UNITED CHRISTIAN MINISTRIES

As you are already aware, Burke United Christian Ministries is an inter-denominational organization which seeks to assist persons irrespective of race, creed, or color, who are experiencing financial, physical and emotional problems.

We are supported by approximately 65 churches of all denominations in Burke County who provide financial support, clothing, household items and other support as needed when called upon. We are still hoping that more churches in this association will see fit to include us in their budget and further assist us by gifts of food and clothing. Since I interview all persons, I have become aware of the fact that 19% of those who say that they are affiliated with a particular church are telling the truth then there are many of your member churches whose people we are helping continually. Therefore, we hope and pray that many of you that are not presently supporting us will see fit to do so.

In 1982, which is the latest year for which figures are available, we assisted 6,495 families and so far this year we have assisted 5,536 families with food financial aid, lodging, clothing, furniture, etc.

Our primary financial support comes from churches, Burke County United Way Fund, Beatrice Cobb Foundation, Huffman-Cornwell Foundation, private business individuals and some client repayment. The latter of which has been very minimal this year.

Our applicants come from Social Services, Burke County Sheriffs Department, Morganton and Valdese Police Departments, church referrals, Red Cross, Blue Ridge Community Action and people passing by who see our sign and are in need of, and receive, help.

The Director carefully interviews all first time applicants, those having financial needs and special problem cases sent to him by the receptionist on duty. When the primary need is established, slips for food, prescriptions and gasoline are given. Rent, utilities and fuel assistance are paid by check directly to the supplier. No cash money is ever given to a client.

Due to a poor job market this year, we have experienced a heavy load in all areas of assistance. Although the market appears to be improving, there are many people who due to employer selectivity will remain un-employed for a long time and we will therefore have a continuing need to help support them.

Our thanks go out to all of you who have supported us with your gifts and prayers. Although this has been a year of many internal changes for us we are reaching a point of being able to help deserving people with a complete assistance package.

We invite you to come visit us and share with us any constructive criticism that may enable us to better serve the people of Burke County. We are always ready to reach out to those who really have a need. Pray for us. We love you and need your support in all areas.

BAPTIST ANNUITY BOARD

The Annuity Board continues to reinforce its position as a sound financial pension board with another year of outstanding performance.

For the first time in its 65-year history, total assets administered by the board exceed the billion-dollar mark to close 1982 with $1,057,947,515, a 17.8 percent increase over 1981.

Investment income had a substantial increase in the fourth quarter to close the year with a record total of $120,502,580.

This growth has continued thus far into 1983. As of June 30, 1983, total assets held in trust by the Annuity Board totaled $1,182,313,932. This is an increase of $243,114,736 over June 30, 1982.

Premiums and dues through the first two quarters of this year reached a record $45,775,947. A year earlier, the total was $44,090,415.

As of June 30 this year, the Board paid a record $15,188,353 in benefits to 13,891 annuitants.

Department of Retirement Planning, Baptist State Convention

As of August 31, 1983, in North Carolina there were 3,278 staff members in 2,329 churches and associations participating in the Southern Baptist Retirement Program.

The church's response to upgrading the staff member's retirement program continues to be encouraging. Ten (10%) percent of his/her annual compensation (salary, housing allowance) should be the minimum. In 1982, North Carolina reported 1,102 upgrades! This was the best year we have ever had.

1983 has been a year of change and challenge. The new Social Security laws, as well as laws dealing with retirement plans, have brought increasing demands upon this department.

Catawba River Baptist Association

Thirty-five of our churches in the Catawba River Association are currently participating in some facet of the SBC Annuity Program. Nine of these churches are participating only in the basic Protection Plan A which is based on a $4,000 year salary. (The $400 per year paid by each of these churches is matched by $200 from the State Convention Cooperative Program funds.) **Churches, why not upgrade your pastor/staff members Annuity to at least 10% of salary?**

Six (6) VIDEO TAPES are now available for churches and associations to assist in understanding the protection programs of the Annuity Board. Order from the Film Library, Baptist State Convention.

SUNDAY SCHOOL REPORT

Southern Baptist Churches in 1983-84 are entering their second year of the 1982-85 Bold Mission Thrust. A major feature of this emphasis is 8.5 by '85 - a denominational effort to help Southern Baptist churches reach a combined Sunday School enrollment of eight and one-half million by 1985. North Carolina has adopted the challenging state goal of enrolling 855,000 in Bible study by 1985. This represents a 30% increase. Local church goals of a 10% annual gain would surpass state goals.

There are nine basics to Sunday School growth:

*Make a commitment to grow
*Identify and enroll prospects
*Start new classes and departments
*Enlist workers
*Train workers
*Provide space and equipment
*Conduct weekly workers' meeting
*Conduct weekly visitation
*Teach the Bible to win the lost and develop the saved

These same basics are applicable to Sunday School work in 1983-84. In fact, they form the framework for Sunday School work on through 1985.

Emphasis this year will focus on building a Standard Sunday School. The Standard sets certain guidelines and achievements to be accomplished in these areas: Outreach and Growth; Bible Study; Evangelism; Member Involvement; Organization; Learning Environment; Planning; and Leadership Development. The Associational Sunday School Workshop will offer the study in "A Guide to Standard Sunday School Work" in March of 1984 to help every Associational church have a Standard Sunday School.

The Associational Sunday School Improvement Support Team (ASSIST) has trained workers in each age-group, and stands ready to help any church in Sunday School work. Call them to help you.

Your Sunday School can grow; you can reach people. Set goals and make plans to reach out to people.

SEMINARY EXTENSION REPORT

Seminary Extension is a combined effort of our six seminaries to bring quality professional training near enough so that each interested lay person and minister can benefit. Over 100 subjects are offered on a class or correspondance basis. Over 20,000 are enrolled in one or more courses.

Here, in Catawba River Baptist Association, we offer 2 classes per quarter and are enrolling 16 - 40. Last year we offered 11 classes and enrolled 100+. We greatly appreciate Rev. Buddy Corbin helping to teach these classes. Our next classes will be OT0104 (Old Testament Survey - Part II) and BB0100 ("How to Understand The Bible"). They will begin November 14 and 15 at the Baptist Center (7:00 - 9:00 p.m. on Monday and Tuesday). The Baptist State Convention of North Carolina has paid the teacher's salaries and gave a scholarship to each pupil. This has kept the cost low.

David Cassida, James Hutchens Jr., and Robert Beck have earned diplomas and soon several others will complete their study for a diploma including Tommy Nance, a deaf student.

We hope many of you will enroll in one or more of our classes this year.

Robert K. Rownd

COMMITTEE ON CARE OF AGING MINISTERS

This committee feels it's work lies in the area of giving information and assistance to aging servants of the Lord. We will seek to promote their well being through suggested Associational and Church actions. We will meet quarterly one half hour before the Executive Committee. We will put information and suggestions in the "Current" from time to time.

We suggest that our churches consider taking the following action:

1. That a survey be made to see what is being done for our aged servants. (The committee will send out a questionaire shortly.)
2. That each church establish a Community Mission Committee and budget funds for local mission needs remembering the Bible says, "see to the needs of those of the household of faith".

3. That each church have a Homebound Department in the Sunday School to minister to the needs of the aged.
4. That each church form clubs or organizations for older people that will meet periodically for fellowship, meals, and other activities.
5. That as led by the Holy Spirit churches and pastors consider using retired ministers as interim pastor and pulpit supply.

We suggest the Association and this Committee do the following:

1. That an annual picnic be held for all aged servants.
2. That in case of great financial need, we will aid by referral and suggestion.
3. That the committee serve this year and next year start on rotating terms of 2 years.

Respectively submitted,
Robert K. Rownd, Chairman

WOMAN'S MISSIONARY UNION REPORT

For the last few years we have emphasized life-changing commitments. Just what does this mean? The objective is two-fold. First to help persons develop a pattern of Christian living characterized by a positive response to God to self and others. Second, to lead both women and girls to a greater awareness of our roles in the support of missions.

We have been fortunate to have several activities this past year to make us aware of our role in supporting missions. Some of these are: On February 19, 1983, several of our churches participated in a Missions Fair, then had the privilege of hearing Miss Bertha Smith challenge us to greater service. 128 GAs participated in a Mother-Daughter banquet. The Youth from Dexter First Baptist shared their experiences of last summers' work in West Virginia. Then at our annual meeting, Mrs. Lena Mora and her daughter gave testimonies of God's work in Chili.

On March 28, 1983, our Brotherhood and Mission Action Leaders presented a Missions Awareness Conference which further showed us the needs around us here in Burke County.

Certainly we have been challenged to **Accountability** through prayer support of mission concerns, a personal giving for missions through the church and personal giving of ourselves to be used by God.

The W.M.U. Council desires to be of service to the churches in our association. This past year we have been able to assist two of our churches, without W.M.U., to start W.M.U. organizations. Please call on us if we can be of help to your church.

W.M.U. Director, CRBA

BROTHERHOOD REPORT FOR 1983

Brotherhood believes that being missionary constitutes a decision to so act.

The profile of a Brotherhood organization is one of missionary existence. The Brotherhood profile incorporates formal and informal settings of missions learning, mission activities, personal ministry, deepening of personal

faith, stewardship, support of Southern Baptist mission boards, support of the denomination and a deepening personal prayer life. It is a profile of men and boys wanting to live intimately with God by acting close to " . . . the least of these my brethren . . . " (Matthew 25:40).

Again this year, as in years past, the Associational Brotherhood sponsored workshop and leadership training, promoted by Baptist Men's Day and other activities. In joint sponsorship with the Associational W.M.U., Home and Foreign Mission Study Institute Teacher Training was offered to the churches of the Association. The North Carolina Missions Offering was also jointly sponsored with the W.M.U.

During the year, each member of the Associational Brotherhood Staff participated in at least one or more state Leadership conferences or training events, including the State Baptist Men's Correctional Conference and others.

As you see, we also had a **very full** Associational R.A. Program this year! Our Associational conclave was held at Pleasant Hill. Rev. Larry McCoy was featured SBC missionary speaker. The event was well attended.

Our R.A. Basketball League consisted of seven older Pioneer teams and two younger Pioneer teams. Our association again hosted sectional playoffs at the Drexel Community Center.

Over three hundred marchers participated in our annual Bike for Home Missions. Incomplete returns from 5 of the 18 participating churches showed $2,670.15 raised for the Annie Armstrong Home Mission Offering.

The associational R.A. track and field competition was held at Freedom High School. The Mount Calvary chapter received the highest number of points. Eric Clark of the Drexel Memorial chapter set two state competition records, one in the softball throw and another in the long jump for older Pioneers.

The Associational R.A. campout at Daniel Boone Campground was wet, enthusiastic and well attended.

Our R.A.-G.A. Day Camp was sponsored jointly by the Associational Brotherhood and the W.M.U. This year our featured missionary speakers were Hubert and Jean Middleton from Chile.

Brother Pastor or Brotherhood Director, please call me, Bill Goble or any of our staff if we can be of assistance to your church at any time.

Respectfully submitted,
Albert Epley

ASSOCIATIONAL MUSIC REPORT

During the calendar year from 1982-83, several of the associational music ministry were reached. During the fall of 1982, numerous contacts were made with associational ministers of music seeking their individual goals for our local music outreach and asking what their interpretaion of our association's music program should be. Volunteer music leaders were encouraged to call on other associational ministers of music when a need arose in their individual music departments. Within Catawba River Association, several sister churches shared from their music resources to defray the rising high cost of church music.

Plans were shared with associational music directors during the Key Leadership Conference at Ridgecrest facilitating them to reach out more effectively within their individual areas of service. At the local Key Leadership

Conference held at Calvary Baptist in Morganton, some of these ideas were shared with both volunteer and full-time music ministers.

At the local Key Leadership Conference and at the Ridgecrest Conference, tentative plans were laid for associational music training for leaders and choir members. These training sessions will hopefully come to fruitation during the 1983-84 calendar year.

P.S. Most recently, a graded choir leadership clinic was held at First Baptist Drexel (Oct. 18th). All Associational Graded Choir Leadership was invited.

THE ASSOCIATIONAL MEDIA LIBRARY ORGANIZATION

This year we are celebrating the fortieth anniversary of the Program of Church Library Development for Southern Baptists. Some books were used in the churches, but it was not until 1943 that the first Church Library Service was organized. Since that time much progress has been made. We have had capable and dedicated leaders who have given their time and expertise in developing plans, materials, and suggestions for the success in establishing media libraries.

The Media Library program is a service program which provides resources for all members of the church — all ages, the pastoral staff, Sunday School teachers, leaders of all organizations of the church, and individuals who may need special help for special programs.

This past spring, your Media Library Director attended the Key Leadership Church Media Library Conference at Ridgecrest. Associational leaders from many areas shared ideas, current problems, and reviewed materials. As a follow-up, a Key Leadership meeting was held here to which media library workers in this Association were asked to attend.

If you need assistance in your program, your Associational Committee will be glad to help you in any way we can. We are all qualified and experienced and can help with planning, in the selection of materials and in the processing of materials.

CATAWBA RIVER/C.R.B.A. SISTER ASSOCIATION REPORT

During the 1982-83 church year, the relationship between our two associations has meant a great deal to the advancement of work here in New York. There has been much prayer and many letters.

Calvary Batist Church in Morgantown sent a group of adults and youth to Rochester Baptist Church that made an enormous contribution in prayer, Bible Clubs, door-to-door visitation and repairs on the church building.

You have sent approximately $1700 for the work which has been used to help establish new missions in the following places:

Spencerport Baptist Church

25% of funds received were given to this young congregation to purchase 3½ acres of land on which a new church building will be provided. A loan from the Home Mission Board and savings provided other funds. Pastor Jim Jones and his congregation hope to begin construction in the Spring of 1984. They meet at present in a rented senior citizen facility.

Hamlin Baptist Fellowship
25% of funds received paid the cost of a church planter team from Southeast Seminary this summer. A pastor, Rev. Fred Durkin, has been called and he and his family will move on the field in October. Hamlin is a small town west of Rochester, underchurched and much in need of an SBC congregation. The Spencerport Church is sponsoring this new work.

Lyell Avenue Baptist Fellowship
This low income community has a population of almost 25,000 and almost no churches. 25% of funds are being used as rent on a small store front and other expenses. Big A Clubs and adult Bible Studies are the main thrust at present. We expect to begin a Spanish outreach in the same locale in October.

Geneseo Baptist Fellowship
25% of funds were allocated to Geneseo, the county seat of Livingston County. There has never been SBC work here. In late June, David and Jo Ann Brown came as the Chapel pastor to help establish the work. They have involved about 50 adults and children in a Bible Study in this town. There are about 15,000 in Geneseo and the nearby town of East Avon.

Spiritual needs in New York are great. There are several hundred thousands of people who have never had any relationship with Jesus Christ.

1984 will be a year with great emphasis on evangelism and on the North East Thrust. If you receive an offering in 1984, it will go to help our young congregations to have revivals, witness training opportunities, materials distribution and new churches, etc.

RECEPTION AND LOCATION OF NEW CHURCHES COMMITTEE

Your Reception and Location Committee met on September 12 with representatives from three congregations for the purpose of considering their requests to become a part of our association.

Muddy Creek, which has been under our watchcare for the past year was unanimously approved for full membership into our association.

The representatives from Westview and our newest mission, New Hope, requested the right to come under watchcare and were approved unanimously.

Chairman

SOUTH MOUNTAIN BAPTIST CAMP 1983 REPORT

Theme: Living In The Word

South Mountain Baptist Camp, owned and operated by churches of Region 8 of North Carolina Baptist has been in operation for twenty-seven years. Forty to fifty thousand campers have attended during this time. Thousands of others have attended for day camps and retreats.

Our over all motto is "Building youth for a better world".

In many ways the 1983 season was one of the best.

The 1,534 campers who attended were confronted with the responsibility of applying the Word of God to their daily living. Campers and staffers witnessed

the transforming power of God as they responded to the challenge of the theme.

The Word, believed, obeyed and hid in their hearts could give them great victories over self, sin and Satan. They found that God would lead and empower them as they served as His representatives to other people.

They were reminded that our responsibility was to the whole world. They were made aware that our ministry of prayer had no geographical boundary.

There were 161 who made a profession of faith in Christ and 403 others rededicated their lives in response to His call to follow Him and live in the Word. There were 21 who felt a call to special Christian service. There were 865 who made a commitment to pray 15 minutes daily for world missions.

Construction is to begin soon on a two story retreat center building. It will be air conditioned and heated for winter.

Since God has blessed the lives of so many at your camp, please continue to pray for us and support us generously.

CHRISTIAN HIGHER EDUCATION

NEW COLLEGE PRESIDENTS

Wingate College and Wake Forest University have elected new presidents. Dr. Paul R. Corts took office on July 1, 1983. Dr. Thomas K. Hearn, Jr., assumes the presidency of Wake Forest on October 1, 1983.

Dr. Corts has been a college teacher and administrator in Kentucky and Oklahoma. A graduate of Georgetown College and Indiana University, he is an experienced leader and author in the fields of communications and fund raising.

Dr. Hearn, an ordained Baptist minister, is a graduate of Birmingham-Southern College, Southern Baptist Theological Seminary and Vanderbilt University. He has served one pastorate in Indiana. He is an experienced college teacher and administrator in Virginia and Alabama.

Congratulations to Wingate and Wake Forest! These qualified leaders join Presidents Fred B. Bentley, John E. Weems, Norman A. Wiggins, Bruce E. Whitaker and Craven E. Williams as leaders in Christian higher education for North Carolina Baptists.

SEEKING THE BAPTIST STUDENT

All of the seven North Carolina Baptist colleges want to serve more of the students from the churches. Pastors and lay leaders can help by recommending Baptist colleges to Baptist young people.

Information about the colleges may be obtained by writing or calling the Council on Christian Higher Education or the Offices of Admissions of the individual schools.

CALLING THE ROLL IN GRATITUDE

North Carolina has been a leader among Baptists in Christian higher education for 149 years. Moral and financial support from the churches has made possible the ministry of our colleges. The Cooperative Program continues to provide health for the colleges and opportunity for young people.

Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and

Wingate are grateful to North Carolina Baptists. Please continue to favor us with your young people, your gifts and your prayers.

CHRISTIAN LITERATURE REPORT

The *Biblical Recorder* is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the *Recorder* is the fourth oldest among the 34 Baptist papers in the Southern Baptist Convention.

The past twelve months have been a time of transition for the *Recorder*. R. G. Puckett became editor upon the retirement of Marse Grant in September, 1982. Lawrence High came as managing editor of the *Recorder* from the editorship of *The Maryland Baptist*.

The format of the paper was changed to tabloid from the magazine style which had served for approximately 40 of the 150 years of service. Economy of production and increased space by approximately 50 percent were the deciding factors. Due to the great rise in postage and printing cost the *Recorder* staff continues to seek our prayerful concern for the life of the paper.

In March, the directors of the *Recorder* approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the *Recorder* extend their gratitude for the opportunity to have this ministry among North Carolina Baptists. Most of all they request our prayer support and faithful reading of the *Biblical Recorder*.

BAPTIST HOSPITAL
REPORT TO THE ASSOCIATIONS
1983

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard X-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I trauma center which indicates that the department offers all major services for serious injuries twenty-four hours a day seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students. During the past year Dr. Mahan Siler, who had been with the department for ten years, resigned as its director in order to return to the pastorate.

In order to provide adequate care of its patients, Baptist Hospital employs approximately 3,500 people and has buildings and equipment valued at more than $100,000,000. The operating budget for 1983 was $101,000,000.

During the past year the hospital trustees have reviewed plans for another major capital expansion program to begin when construction funds are available.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offerings. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through the North Carolina Mission Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

Larry Cline

NORTH CAROLINA BAPTIST HOMES FOR THE AGING 1983 REPORT TO THE ASSOCIATIONS

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North

Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, beneolent care exceeded the resources by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of the residents in the homes.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room, activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign.The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons. The needs of older persons in our society today are great and are over-whelming. May we share with greater concern and commitment on our part than ever before.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED — 1983

THOMASVILLE FAMILY SERVICES AREA

All services of the Baptist Children's Homes are available through the Thomasville Family Services Center. These services include: group living on four campuses, foster care, therapeutic camping, maternity care, emergency

care, social work service, care for children in need of specialized assistance, college and technical education, a demonstrational program of preschool child care and development, counseling and professional services to families, and assistance to churches and associations in parent education and family living through the Family Resource Center.

In the Thomasville Area, we are particularly pleased with our Foster Home program and its potential. Foster care provides "one on one" care to certain children. This program has grown and we look forward to being able to serve more children as good Christian people respond to this special ministry by becoming foster parents.

Cameron Home, located in Moore County near the community of Cameron, provides therapeutic camping for boys from all across the state. The program has shown steady growth since its beginning in December of 1980 and is now operating with three groups of 10 boys each. This is a highly specialized program of 'friendship therapy' in a small group setting surrounded with nature's incentive for achievement and learning.

Larry W. Sawyer and members of the Thomasville Area Family Services staff are ready to serve those who have need of any of our services.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts.

On July 1, 1983, the Baptist Children's Homes welcomes its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this challenge of resolving the hurts of children and families in need".

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

BAPTIST FOUNDATION REPORT

Have you ever received a "Mrs. Pig letter"? We want our 1983 report to be such a thank you note to North Carolina Bapitsts.

When our children were tots they, like other children, had their favorite story book that never was read enough to suit them. Even today as adults, they agree that *Postman of Bayberry Lane* was their favorite book. The gist of the story centered around Mrs. Pig who every day met the postman at her mail box but to no avail. The postman felt "sorry" for Mrs. Pig because her box was always empty so he suggested she have a party and invite all other ladies in the community, such as Mrs. Cow, Mrs. Horse, Mrs. Sheep, etc. The party was

planned, the ladies came, and for days afterwards thank you notes were delivered by Mr. Postman to Mrs. Pig. So, at our house, when thank you notes are written or received, we chuckle and remember with nostalgia that these are "Mrs. Pig letters".

We of the Foundation are indeed thankful for what Baptists of North Carolina are doing to guarantee support for the multitude of Christian missions and ministries carried on by Baptists. To serve in the Trustee role as managers of trust funds established by gifts from individuals, both living and through Will, is an exciting experience.

During the past year increased interest has been shown by individuals attending estate planning seminars sponsored by the Foundation and through personal visits by Foundation staff. Greater numbers are committing a tithe of what they leave at death, when they no longer need it, to Christian causes.

The asset value of trusts held at the end of last fiscal yeat totalled $8,214,696.00. Designated new additions to trusts were $276,815.00. Income from investments of trust assets totalled $523,140.00. Investment asset market value gain during the year was $398,812.00.

We are thankful for the facilities in the new Baptist Building making it possible to have the staff in one suite of offices. It has been pleasant to welcome many adult church groups who have visited the new building.

We welcome other visits or opportunities to discuss with individuals effective estate planning alternatives involving Wills and trusts which could provide sustained support for Baptist cause(s) even beyond lifetime.

AMERICAN BIBLE SOCIETY REPORT

American Bible Society is grateful for the support of the Southern Baptist Convention in helping win people to the Lord. Through the ministry of the ABS and the Bible Societies with which it is associated, men, women and children in record numbers and in over 150 nations and territories are receiving the Scriptures that often lead to such personal encounters with the living Christ. Bible Societies around the world distributed a total of 484,633,537 Bibles, Testaments, Portions and Selections in 1982. This represents a 9.1 percent increase over 1981 figures, and includes 10,883,159 Bibles, 12,177,593 Testaments, 32,575,846 Portions and 428,996,939 Scripture Selections.

Through the United Bible Societies the ABS is now involved in translation projects in 574 different languages around the world.

Over the past 10 years, the churches and Bible Societies in Poland, Hungary, Romania and the German Democratic Republic have been provided with nearly one million tons of Bible printing paper by the United Bible Societies. This assistance was expanded in 1982. Almost on eve of martial law in Poland, 60 tons of paper were shipped for the printing of 45,000 Testaments with color illustrations.

Scripture shortages are growing worldwide. Even though the Bible Societies are working harder than ever to provide enough Scriptures for the people of the world, millions may yet have to go without the comfort and guidance of God's Word in the coming year.

But the American Bible Society is beginning 1983 with a renewed determination to further increase its ministry both in the United States and throughout the World.

Let us as the Catawba River Baptist Association continue our support of The American Bible Society.

CHURCH TRAINING

The big excitement this year in Church Training was the record attendance at M-Night. I invite churches that did not participate this past year to bring a large crowd from your church this year. Be sure to select a representative for the Church Training Queen contest, then bring out enough people to see her crowned on M-Night. Another highlight for Church Training this past year was the Bible winners from High Peak who went on to Hendersonville for the State competition. I urge other churches to be involved in the church and associational Bible Drills. Rev. Ralph May will be taking over the leadership of Associational Church Training this year. I hope you will support him.

IN MEMORIAM

In loving memory we pay tribute and respect to our beloved ones who have gone on to be with the Lord since our last Associational meeting. As we reflect back on their lives, their work, their never-ending love and devotion to the Lord, we know they are at rest and peace with an eternal loving God forever.

We have several passages of God's word that give comfort and consolation:

I Thes. 4:13—*"I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope."*

II Tim. 4:7-8—*"I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day, and not to me only, but unto all who love his appearing."*

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

REV. McCOY ROBINSON

Dedication

Today we honor Rev. McCoy Robinson's dedication to the Lord's work by dedicating the minutes of the 1984 Associational meeting to him.

Rev. Robinson was born in Valdese, N. C., May 16, 1927, to a large family of six brothers and three sisters. He attended Valdese First Baptist where he was active in many areas of church work.

He is a graduate of Valdese High School and graduated from Lenoir Rhyne College with a B. S. Degree in 1959. Then in 1963, he graduated from Southeastern Seminary.

Rev. Robinson was married to Dorese Buff in 1947 and they are the parents of two sons. After dedicating his life to the full time ministry, he was called to Rutherford College First Baptist Church to serve as interim pastor in April of 1956. In September, of that year, they asked him to be their full time pastor.

Rev. Robinson was ordained in High Peak Baptist Church in September, 1956. In February of 1960, Asheville Street Baptist extended a call for him to be their pastor. He served there until the fall of 1967, moving then to Grandview Park Baptist in Caldwell County. After a stay of 18 months, he was called back to Asheville Street Church where he continues to serve today.

Rev Robinson has served this Association faithfully for 26 of his 28 years in the ministry. He has served in many different positions, among which are: Moderator, President of Pastors Conference, Missions Committee Chairman, Stewardship Committee Representative, Baptist Children's Home Representative and Christian Education Representative.

Constitution and By-Laws

ARTICLE 1

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION.**

MEMBERSHIP
ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.

2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has a responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

OBJECTS
ARTICLE 3

The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES
ARTICLE 4

This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS
ARTICLE 5

The officers of the association shall be a Moderator, Vice-Moderator, Clerk and Treasurer, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember

each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which

the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

Many audio-video-visuals booked for free rental for your church, especially *The God-Makers* on Mormonism; provided church leaders with many pamphlets, leaflets and brochures.

Commendations:

1. For your support of the Greater Rochester Baptist Association (GRBA) and related churches.
2. For your support of **our** New Hope Mission in Hidden Valley.
3. For your support (**some of you**) of the West Virginia Mission Project 200.
4. For your prayerful, personnel, and financial support of associational missions.
5. For providing good office equipment (including this year a Ricoh copier and a new typewriter plus two audio-cassette tape recorders).

Challenge:

1. For your church to participate in World Mission Conference (WMC) April 21-24, 1985.
2. For your church to commit itself for participation in the **Good News America — God Loves You** in early April 1986 (including People Search Bible distribution and National CWT (Continuing Witnessing Training) Seminar) at Burkemont Church.
3. To put **New Hope Mission** in your budget.
4. For your church to set baptismal goals, Sunday School enrollment (some adaptation of the slogan "5 more in '85"), goals to reach more people for Christ in 1985 and **disciple them.**
5. To increase support of your pastor, including retirement benefits, etc.
6. To increase support of World Missions through the Cooperative Program and increased support of associational missions (Minimum suggested: 3% of your undesignated budget offerings).

God bless you. Please pray for me and our associational leadership, plus our sister churches and their good pastors.

Sincerely in Christ,
Bill Goble, Director of Missions

EXECUTIVE PROMOTION COMMITTEE

The Executive Promotion Committee met four times during the year 1983-1984, as did the Advisory Steering Committee. Reports from all organizations and various committees were also heard. Items of business affecting the normal function of the Association were handled orderly and systematically throughout the year.

The following actions were taken by the committee in regular business sessions:

(1) The purchase of a new typewriter and a new copier for the associational office.
(2) A telegram of protest against the appointment of an ambassador to the Vatican was sent to the President at the White House.
(3) Four lounge chairs were purchased for the lobby of the associational building.
(4) Two new cassette recorders were purchased for the Association.
(5) It was approved that we, as an association, participate in simultaneous revivals in April of 1986.
(6) An extra week of vacation time was approved for Rev. William O. Goble, Director of Missions, bringing the total paid vacation time to three weeks per year to be taken as he chooses.

Respectfully submitted,
Ralph May,
Moderator and Chairman

From: Furnishings Committee
Building & Grounds Committee

For several months various members of our committees have met to discuss essential repairs and desirable improvements to adequately preserve the value of the associational property. The final result is listed below in order of apparent priority and the estimates shown were received from two or more sources that, in the opinion of our committees, represent the best value for the goods and services to be provided.

1. Repair and repaint all interior walls, plus the rear fire escape, including repairing all cracks in walls. Paint and labor $1,600.00
2. Carpet the most visible areas: Halls, Lobby, Receptionist's office, Secretary's office and Director's office and the back conference room. The fourth office is already carpeted $2,500.00
3. All other floors will be stripped of old wax, properly sealed and waxed, stairs to downstairs, downstairs assembly area and the fourth upstairs office carpeting will be steam cleaned. All windows will be cleaned inside and out, all blinds not taken down in area to be draped will be cleaned. Price includes labor and materials ..... $ 300.00
4. Purchase custom made draperies for lobby and all front offices. Color to be compatible with wall color. Price includes labor, materials (including rods) and installation $1,225.00
5. Replace upstairs bathroom doors with solid core doors and necessary ventilating fans. Estimate including labor and materials ..... $ 300.00
6. Replace cracked front door glass with required safety glass, including installation ..... $ 182.00
7. Employ service of a professional janitorial service to properly clean and maintain in restored condition. Price includes light cleaning and heavy cleaning on alternate weeks, all materials, supplies, equipment ... $2,400.00 yearly
8. A representative of the city of Morganton surveyed the building and made recommentations to reduce heating/cooling costs:
    1. set-back thermostat with a payback of 12-18 months ..... $ 300.00
    2. additional insulation in the ceiling with a 3-5 year payback $1,000.00
    3. caulking, weatherstripping and door sweeps with a 1 year payback ..... $ 300.00

There were several other items discussed that are not recommended because of initial cost or inadequate payback in savings:

1. storm windows
2. added insulation in walls
3. airlock door at front
4. vinyl wall covering, instead of paint

Total cost of these improvements, exclusive of the $2,400.00 annual janitorial service, is $7,757.00 We recommend these be initiated as quickly as possible and as funds are available.

Respectfully submitted,
Furnishings Committee,
Austin Hart, Chairman
Building & Grounds Committee,
Wayne Pollard, Chairman

CATAWBA RIVER ASSOCIATIONAL MISSION REPORT 1983-1984

Your Associational Mission Committee is pleased to report that the work with our mission at New Hope and the Rochester Baptist Association in Rochester, New York is progressing well. A note should be sounded that in these are Associational-Wide responsibilities.

As a committee let us encourage your church to place the New Hope Mission in your upcoming budget for 1984-95. If you could budget this work on a monthly basis it would help eliminate the pressure that Zion Baptist feels.

Many thanks to the churches that are already helping with this endeavor. We must sound a note of warning concerning the financial support that we receive for this mission through the State Convention.

Within five years the Church Planters Assistance Fund will no longer exist. Therefore the pressure will be completely on our Association to deal with the needs of the New Hope Baptist Mission.

Also, we thank each church of our association who supported the Rochester Baptist Association this past year. In February, we as an association, gave $2,667.28 to their work. Rev. Norman Beckham, Area Missionary to Rochester, sent his thanks to us for the offering. Many of you had individual church mission projects and we are pleased to hear of this. Keep missions forever in the forefront!

FOREIGN MISSIONS

The Foreign Mission Board was created by the Southern Baptist Convention during its organizational meeting in 1845. The purpose is to provide a channel for Baptist believers and churches in the United States to work together to share the gospel with all nations.

One year later the first missionary was appointed to China. Today, Southern Baptists have one of the biggest and most productive foreign mission programs in the United States. Southern Baptist envisioned the Bold Mission Thrust in 1976, and this has led to a greater degree of involvement around the world.

Southern Baptist foreign missionaries, along with churches and conventions overseas, baptized an average of 400 new believers in Christ every day in 1983. Baptisms totaled a record 146,149 in 1983, showing a 3.77 percent increase over 1982. Also, an average of four new churches were started somewhere in the world every day during 1983. Overseas alone, 1,416 new churches were started and church membership reached 1.7 million.

Southern Baptists now have assigned missionaries in 104 overseas fields. There were 357 missionaries appointed in 1983, bringing the total at the end of the year to 3,346. During 1983, more than 4,700 men and women participated in volunteer projects, in partnership missions, and partnership evangelism efforts.

The 1983 Lottie Moon Christmas Offering did reach a record giving of $58 million, but this still fell $2 million short of our goal. From our fourteen million Southern Baptists, the average gift to our Lottie Moon Christmas Offering in

1983 was less than $4.00. It costs about $58.75 per day to support a foreign missionary. Without the Lottie Moon Christmas Offering many missionaries would not be able to continue in the work to which God has called them.

The 1984 Lottie Moon Christmas Offering goal is $66 million. This will take bold giving and bold praying.

The work of our foreign missionaries is as varied as the needs. We minister to the needy. We provide food to the hungry. In 1983 alone, missionaries and national Baptists all over the world were involved in more than 220 hunger-related projects.

Southern Baptists give medical help to the sick: In 1983, Southern Baptist medical professionals in foreign missions and their national colleagues treated more than one million persons through 21 hospitals and 113 clinics around the world. The gospel is preached, but the need is still tremendous in most countries. In South and Southeast Asia there are few Christian missionaries and ministers. It would be like having only 18 Baptist preachers for the entire United States.

Southern Baptist missionaries also drill water wells. They build canals, train people to raise goats and have fish farms. And the work continues to grow.

We, as Southern Baptists, must accept the challenge which is before us and allow God to use us to get the gospel to every person throughout the world. We must love others as God loves us.

Ray Busch

STEWARDSHIP/COOPERATIVE PROGRAM

Like no other denomination under the sun, we as Southern Baptists are known for our love for missions. That is the heartbeat of our churches. How commendable it is! For several years now we have been in the midst of an exciting mission called "BOLD MISSION THRUST." In reality that is just another way of saying that we take The Great Commission seriously. We have personalized it for ourselves. We are saying that by the grace of God, and the support of our churches, we want every person on the face of this globe to have an opportunity to hear the gospel of Jesus Christ and to respond to it by the year 2000. There certainly is not anything wrong with a vision like that.

I am convinced that to be able to carry out that dream, you and I must support it financially. That is the bottom line. We can talk about bold giving and bold growing. That is fine and needful. But, if we do not undergird this Biblical concept of reaching people for Christ with our money the effort will fail. That is why I want to share with you the concept of **"Planned growth in giving!"** Herein lies the key to the success of Bold Mission Thrust (sharing the gospel of Christ with everyone by the year 2000).

Basically Planned Growth In Giving is a call for commitment on your part, my part and our churches collectively. Its objective is to help Christ's followers to become like Him. There was not another person more giving than our Lord. Its outcome will provide funds necessary to fulfill Bold Mission Thrust.

The plan is simple. Every Southern Baptist will be asked to make a personal commitment to increase the proportion (or percentage) he or she gives each for the next fifteen (15) years. This commitment not only includes individuals — but our churches, our Southern Baptist Convention agency staff, our Southern

Baptist Convention agency trustees, state convention trustees, and our associations.

My prayer is that each one of us will accept this challenge, pray for it and support it in the spirit of Christ.

Joe B. Church, chairman

WMU 1983-84 REPORT

"Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have." (Colossians 4:2, 5 TEV)

The above watchword for 1983-84 expresses just what Woman's Missionary Union has been about this past year. Our emphasis has been **"Partnership** in **Prayer** and **Ministry."** It was designed to help WMU members to:

1. Understand the partnership nature of missions in relation to prayer and ministry;
2. Participate in the partnership of prayer by undergirding Bold Mission Thrust through sustained, informed praying; and
3. Participate in the partnership of ministry by responding to opportunities for mission action and personal witnessing.

There are 57 churches in our association. Five (5) of these have no WMU work. Our two newest churches (under the watchcare of our association), New Hope Mission, and West View, have started WMU work this year.

Our annual meeting was held April 2, 1984, at Mull's Grove Baptist Church. Our speaker was Saralyn Collins, Greensboro, N. C. She challenged each of us to get involved and do the Lord's work.

On July 14th, Mrs. Knolan Benfield taught the "History of WMU" revised edition. We were led to look at our heritage and realize just how important the work of WMU is, has been, and will be in the future.

As we end the year, may our Hymn of the Year be our prayer for the future.

Lord, speak to me, that I may speak
In living echoes of thy tone;
As Thou has sought, so let me seek
Thy erring children, lost and lone.

EVANGELISM REPORT

The heart and soul of the Bold Mission Thrust from the very beginning was to reach more people for Jesus Christ. That is the end result that we had hoped for and expected. There was a deep awareness in all of us that if Bold Missions is not winning more people to Jesus Christ then it is absolutely nothing. It doesn't matter how many more dollars we raise. It doesn't matter how many more missionaries we send at home or abroad. Unless we are winning more people to Jesus Christ it is all futile.

Right here in the Catawba River Association we have noted steady declines in baptisms over the past three years. In 1982 there were 575 baptisms in our Association. In 1983 there were 561 baptisms in our Association. In 1984 there have been 509 baptisms in our Association. Of course, the Bill Glass Crusade came in 1982 and was undoubtedly a factor in the number of baptisms that we had that year.

The bottom line of evangelism is that it must be done at the local church. The Denomination can have some influence on evangelism by providing proper instruction in evangelism in our seminaries. There must be a proper priority on evangelism in the Association and in the Convention. At these levels, we have not given evangelism the priority that it should have had. Even so, evangelism must ultimately happen at the local church level. That is where evangelism is not happening as it should. Across the Southern Baptist Convention, we are declining in number of baptisms reported. Our lack of commitment in evangelism is first reflected in baptismal decline. The Great Commission charges us to: *"Go ye therefore, and teach all nations, baptising them in the name of the Father, and of the Son, and of the Holy Ghost . . ."* There is no way that we can carry out the Great Commission without baptising souls as Jesus has commanded us. Last year, in the midst of our Bold Mission Thrust Campaign, baptisms across the Southern Baptist Convention declined by almost 17,000.

We Southern Baptists have a tendency to rationalize our declines in evangelism and baptisms. We tend to look about the Convention and blame our declines in baptisms on whatever there is in the Convention we don't like. To do so is to kid no one but ourselves. The truth of the matter is that the decline in baptisms does not come because of the "atmosphere" in the Convention because the local churches are largely untouched by that. We cannot blame institutions or agencies for the decline in baptisms because evangelism has never depended upon them. We cannot blame our declines in baptisms on lack of stewardship. Stewardship is good and we should never compromise there but stewardship will not necessarily bring about evangelism.

If the evangelism picture in the Southern Baptist Convention is to improve, then local churches must give it a place of priority and members of local congregations must get involved in winning people to Jesus Christ. We must learn again the skills of face to face, heart to heart presentation of the claims of Christ. The assumption of the Great Commission is that when that Gospel is presented in sincerity and in power, evangelism will be a natural result. That is the reason that baptism is a part of the Commission.

There is a light at the end of the tunnel! The Home Mission Board of the Southern Baptist Convention has developed a program of soul winning called **"Continuing Witness Training"** (CWT). The CWT Program is the most comprehensive and thorough presentation of the Gospel with an end to reaching people for Jesus Christ that Southern Baptists have ever used. The good news for the people of the Catawba River Association is that next October a National Seminar will be conducted right here in our Association at the Burkemont Church. We are now in the process of training Equippers who will work in the National Seminar. It is our hope and prayer that 25 to 30 Pastors from our Association will be certified at the end of the Seminar and begin a movement of evangelism in this Association that will double our baptisms and bring assurances to our people that we, indeed, are carrying out the Great Commission of our Lord.

Prior to the CWT Seminar, there will be an Associational-wide Census or

"People Search". Those Pastors who are interested in participating in the CWT Seminar should make plans to participate in the Associational-wide Census. The secret of a good and effective CWT program in your church is a constant flow of prospects. Once a pastor has been certified in the CWT program and begins to train his local lay leadership, he will realize that one of the bedrock concerns of the program is locating and reaching prospects. Many pastors who have been successful in evangelism see the CWT Program as the best opportunity in many years to significantly change the evangelism picture in the Southern Baptist Convention. We are very fortunate that we have been able to secure a commitment for a National Seminar right here in our Association. We urge every Pastor to plan now to be involved in this Seminar.

Robert M. Tenery

HOME MISSIONS REPORT

The Home Mission Board of the Southern Baptist Convention works in all 50 states, Puerto Rico, American Samoa, Canada and the American Virgin Islands.

With the approximately 3,700 missionaries who serve throughout America, approximately 300 staff and support personnel work full time in the HMB offices in Atlanta, Ga.

The HMB places about 46,000 special workers on mission fields every year. This includes evangelism workers, choirs, youth and adult mission groups, student summer and semester missionaries, Sojourners for older teens and young adults, Campers on Mission and Christian Service Corps volunteers.

The HMB endorses more than 1,600 chaplains serving in hospitals, institutions, business, industry and the military.

One hundred million Americans identify with a language-culture group other than Anglo-American. More than 1,300 language missionaries serve these groups. Today the HMB ministers to 84 of the 200 language-culture groups in the United States.

About 315 missionaries serve in Christian Social Ministries.

Approximately 900 pastors, many who serve in newer areas of the Convention, receive Church Pastoral Aid from the HMB.

About 80 US-2ers — college graduates serving as missionaries for a two-year term — work on home mission fields.

More than 50 percent of the annual home mission budget is committed to ministries in newer areas of the Convention, states entered by the Southern Baptist after 1940.

A total of 1,011 Mission Service Corps volunteers have been assigned to home mission fields since 1976.

The HMB total budget for 1984 is $57,300,000, inclusive of church loans. Operation of the HMB and its ministries costs $4,775,000 per month, $1,101,923 per week, $156,557 per day, $6,523 per hour or $109 per minute.

CATAWBA RIVER/GREATER ROCHESTER ASSOCIATIONAL RELATIONSHIP REPORT

1983-84 has been a time of great spiritual and numerical growth in the Rochester Association. Our area includes seven counties and more than 1,000,000 people, so the opportunities are great. How thankful we are for the prayer, personnel, and financial support of our sister churches in your association. We often thank God for you. Some of our blessings include:

Growth in Sunday School/Bible Study enrollment from 549 on September 1, 1983, to 891 on September 1, 1984.

New work established during this church year:

Hamlin Community Baptist Church, pastor Rev. Fred Durkin. Average attendance 30, they meet in a building that was formerly a one room school house.

Newark Baptist Chapel, pastor Rev. Herb Wagner. Average attendance 35, they meet in a Knights of Columbus Hall. A very strong work to have just begun in February.

In August, Rev. & Mrs. Claude McGavic moved to Geneva to begin a new mission in Waterloo/Seneca Falls and to work with the churches on the eastern side of the association.

At present, we have eight churches and five missions. We minister in Spanish, Vietnamese, Laotian, an Asian Indian dialect, and the deaf language as well as English.

Approximately $2,600 has been received from your churches by our association. It has been used to help establish a fund to loan money to churches to purchase buildings, to help establish new work, and to purchase folding chairs, tables, etc., for use by the congregations. How funds are used is determined by our Associational Missions Committee. In addition to the funds mentioned above, Pinnacle Road Baptist Church and Metropolitan Baptist Church have both received assistance from some of your churches.

My prayer is that our relationship will be a blessing for you as well as for us. You are most cordially invited to come visit and work with us and to see first hand some of the exciting things that God is doing.

Norman R. Beckham

TEMPERANCE AND MORALS

We rejoice in victories that God has given us in the past year and recognize our dependency upon Him for the challenges in the coming year.

I. **UNIFORM DRINKING AGE OF 21:** It is apparent now that the 1985 North Carolina General Assembly will raise the drinking age to 21 because of the legislation made by President Reagan that results in states losing federal highway funds if age 21 is not established as a minimum drinking age.

II. **LOTTERY:** The General Assembly defeated by a narrow margin legislation that would have put the state into the gambling business. However, the pro-gambling industry has targeted North Carolina as a key state for another effort in 1985.

III. **PORNOGRAPHY:** North Carolina has become the nation's "smut" capitol with more sex outlets (x-rated theaters, etc.) per capita than any other

state. Our state government has done absolutely nothing to curb the porno plague that has been sweeping our state.

IV. **BEER, WINE AND LIQUOR ELECTIONS:** The alcohol industry was defeated in campaigns conducted in Nash, Edgecombe, Scotland and Chatham counties, as well as White Lake, Clarkton, Mocksville and Elk Park. This should encourage other areas to follow their leadership.

V. **ABORTION:** North Carolina remains the only state in the Southeast to use state tax funds for medically unnecessary abortions. To remove this funding, get a commitment from your candidates to the North Carolina General Assembly.

Through your prayers and financial support, you have made it possible for the League to be able to have a BOLD witness in the BOLD MISSION that you have given us. As we approach a new year, need we be reminded: ALL THAT IS NECESSARY FOR EVIL TO FLOURISH IS FOR GOOD PEOPLE TO DO NOTHING!

NORTH CAROLINA MISSIONS

The theme of the 1984 North Carolina Missions Offering was "HOPE IS SOMETHING YOU GIVE — WHEN SOMEONE FEELS ALL ALONE." The state goal was $2,800,000. Our associational goal was $30,000. (We gave $27,101 in 1983.) Hopefully, we surpassed this goal this year.

What a multi-faceted is represented by North Carolina Missions! Take for instance: over 1,600 children and young people were served by North Carolina Children's Homes in 1983. Approximately 15% of all pastors in North Carolina Baptist churches are graduates of Fruitland. Approximately 47,000 persons each year attend a conference at one of the four camps and conference centers. Over 275 older persons live in the Baptist Retirement Homes, Nursing Care Unit and apartments. North Carolina has the largest Seminary Extension program in the United States and has over 659 courses for inmates in 23 prison units (our association usually has two Seminary Extension courses being offered year round at the Baptist Center.) The 27 new church starts in 1983 (our own **New Hope Mission** is one of them) had a total of 1,223 new Sunday School members. Our **New Hope Mission** pastor received a good portion of his salary through State Missions. North Carolina Baptist Hospital ministered to more than 24,000 in-patients and 238,000 out-patients in 1983. Fruitland Baptist Bible Institute graduated approximately 1,500 students since its founding in 1946. There are Baptist programs with eight different language groups in North Carolina. Many of our Baptist students (including many ministerial students) are being trained in our five colleges and two universities. Think of the migrant ministries, the resort ministries, and other ministries funded by the North Carolina Missions Offering.

Please remember over 50% of the North Carolina population is essentially unchurched. What a challenge to minister and witness to the lost and other unfortunate people!

SUNDAY SCHOOL REPORT

The purpose of our associational Sunday School program is to help churches meet needs and assist them in the fulfilling of their missions. We exist to support churches in those actions necessary to teach people about Christ through the Sunday School.

We are here to help you in those actions necessary to reach, teach, win and develop people for Christ. We, as the ASSIST (Associational Sunday School Improvement Support Team), deem it a privilege to work with you and for you. Let us know if we can be of any ASSISTance.

The 1984-85 church year is the climax of 8.5 x '85. The 1984-85 Sunday School goals are:

500,000	net gain in Sunday School enrollment
5,000	churches beginning an evangelistic visitation program
100,000	workers trained in personal witnessing skills
1,000	new Sunday Schools established
1,000	churches beginning weekly workers' meetings
2,000	workers earning a Sunday School Leadership Diploma through the Church Study Course system

Our theme for the year is Reach 5 in '85. What does this mean? It can mean several things. First and foremost, it is a personal challenge to each member and leader of the Sunday School to enroll five new Sunday School members during the year 1984-85.

In order for us to be about the Father's business we must get busy. The only way we will achieve our goals this year is to get to WORK!

REPORT ON BURKE UNITED CHRISTIAN MINISTRIES

In August BUCM experienced a change in leadership, with Alan Schneider replacing William C. Clark as director. A graduate of Louisville Presbyterian Seminary, Mr. Schneider brings 18 years of social work and agency administration to this ministry.

During the previous year BUCM rendered nearly 4,000 emergency assists to families in crisis, including food, clothing and financial aid (fuel, rent, utilities, transportation, lodging, and prescriptions, etc.) With a budget of $51,000 in 1984, the organization is dependent on United Way, private and corporate donations, and the support of over 40 area churches, which also supply more than 50 program volunteers.

We are pleased and grateful that member churches of the Catawba River Baptist Association significantly contribute to and participate in our ministry, including two board officers.

The board has recently initiated a long-range planning process, in order to better serve the needs of the community. Options for refining and expanding present services are under consideration. Recommendations for improvements from this association are most welcome.

The center remains open to the public 8:30 to 4:30 p.m., Monday, Tuesday, Thursday and Friday. However, Wednesday is now a staff workday, and the

director may be reached at the office for emergencies. 24-hour backup services are available seven days a week by calling 874-4946 or 433-9265.

We look forward to the challenges and opportunities of the year ahead, and to work closely with our Baptist brethren.

SEMINARY EXTENSION

For more than 200 years, Baptist associations in America have been involved in ministerial education. Historian Walter Shurden has said that "the association was a catalyst for creativity in educating the Baptist ministry" long before there were such things as Baptist seminaries or national conventions.

Catawba River Association continued this tradition during 1983-84 by offering seven courses through its Seminary Extension center. Thirty-one students took one or more courses during the year.

Under the direction of Robert Rownd, the center sought to respond to needs within the association. Specific courses offered included Old Testament Survey, taught by Buddy Corbin, and practical courses, taught by Robert Rownd. Classes were held on Monday and Tuesday, 7:00-9:00 p.m. at the Baptist Center for ten week periods.

As the Catawba River Center looks toward its fifth year of operation, plans call for eight courses to be offered during the year. It is one of almost 400 such centers across the United States, most of them operated locally by a Baptist association. Each center is affiliated with the Seminary Extension Department, an arm of the six Southern Baptist seminaries. The SED is part of the Seminary External Education Division, housed in the Southern Baptist Convention Building in Nashville, Tennessee. In addition to the network of centers, the SED also offers most of its courses through correspondence.

SOUTH MOUNTAIN BAPTIST CAMP
(owned and operated by churches of Region 8)
1984 REPORT

THEME: *Following Jesus*

There were 1,350 campers who came from 106 churches.

God richly blessed and answered prayers as our staff of 25 tried to represent Him to the campers and many visitors.

Through the discussion of our theme and through our entire program, hundreds were helped to realize that the Christian experience included a new life style; that in really following Jesus we become involved in serving with Him and are strengthened as we grow spiritually.

Each day we presented information and prayer requests from eight to ten countries. We studied many scriptures about the ministry of prayer. Because of this emphasis, most of the campers promised to pray daily for world missions.

There were 134 saved and 300 rededications. Please join with us in prayer every day for their Christian maturity.

Those who earned 850 points in the Honor system were "Honor Campers", those with 1,000 points were "Star Campers" and those with 1,400 points were "Gold Star Campers".

Please pray for us every day and include us in your budget.

We are hoping and praying that our Retreat Center will be finished before cold weather.

If your church is interested in having a retreat, contact us.

Your Co-Worker,
T. A. Lineberger

BAPTIST ANNUITY BOARD

The Annuity Board is the Southern Baptist Agency that administers the retirement and insurance program for the Southern Baptist Convention and helps meet the daily living needs for so many of these servants who have given their lives to the cause of Christ in a Southern Baptist Church. For a moment, try to imagine yourself living on less than $200 per month. This is hard to conceive in today's economy. The hard fact is that approximately 80% of the retired ministers or their widows in the Southern Baptist Convention try to live on this amount. But that's not all the facts. Approximately 50% of them get less than $100 per month. The Southern Baptist Convention average for all annuitants is $142 per month.

Let's bring this message a little closer home. In North Carolina, there are some 1,321 annuitants. Out of this number, 681 receive $100 or less per month. Around 415 of this number receive from $101 to $200. This leaves 225 annuitants receiving over $200 per month!

The Annuity Board and the Baptist State Convention work hand in hand in trying to improve this situation. One bit of exciting news is the new program, along with improvements, which will take effect on January 1, 1988. Whereas the Baptist State Convention contributes $200 per year to your pastor's retirement program, beginning in January, 1988, the convention will contribute up to $420 per year. This will mean that $210 will be going into actually building a retirement income for our ministerial career church staff personnel. This will represent a vast improvement.

CHRISTIAN HIGHER EDUCATION

YOUR NORTH CAROLINA BAPTIST COLLEGES

CAMPBELL — CHOWAN — GARDNER-WEBB — MARS HILL — MEREDITH — WAKE FOREST — WINGATE

WHY BAPTIST COLLEGES?

In a special study, adopted by the Council on Christian Higher Education, the Baptist college was described as **a place for study; a place for growing in spiritual and intellectual maturity;** and **a place where life continues and futures are shaped.**

That same report says Baptist Colleges are **worth what they cost** because they offer:

1. A good, comprehensive educational experience.
2. An atmosphere of Christian trust and loving concern.
3. The challenge to think and to distinguish among values.
4. An understanding of the place of faith, and the scope and limitations of reason.
5. Acceptance into a person-centered community where spiritual, personal and intellectual growth are encouraged.
6. The opportunity to become familiar with the great ideas and cultures of the past.
7. The motivation to develop a Christian world-view for facing the uncertainties of the future and for resisting the claims of rivals to Christian thought.

The choice of a college has a life-shaping impact. Baptist young people are encouraged to attend Baptist colleges. It will make a world of difference in their lives.

AN ANNIVERSARY YEAR

The year 1984 marks the 150th anniversary for Wake Forest University. Equally significant, the Baptist State Convention of North Carolina celebrates 150 years of involvement and partnership in Christian education. It all began in 1834, when the Convention was only four years old.

Another milestone in 1984 is the 40th birthday of the Council on Christian Higher Education, a model of church/college cooperation in the Southern Baptist Convention.

The ministry of our Baptist Colleges has prospered in North Carolina because of the prayers and gifts of churches, and because Baptist youth continue to attend.

Please continue to favor us with your young people, your gifts and your prayers.

REPORT TO THE ASSOCIATIONS — 1984

The Biblical Recorder

History was made last year when the *Biblical Recorder,* fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. And history was made again in 1984 when for the first time in more than 72 years, the *Recorder* moved into its own building, becoming the fourth state paper to have its own building.

In February, 1912, the *Recorder* moved into its own building in the heart of Raleigh. In July, 1984, the paper moved into its own building in the middle of one of the fastest growing areas of the Capital City. Coming to Raleigh in 1838 from New Bern, the *Recorder* is the oldest business in Raleigh and exceeded in terms of operations in Raleigh only by Brown-Wynne Funeral Home which began in 1836.

The business of the *Biblical Recorder* is the Lord's business! Since it was

founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the *Recorder* is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

For the third consecutive year, subscription rates will **NOT** be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates but now that the rates have moderated some (they are still 80 percent higher than 1981) and the new Biblical Recorder Building was entered debt-free, the paper will hold the line on subscription rates. We want to make it as easy as possible for churches to send the paper to every family.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where differing views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The *Biblical Recorder* does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful *Recorder* reader" sounds like an impossible dream but we have set that as a goal for the ministry of the paper which from its beginning was designed to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received across the years and request your continued prayers, support and readership. We continue our march toward making the *Biblical Recorder* the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

BAPTIST HOSPITAL
1984

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,390 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's equality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world. (2) Improvements in perinatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from rupture vertibral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in

the Section on Urology. It uses ultrasound to break up stones of the urinary tract so that in many instances, surgery is not necessary.

The School of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

BAPTIST RETIREMENT HOMES

Through many special individuals, blessings of great significance are coming to the Baptist Retirement Homes.

Through this annual report, I want to share with you some of the events and activities that are blessing the lives of residents through the special people who are giving unselfishly of themselves to the ministry of the Baptist Retirement Homes. Heading the list of special people are you — North Carolina Baptists. From October, 1983-April, 1984, you gave 26.3% of the Homes' total income through the Cooperative Program, North Carolina Missions Offering, and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September 30, 1984, are running at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000. During the 1983 fiscal year, mission support was $306,000 less than the need. Currently, approximately 40% of the residents in the five Homes are able to cover their full cost of care. Ten percent of the Nursing Care residents underwrite their full cost of care. As you can see, your missions gifts are vital to the benevolent care ministry of the Retirement Homes. The 1983 change in the Homes' Cooperative Program allocation greatly added to the support which you have given. May I add that your prayer support, your personal encouragement and visits are also greatly appreciated because they mean so much to the residents, staff, and to the ongoing effective ministry of the Homes.

To effectively operate a $3.2 million ministry takes a diverse group of individuals looking from many different perspectives at financing, planning, upkeep, development, etc. One special group of these individuals are the Trustees whom you have elected. These 20 individuals are your voice in the overall operations of the Homes' ministry. Numerous decisions have been made by the Board in the last several months.

In an effort to more effectively depict the ministry which the Homes are

rendering, the Trustees voted to change the Homes' name to the Baptist Retirement Homes of N. C., Inc. The name change was approved by the Convention during the 1983 session.

The 220 Baptist Homes' employees are truly a special part of the Homes' ministry with older persons. Faithful staff members and their dedication to the Homes and the residents add an important plus as the Homes minister with older persons.

In closing, we must realize that long-term care of older persons means just that. Life expectancy figures indicate that the Homes can anticipate providing approximately eight years of care for 80 year old residents. Also, the growing segment of our population is the 65 plus group. Baptists want to be on the cutting edge of an effective ministry with this growing group of individuals. Through your continued support, the work of Trustees and the continued effective service of the staff, we can be and must be the hope for many older people in our state. Our doors are always open to your visits, calls, and inquiries for admissions, etc. Please let us hear from you that together we might work to be an effective ministry for our Lord.

The Homes' 33 year heritage has been marked by the deepest concern and the most genuine of Christian love for the older persons who have made their "homes" in the Baptist Retirement Homes. Our mission is challenging as we endeavor to meet the growing needs of our older population. Truly, our future is as bright as the promises of God Himself and the love and support that you give as North Carolina Baptists.

William A. Poole
President
Baptist Retirement Homes of N. C., Inc.

BAPTIST CHILDREN'S HOMES

THE HICKORY AREA SOCIAL WORK CENTER, soon to be The Hickory-Lenoir Family Services Center, continues to provide all BCH services to a nine county area. Beginning in October, 1984, Surry and Yadkin Counties will be added to Alexander, Alleghany, Ashe, Burke, Caldwell, Catawba, Iredell, Watauga, and Wilkes Counties to make a total of eleven counties in this area.

Each week, a number of emergency care referrals are made through this office. Emergency shelter in the Thomasville, Charlotte, and Western areas most often serve children from the Hickory-Lenoir Service area.

The maternity home in Asheville continues to offer services to unwed pregnant girls. This is a much-needed service for girls, unwed fathers and their families during this time of extreme stress in their lives.

Young people from group and foster care who have chosen to continue their education receive services through the Hickory area office. This year, there have been three young people attending colleges in this service area, receiving help from Baptist Children's Homes with planning and financing their education.

During the last year, five to six boys from this area have helped to make up the total number of thirty campers at Cameron home. This excellent service is helping boys and their families pinpoint problem areas and learn different, more effective ways, of handling these problems.

A major need in the Hickory area continues to be a need for foster homes. There are many requests for stable, loving, Christian families to provide care in their homes for young people. Teen-agers are the main age group for whom Foster Homes are needed.

Applications for group care are completed through the Hickory office. Children from this area who are in need of a group care placement may be served at either Mills Home or Broyhill Home.

Co-planning or counseling in the home, is also offered through the Hickory office. This service is offered to families who are reuniting after the placement of a child, or children, in a BCH service; to girls who have been at the Maternity Home; and to families who are attempting to work on problem areas through counseling rather than placement of children.

The Hickory Area Social Work Center will continue to respond to the needs in the 11 counties which it serves with quality child care and family services.

We continue to praise the Lord for the faithfulness of the Baptist of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding and financial resources.

BAPTIST FOUNDATION REPORT

In the midst of our attention to space exploration, adventures of science fiction personalities, and the real-life exploits of astronauts, the lovable character, "E.T." was born. He became the object of our sympathy and affection, as well as the source of revenue for his creators. For the North Carolina Baptist Foundation, the letters "E.T." have taken on another and especially significant meaning during the year 1983-84. The most exciting new idea was the creation of the Endowment Trust - Everybody's Trust. It is now possible for practically every adult in our churches to participate in sustained support of Baptist work through a perpetual trust. Each of us wishes we **could** continue our witness forever. We know that we **should** plan for such continuing witness. And now each of us **can** participate in permanent support of our particular Baptist interest.

The Endowment Trust you create may be started with as small a gift as $25.00. You may add a tax deductible gift to it as often as you wish, in whatever amount you wish. When the principal attains a minimum which you predetermine, (usually $1,000), then the income earned is distributed to the Baptist cause which you have also predetermined. The income will be paid every year, after year, after year — forever!

The potential?

If friends of just one-half the members of our churches who die each year should place their memorial gifts in Endowment Trusts to honor those persons, we could increase the support base of Baptist work by six million dollars each year!

If 1,000 of us with vision should honor retiring pastors or faithful church leaders, or recognize the birthdays of venerable members with Endowment Trusts, that would place one million dollars in trust for Baptist causes!

If those of us who shop and search for a meaningful gift for parent or other

loved one should give them, instead, a trust in their name, we would instantly make available millions of dollars for mission outreach!

One example is worth a million descriptive words. Just a few months ago, a widow in Thomasville created an Endowment Trust in memory of her husband. Her initial gift was $100. At Christmas, she and her children added to the Trust. As this report is being written, five checks totaling $300 to be placed in the Trust have arrived from this family "in memory of him on Father's Day!" Surely a more loving and significant gesture is difficult to find. Each of us has equal access to such joy!

The impact of the E. T. Trust, and the increasing awareness that we each have a responsibility for the eternal use of our material resources, has caused Baptists of North Carolina to give this past year through new trusts, designated additions to existing trusts, and through increased value of assets managed by the Foundation a total of $953,000, an increase of almost a million dollars each year! Income earned by trusts — income which is all paid out to Baptist causes or annuitants — was over $534,000 last year. A half-million dollars distributed, much of it in the name of persons no longer living here on earth!

Rapidly increasing, and very evident in this past year, is the service rendered as executor of estates and through exercising power of attorney. This is a service which the Foundation happily affords and which will soon be expanded when a staff person will be assigned this responsibility.

No author of science fiction generates more excitement than you who make commitment of self and substance for the Lord's work — forever! The Foundation exists to help you discover ways to demonstrate your own commitment through planned stewardship of those resources which you leave after life on earth ceases.

Representative

CHURCH TRAINING

This past year in Church Training, while not a great year, has been a good one. We began with the second highest attendance in recent history, for "M" Night. We were hosted for this event by First Church Morganton and their fine pastor, Rev. Robert Shepherd.

Cale Woody, of High Peak Church, won the Youth Speakers' Tournament, for our association and was runner-up at the state level. Congratulations, Cale, keep up the good work. A team of four youth and three children from High Peak and a team of seven children from Mount Home Church, were winners in their respective age group Bible Drills competition. A hearty "Well done!" to all.

I am delighted that Rev. Jerry Gamble of Mount Home is the new Church Training director for the coming year. I am sure that he will lead us to greater plateaus in the area of Church Training in the coming year. Please pray for him and for our associational team.

Thank you for your cooperation, and for allowing me to serve you as your director this past year.

Respectfully submitted,
Ralph May

RECEPTION AND LOCATION COMMITTEE

Your Reception and Location Committee met on October 4, 1984, with representatives from New Hope Mission and Westview Baptist Church. We reviewed with them the activities of the past year in church growth and mission action. Both fellowships give 10% or more to missions through the Cooperative Program and associational missions. Both churches have been under watchcare for the past year. We, the committee, recommend that they be approved for full membership into the Association.

Ralph May, Chairman

BROTHERHOOD REPORT

One of the most exciting things to come along in many years has been the Brotherhood Commission's promotional emphasis on the development of a personal ministry by all Baptist men and boys. In the opinion of your Associational Brotherhood Director, every church has an obligation to help every member, including men and boys, not only to discover and develop those gifts that God has given them, but to provide them with channels and opportunities to put them into practice in His service; to call out the called. This is the point where Brotherhood enters the picture. The following selected items of this report are intended to be illustrative but not exhaustive of the scope and depth of the Brotherhood program and the support it can provide toward this end.

In the year just ending, the Associational Brotherhood and WMU jointly sponsored a State Missions Offering Clinic, Home and Foreign Mission Study Teacher Training and a RA-GA Day Camp for our younger children. On a trial basis for attendance purposes the Brotherhood and WMU workshops ran concurrently. Attendance seemed significantly improved. Other Associational activities included promotion of Baptist Men's Day, and promotion of the state wide Mission Action Ministries Conferences of North Carolina Baptist men.

Associational Royal Ambassador work was active and exciting. Over 140 RA's attended the Conclave at First Baptist Church, Valdese, which featured missionary speakers, training workshops, and Crusader car competition.

Interest Activities included a 5-team RA basketball league and an associational track meet with almost 100 in attendance, as well as a camp-out and Pioneer Regetta. On the state level our track team was among the top ten teams. The State Congress at Greensboro was well attended. The Mount Olive Chapter won several Mission Fair awards. Over 200 participated in our Hike for Home Missions.

The new year looks promising. About 20 counselors were trained in September.

Thank you for the opportunity to serve in the past year. The leadership of the Associational Brotherhood has been trained to assist you in your church Brotherhood work. We await your invitation.

God bless you in your labor for Christ.

Albert Epley,
Brotherhood Director

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

FIND THE ANSWER! IN THE MEDIA LIBRARY has been the theme this year for Church Media Library emphasis and special promotion.

What is a Media Library? Some may see only a room with shelves of books and other materials such as films, filmstrips, recordings, and audiovisual equipment. But it is far more than that — it's many things to many people as we bring people and the media together. It's helping pastors, leaders, teachers, and all church members to do a more effective job. A media library can make an important contribution to any church. Its purpose is to provide materials for all age groups, for those with special needs and problems, and for every organization of the church. Since the media library is accepted as being an integral part of all educational institutions, it should be doubly essential that our churches have media library centers — none but the best should be our aim!

Some of the activities that will improve your Media Library Centers are:

(1) Provide a way for your Director to attend some of the meetings scheduled for next year, as the Media Library Conference held each summer at Ridgecrest, the spring meeting usually at one of the Charlotte churches, the Key Leadership here in this Association.

(2) Purchase some of the numerous aids and publications for your Director to use. These can be obtained from the Church Media Library Department of the Sunday School Board, and from the Baptist Book Store.

(3) Ask members of the Associational Media Library Council to help. We can be reached by calling the Baptist Center. Also our names and telephone numbers are listed in this book.

The theme implies that we have some answers — and we do! We can assist you in the selection of materials, in buying, in the processing of media. We are interested in giving you assistance. A new church year is just beginning. What better time than now to put special emphasis on your Media Library Center!

Church Media Library Council

AMERICAN BIBLE SOCIETY REPORT

The sole aim of the American Bible Society since its founding in 1816 is to translate, publish and distribute God's Word only without doctrinal note or comment, and without profit.

Since 1816 the ABS has distributed almost 4 billion Scriptures, in hundreds of languages, touching the lives of people in nursing homes, hospitals, prisons, the armed forces, schools, churches and anywhere there is a need for God's word.

To date some part of God's Word has been translated into 1,785 languages. However, this represents only slightly more than one-half of the world's some 3,000 languages and dialects.

In Brazil, recent developments indicate steady progress in bringing God's Word to nearly 122,000,000 men, women and children of that vast country. Now that Bibles are being produced for the first time on paper manufactured

in Brazil itself, costs saved from importing paper will mean even greater potential for distribution in the future.

Here in the United States, distribution by the ABS in 1983 reached a total of over 126 million Bibles, Testaments, Portions and Selections. Members of the armed forces, prisoners, patients in hospitals and students in Christian schools were among the recipients of these Scriptures. Many churches, who receive Scripture supplies from ABS, have reported great forward strides in their evangelism and outreach programs.

American Bible Society Is Worthy Of Our Support.

WADE MASSENGILL

IN MEMORY

After graduating from Southwestern Seminary in 1968, Wade Massengill was called as Minister of Music to First Baptist Church, Valdese. During his sixteen years of service, the music program grew to include a graded choir program, two handbell choirs, a youth choir and an adult choir of more than 40 members. In addition, a new Allen organ and a new grand piano were purchased for the sanctuary. On many occasions, under his direction, choirs have performed musical programs in other churches throughout the state and the southeast.

In December, 1982, he was ordained to the ministry by the members of the First Baptist Church, Valdese.

Not only was Wade Massengill active in his church, but he also served in associational and state activities and positions. In the association, he held positions as Music Director (2 years), Congregational Music Director (1 year), Youth Music Leader (1 year), Organist (1 year), and Ministers Conference Music Leader (1 year). Also he served on the Resolutions Committee (3 years), the Missions Committee (1 year), and the Nominating Committee (1 year).

In the state, he participated in the Singing Churchmen, a group of Ministers of Music from all over the state and directed by Charles Gatwood. This group sang for the Southern Baptist Convention in Philadelphia in 1973.

After a four-year bout with cancer and a five-month stay in the hospital, Wade passed away on February 2, 1984. He will be greatly missed.

IN MEMORIAM

As we reflect on our friends and family members who have gone to be with our Lord since the last associational meeting, we now, in loving memory, pay our tribute and respect to them.

We realize their works, influence, and dedication to God continue to shape and guide us as we serve our Lord through our individual lives and churches.

There are many scripture verses which give us comfort and assurance:

"Precious in the sight of the Lord is the death of His godly ones."

Ps. 116:15 NASB

"For to me, to live is Christ, and to die is gain."

Philippians 1:21 NASB

"I have fought the good fight, I have finished the course, I have kept the faith; in the future there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day; and not only to me, but also to all who have loved His appearing."

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.

REV. HOWARD TALLENT

Dedication

The man to whom we dedicate the minutes this year was born January 26, 1923. He served for 40 months in the European Theater during World War II. Rev. Howard Tallent was saved April 17, 1955 and was called to preach in Nov. of 1961.

In October of 1962, he was called to pastor Mountain View I and was ordained into the ministry Nov. 25, 1962. On March 14, 1965, he went to pastor South Mountain until his retirement March 1, 1985. He has served as President and Vice-President of Pastor's Conference and various committees in the association. He is the father of three daughters and four lovely grandchildren.

Rev. Tallent is now serving as interim at Pleasant Hill Baptist Church in Avery Association, since July 28, 1985.

Constitution and By-Laws

ARTICLE 1

This body shall be called **THE CATAWBA RIVER BAPTIST ASSOCIATION.**

MEMBERSHIP
ARTICLE 2

(Sec. a) It shall be composed of regularly constituted Baptist Churches in Burke County and adjacent territory which shall be represented at its regular or special meetings of duly elected messengers in the following ratio:

1. Three for the first hundred members or fraction thereof and one for each additional hundred.
2. In addition, all ordained ministers who are members thereof or laboring in connection therewith, and the officers of the Association.

(Sec. b) The Association shall be the sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Provided: The churches so received shall agree and come under the Watch-Care of the Association for a period of one year.

During this time the church or churches must demonstrate cooperation and goodwill with other Baptist Churches in their community and the Association.

It is understood that during this period of probation such church or churches and its messengers shall be entitled to all the rights and privileges of the Association except that of holding office and voting. They may then be voted in as members of the Association in regular standing with full privileges if they show they are cooperative Baptists.

(Sec. c) The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself by messenger or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

(Sec. d) Any church may withdraw from the Association at its pleasure.

(Sec. e) The Reception and Location of New Churches Committee will be available to assist if called upon in helping prevent serious conflict within a church which does result in a dissatisfied group withdrawing from the Mother Church; the two groups will meet for reconciliation and gestures of goodwill. The Pastor and Deacon Chairman of the Mother Church and two leaders from the dissatisfied group will meet with the Reception and Location of New Churches Committee for reconciliation before the dissatisfied group can be considered for reception into the Association as a church. If the dissatisfied group offers gestures of reconciliation which are rejected by the Mother Church, that group may be received into the Association as a Church nonetheless. In any case, the Reception and Location of New Churches Committee has a responsibility to encourage members of the dissatisfied group to seek membership in sister churches.

OBJECTS
ARTICLE 3

The Objects of the Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention and the Association itself.

POWER AND PREROGATIVES
ARTICLE 4

This Association ought not to have, and shall not have any power to legislate, but may frame rules and advise plans, as an advisory council, for the faithful administration of the work of Christ.

ORGANIZATIONS
ARTICLE 5

The officers of the association shall be a Moderator, Vice-Moderator, Clerk and Treasurer, who shall be elected at each annual session, and the first two officers shall not serve more than two years in succession, and shall be installed and assume their duties at the closing period thereof and continue said duties until their successors are elected and installed at the next annual session unless for a cause removed or until their successors are appointed. In the event that any of the above officers move their residence outside the boundaries of the Catawba River Baptist Association they automatically cease to become officers of the Association. When such vacancy exists, the Executive Committee at its next regular meeting shall select a qualified person to serve until the next annual meeting.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Spirit, we do now, and in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit to walk together in Christian love; to strive for the advancement of this church, in knowledge, holiness, and comfort, and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expense of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger, to abstain from the sale and use of intoxicating drinks as a beverage and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember

each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready to reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when removed from this place we will as soon as possible unite with some other church, where we can carry out the spirit of the Covenant and the principles of God's Work.

"And may the God of Peace, who brought again from the dead our Lord Jesus, the Great Shepherd of the sheep, through the blood of the everlasting covenant, make us perfect in every good work to do His will, working in us that which is well pleasing in His sight through Jesus Christ; to whom be glory for ever and ever."

Articles of Faith

1. We believe that the Holy Bible was written by men divinely inspired, that it has God as its author, salvation for its end, and truth without any mixture of error for its matter; and that it is the supreme standard by which all human conducts, creeds, and opinions should be tried.

2. We believe the Scriptures teach there is one, and only one, living and true God; that in the unity of the Godhead there are three persons, the father, the Son, and the Holy Ghost; equal in every divine perfection, and executing distinct but harmonious offices in the great work of redemption.

3. We believe the Scriptures teach that man was created in holiness, but by voluntary transgression fell from that state, in consequence of which all mankind are now sinners, not only by constraint, but choice, and being by nature utterly void of holiness, are under just condemnation.

4. We believe the Scriptures teach that election is the eternal purpose of God, according to which He graciously regenerates, sacrifices and saves sinners; that being perfectly consistent with the free agency of men it comprehends all means in connection with the need.

5. We believe the Scriptures teach that the salvation of sinners is wholly of grace, through the mediatorial office of the Son of God.

6. We believe the Scriptures teach Regeneration, of the new birth is that change wrought in the soul by the Holy Spirit, by which a new nature not before possessed is imparted, and the person becomes a new creation in Christ Jesus.

7. We believe the Scripture teaches that repentance is a personal act promoted by the Spirit, and consists in a godly sorrow for sin, together with prayer for pardon, resulting in a persistent turning away from evil.

8. We believe the Scriptures teach that faith, is an evangelical grace wrought by the Spirit, it is the medium through which Christ is received by the soul as its sacrifice and Savior. It is an assent of the mind and a consent of the heart, consisting in belief and trust.

9. We believe the Scriptures teach that the blessings which Christ secures to such as believe in Him is justification; that justification includes the pardon of sin and the promise of eternal life; that it is bestowed not because of our works of righteousness but through the faith in the Redeemer's blood, being imputed to us of God.

10. We believe the Scriptures teach that adoption is a gracious act by which

the Father for the sake of Christ, accepts believers to the estate and condition of children, by a new and spiritual birth.

11. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of His Holiness; that it is progressive work, begun in regeneration and carried on in the hearts of the believers by the Holy Spirit through the continued use of the appointed means.

12. We believe the Scriptures teach that such as are truly regenerate will not utterly fall away and finally perish but will endure unto the end through their preserving attachment to Christ.

13. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of His Moral government which is holy, just and good; and that the end of the Gospel is to restore men through a mediator to unfeigned obedience to His Holy law.

14. We believe the Scriptures teach that a visible Church of Christ is a congregation of baptized believers, associated by covenant in the faith and fellowship of the Gospel, observing the ordinances of Christ, governed by His laws and, seeking to extend His Kingdom in the world; that its only Scriptural officers are pastors and deacons.

15. We believe that Scriptures teach that Christian baptism is the immersion in water of a believer in Christ, in the name of the Father, the Son, and the Holy Spirit to show our faith in the crucified, buried, and risen Saviour, being also emblematic of our death to sin, and resurrection to a new life; that it is prerequisite to the privileges of a church relation and to the Lord's Supper.

17. We believe the Scriptures teach that the first of the week is the Lord's Day, that it is to be kept sacred to religious purposes by abstaining from all secular labor, except works of mercy and necessity, by the devout observance of all means of grace, both private and public.

18. We believe the Scriptures teach that civil government is of divine appointment for the interest of good order of human society; that magistrates are to be prayed for, conscientiously honored and obeyed, except only in things opposed to the will of the Lord Jesus Christ, who is only Lord of the Conscience; that civil rulers have no right to control over, or of interference with religious matters.

19. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked, and this distinction holds among men both in this life and after death.

20. We believe the Scriptures teach that at the Last Day Christ will descend from Heaven, raise the dead from the grave, and set up His judgment Throne; that the wicked will be adjudged to endless sorrow, and the righteous to endless joy; and this judgment will fix forever the final state of men in Heaven or Hell on principles of righteousness.

SUNDAY SCHOOL

This year we have seen 8.5 by '85 come to a close. 8.5 by '85 has brought us much closer to reaching, teaching, winning and developing than we have been before. As we have studied and used the Basics of Sunday School Growth we have seen lost people saved through the study of God's Word.

Even though 8.5 by '85 is over we can not afford to lay back on our laurels. Before us is CHALLENGE 10/90. By the year 1990 we are going to have 10 million enrolled in Bible study.

For this year this means:

* 200,000 net gain in Sunday School enrollment
* 200,000 workers and members prepared for evangelistic teaching, witness and ministry
* 1,200 new Sunday Schools established
* 6,000 churches beginning weekly workers meetings
* 5,500 workers earning a Sunday School Leadership Diploma through the Church Study Course system

Your **A**ssociational **S**unday **S**chool **I**mprovement **S**upport **T**eam is ready to serve you in achieving your church goals for the coming year. Let us know what we can do to ASSIST you in this coming year.

CHURCH TRAINING REPORT

Church Training is the organization assigned the task of helping church members, new church members, and church leaders (also potential leaders) grow in their Christian discipleship. The Church Training Program does not compete with other church programs, but when properly administered, enhances the total work of the church.

The Church Training Program has the responsibility for teaching in five major content areas. These are: Christian Doctrine, Christian Ethics, Christian History, Church Polity & Organization, and skill development (in performing the function of a New Testament church).

During this past year Church Training in our association:

1. Sent Associational Church Training Director to Key Leadership Conference.
2. Sent 14 children and youth to Children's/Youth Bible Drill at First Baptist Church Hickory.
3. Held "M" Night Service at First Baptist Church, Morganton with a total of 714 present.

Some of the goals set by our Associational Church Training Council are:

1. Begin four new Church Training Programs.
2. Sponsor an Equipping Center Seminar.
3. Strongly promote the drills and tournaments — increase number of churches with participants to ten.
4. Reach 800 at our annual "M" Night in November.

Please let us help you by informing us of the particular training needs of your church.

WOMAN'S MISSIONARY UNION

"BY LOVE COMPELLED" was the emphasis of WMU in 1984-85. This emphasis led us to seek to live by the Scripture from I John 3:18, which tells us that our love should not be just words and talk, but true love which shows itself in action.

WMU programs throughout the year spoke to this emphasis, and it is the desire of WMU members in this association that this emphasis made an impression which will continue to influence our work.

The annual meeting was held on April 2 at Cross Memorial Church. Ms. Nancy Curtis, the Executive Director of N.C. WMU, brought an inspirational message in which she emphasized growth and the importance of WMU. No church is too small to have WMU, and as she pointed out, an organization can be formed where there is only 1 leader and 1 member.

During 1984-85 planning was begun for the 1986 centennial year. Each church WMU director was asked to submit a history of WMU in their church. From this and from the associational annual (minutes) a history of WMU in the Catawba River Association was written.

WMU in the Catawba River Association has grown from 250 members in 1912 to 2,553 members in 1984. The peak of membership came in the 1960's when there were 2,867 members. WMU saw a decline in the 1970's, but there has been a renewed interest in the 1980's.

In 1984-85 several new organizations were begun. Baptist Young Women and Young Baptist Women were begun in several churches.

A number of special events were held during the year. The highlight was an Acteens program held in May at Zion Church with over 100 Acteens and leaders attending. The Acteens from Calvary, along with their leaders, shared their experiences from the National Acteen Convention and Acteens from five different churches gave puppet demonstrations.

Overall, 1984-85 seems to have been a fruitful year when, hopefully, spiritual growth took place.

BROTHERHOOD

The pure essence of associational missions is found in cooperative, cooperating Baptist congregations bonding themselves together voluntarily by love and concern for the attainment of a common twofold end.

It is our purpose as an association to (1) strengthen the local churches through mutual assistance by building stronger organizational programs and (2) providing the framework for strong missions involvement within our geographic area. Under the associational Brotherhood umbrella, we specifically promote missions for men and boys in our churches through teaching missions, mission action, praying, giving, the development of personal ministries for each one, and the interpretation and undergirding of our denominational work.

Additionally, the Catawba River Baptist Association periodically seeks out and sponsors specific missions projects such as the New Hope Mission that would normally be of such a large scale that no one single church would

attempt it alone. There are a number of reasons why we strongly recommend the **joint** involvement of **all** our churches in the support of this type of new work. **We shall mention just two of these.** The most compelling amd positive reason is that our Lord requires this kind of response of us — for His glory and our edification. The least compelling reason is the avoidance of the terrible embarrassment of having to call "missionaries" from other associations to complete our work or worse — experiencing outright failure by default. Please "pray ye therefore the Lord of the harvest, that He will send forth labourers into His harvest." (Matthew 9:38).

During the past year Baptist Men and RA's were involved in mission studies, state, home, and foreign mission offering promotions, workshop for leadership training and other activities.

RA mission and interest activities featured our Hike for Home Missions, and a campout, day camping, a Pioneer track meet, Crusader field competition, RA basketball, our annual Conclave and other activities.

We are excited by the opportunities available in associational missions. We encourage your participation. Please contact us through our associational office if we can be of assistance to you or your church at any time.

CATAWBA RIVER ASSOCIATION ANNUAL MUSIC REPORT

During the past year, churches within the Catawba River Association were involved with the music sharing program throughout the intra-church music departments. This was the fourth year we have actively used this ministry. (Approximately fifteen churches participated.)

Plans were also tentatively set at the Key Leadership Conference in Ridgecrest for an associational-wide choir clinic for different age groups. We anticipate some forthcoming announcements in the near future as to specific dates for this clinic.

There were some positive seeds sown in the area of handbell ministry by the First Baptist Church, Morganton, when its own handbell choir combined with two other local churches in a handbell concert during this past spring. Two other Baptist churches in our association were there and aspired to further pursuit of increasing the music quality of their own handbell choirs. Also, pertaining to the handbell ministry, a handbell clinic was held at First Baptist Church of Drexel on September 28th by Mr. Dan Miller from Calvary Church in Charlotte.

In association with the Youth Ministry, a Music/Youth conference was held on May 18th at Morganton First Baptist Church. Drexel Rayford and Tim Pitman were featured guests. Also, on August 21st through 23rd, several of the Baptist churches in our association assisted in a Youth/Music outreach with Impact '85, the first of that which is to become an annual event in Burke County Christendom. This year's event was held in Valdese at the outdoor theater behind the Valdese Jr-Hi School. Approximately 400 youth and leaders were involved.

Looking forward to a full and progressive year in Jesus.

THE ASSOCIATIONAL CHURCH MEDIA LIBRARY ORGANIZATION

In the study of the ancient Romans, we learn that Janus was the god of the doorways, with two faces, looking in opposite directions. And so as we come to the ending and the beginning of an Associational year, we need to reassess our progress in the Media Libraries and plan ahead for the next year.

During the past year, have we

1. Put emphasis on the Media Library?
2. Promoted the use of books and materials in Sunday School and other organizations of the church?
3. Encouraged Media Library Directors to attend meetings planned especially for them at Ridgecrest and other places?
4. Secured some of the many fine publications available from the Sunday School Board (SBC) to aid the Media Library Committee?
5. Increased the amount in the budget for the purpose of adding new materials to the existing collection?
6. Enlisted the assistance of the Associational Committee?

New opportunities and responsibilities come with the challenge of each new year. Developing an effective continuing or a new program in the Media Library can be a rewarding challenge. Every individual and every organization can benefit by using the Media Libraries.

AMERICAN BIBLE SOCIETY

The American Bible Society, founded 169 years ago in 1816, continues to pursue the only purpose for which it was established: the translation, production, and distribution of God's Word, without profit.

The American Bible Society reached a major milestone in 1984, distributing its four billionth Scripture; and the Southern Baptist Convention has had a vital role in this major achievement. It is with the deepest gratitude for your support that the American Bible Society submits its report to the Association this year.

As of the end of 1984, at least one book of the Bible has been published in 1,808 languages. Christianity is the only religion that has undertaken such a tremendous task. For Muslims, Arabic is the language in which the Koran should be read and heard. Hindus and Buddhists appear to have little interest in translation. In contrast, Christians are attempting to reach every person on earth with God's Word in the language he or she can most easily understand. In fact, this is the one all consuming task of the Bible Societies.

In sowing this seed that is the Word of God, the Bible Societies acknowledge that some may have fallen on rocky ground. But, there is abundant evidence that much fell on good soil and is growing to the greater glory of God. And I am sure that the millions of people who discovered the pathway to eternal life through reading the Scriptures you helped provide would want me to express their grateful thanks for your support in making all this possible. Likewise, all those at the American Bible Society would like to add their own deep appreciation for your support.

Because you care about getting God's Word to the people in your community, you will be pleased to know that for your ordering convenience, the American Bible Society has a new TOLL-FREE TELEPHONE NUMBER for CREDIT CARD ORDERS of $20.00 or MORE. Simply call 1-800-543-8000, 24 hours a day.

TEMPERANCE AND MORALS REPORT

Two significant things have happened in the past year that have affected the moral climate of Burke County. First, in January of this year there was a Liquor-By-The-Drink Election in the County Seat Town of Morganton. The Election was called by the Morganton City Council when a Petition with only 42 names was submitted to the Council. Some of those on the Petition were not even residents of Morganton. An overwhelming number of people appeared before the City Council in opposition to the Election but it appeared that the City Council was determined to accommodate the Liquor Interests of the area and they called the Election in spite of the ground swell of opposition. Some who had hoped to glean liquor profits had already made preparations to open bars and sell Liquor-By-The-Drink.

A group in Morganton known as Citizens For A Better Morganton was formed in order to combat the Liquor-By-The-Drink effort. This inter-denominational group received financial support and help from churches throughout Burke County. Of course, since Baptists comprise by far the largest religious group in Burke County, help from our Baptist Churches was indispensable. The organization drew heavily from our Baptist Churches for both manpower and financial resources as they waged an effective campaign to turn back the Liquor Forces who would have turned our County Seat Town into a City of Bars with all the attendant evil that goes with them.

Young people were organized to distribute literature. An effective advertising campaign got the truth about liquor across to the citizens of Morganton. A "Get Out The Vote" Campaign brought out the voters of Morganton in numbers that surprised the long time political observers in the City.

When the returns were in Liquor-By-The-Drink was handily defeated. The County Seat Town of Burke County was spared the plague of open bars along with the increase in public drunkenness, broken homes, and poverty that always accompany the coming of open bars into any city.

The momentum gathered in the Liquor-By-The-Drink Campaign provided an excellent opportunity for the Christians of Morganton to petition for another Referundum and vote out the ABC Stores and the On-premises Consumption of Beer and Wine. The enemy to this move was apathy among Christians. Obviously, too many Christians bought into the big lie that the ABC Store offers some type of "control" over the sale of Beverage Alcohol. We missed a golden opportunity to rid the City of this evil and it may be an opportunity that doesn't return again for some time. Of course, we may be sure

that as soon as the time limit is up that the Liquor Forces will try again on Liquor-By-The-Drink. The record of the Liquor Forces in North Carolina is that they are persistent. They never give up and it is a tragedy that Christians often give up too quickly.

A second important turn of events in North Carolina that affects the morals of Burke County is a new anti-pornography law that took effect last October 1. Thanks to the Legislative efforts of Mr. Coy Privette during the last session which were bolstered by the Christian Action League of North Carolina, this State now has one of the toughest anti-pornography laws in the Nation. Pornography has a terrible influence on the morals of a people. Reams of pornographic material have been found in the possession of many of the serial killers that plague our Nation. Pornography fosters almost every kind of despicable evil that the mind can imagine. Since October 1, the smut peddlers of this State have been screaming that their First Amendment Rights are being violated. Of course, that is nonsense. It was never the intent of the Constitution of the United States to protect the smut peddlers under the guise of Free Speech. The frantic reaction of the smut peddlers should put Christians on the alert. It is obvious that they are going to make an attempt to have this new law repealed. The law has already been upheld by the Federal Courts. The word has gone out from the Office of Attorney General Lacy Thorneburg to the District Attorneys all over this State that they are to go ahead and prosecute under the law. We do not contend that this law will do away with pornography completely in this State but we do contend that it will slow the flow of pornography into this State from a flood to a trickle. When pornographers are driven under ground with their operations, then they will not be able to sell nearly as much of it and its effect will be greatly diminished. We may expect the smut peddlers to be very active in the next session of our Legislature and if Christians go to sleep on this issue then the smut peddlers may be able to reverse one of the best laws that has been passed in this State in half a century.

In North Carolina, we need the Christian Action League. For more than 30 years the Christian Action League was included in the Budget of the North Carolina State Convention. The League is supported by all denominations but because of our size the major support for the Christian Action League comes from the Baptist State Convention and from Churches of the Convention. As any Legislator will tell you, the Christian Action League provides the most effective voice in our State Capitol when it comes to moral and ethical concerns but there has been an element in the Baptist State Convention in recent years who have attempted to drop the Christian Action League from the Budget of the Convention. They do not agree with the moral positions of the League. The League has been moved from the main Budget of the Convention to the Budget of the State Missions Offering. We may not be surprised that a move may be made at the upcoming Convention to drop the Christian Action League altogether. Messengers attending the Convention this year in Charlotte must be alert and not allow this to happen. We need the Christian Action League in North Carolina but if Baptists do not support it, it will collapse. Were it not for the Christian Action League, the moral climate of this State would be considerably different than it is. We urge every Church in the Catawba River Association to consider putting the League in your Budget and leaving it there year after year. The Liquor Barons and Smut Peddlers of this State will not relax their efforts. The months ahead are going to call forth the very best, not only from the Christian Action League but from every Christian in North

Carolina and the Christian Action League is the only effective organization we have to counter the efforts of the purveyors of evil in this State.

EXECUTIVE PROMOTION COMMITTEE

The Executive Promotion Committee met four times during the year 1984-85, as did the Advisory Steering Committee. Reports from all organizations and various committees were also heard. Items of business affecting the normal function of the Association were handled orderly and systematically throughout the year.

The following actions were taken by the committee in regular business sessions:

(1) The purchase of two small metal file cabinets for the use of the associational treasurer and clerk.
(2) The purchase of a good used typewriter for the associational clerk's use.
(3) Lend the video "The Godmakers" to the Greater Rochester Association.
(4) Employ the Morganton Cleaning Service to give the Baptist Center Building a thorough cleaning and then clean on a twice weekly basis.
(5) An offering was taken from some of the churches in the association for the Flat Gap - High Peak fire victims. Some $7950 was donated.
(6) The Baptist Center has been painted inside and new draperies have been made and installed. Carpet for the Center's public areas has been ordered as approved by the association last year.

SEMINARY EXTENSION

Seminary Extension brings quality education close to home for all of us in Catawba River Association. During 1984-85, a total of 22 persons enrolled in one or more courses offered through the Catawba River Seminary Extension Center.

According to Robert Rownd, director, the center offered 6 courses, taught by Robert Rownd and Buddy Corbin.

Plans for the coming year include 2 courses scheduled for the fall, with classes beginning October 15 and November 4, and another 6 courses in 1986.

Catawba River Association is among some 300 Baptist associations working with the Seminary Extension Department of the Southern Baptist seminaries to co-sponsor local ministry training centers for its people. The Seminary Extension Department is part of the Seminary External Education Division, housed in the Southern Baptist Convention Building in Nashville, Tennessee. In addition to the network of centers, the Seminary Extension Department offers most of its courses through correspondence.

ORDINATION EXAMINING COMMITTEE

The Ordination Examining Committee met on three separate occasions to examine Tim Fox, Kenny Baker, and Johnny Shelton regarding their subsequent ordination to the Gospel Ministry.

The candidates related their conversion experience, their call to the ministry, and their views concerning the basic doctrines Baptists have generally held. All of the above mentioned candidates showed unusually mature ability to express themselves well in all these areas.

The primary role of the committee was to share some practical helps from personal experience with these new ministers. The very relaxed meetings were informal in structure, but productive in nature.

We heartily welcome these new pastors to our fellowship, and trust their ministries will be long, happy, and fruitful ones.

A SKETCH OF THE FIRST 50 YEARS IN THE CATAWBA RIVER ASSOCIATION

The Catawba River Association was organized on May 15, 1827 at the Head of the Yadkin in Caldwell County. The Head of the Yadkin Baptist Church is now called the Yadkin Baptist Church. There were thirteen churches in the beginning. These churches were formerly members of the Broad River Association; therefore, the Broad River was the mother association of the Catawba River.

The thirteen original churches came from 5 counties. The Head of the Yadkin, Lower Creek, King's Creek and Globe were in Caldwell County. Ebenezer, Bill's Creek, Head First Baptist, Mountain Creek, and Big Spring were in Rutherford County. New Bethany was in Iredell County. Silver Creek and Union Church were in Burke County. Mt. Ruhama was in Catawba County.

During the first 50 years, Baptists grew slowly; however, a small number of

churches grew rapidly. Churches from Dallas, N. C. to the mountains joined the Catawba River Association. In the associational year of 1863, Bruington Baptist Church baptized 181 souls, and Long Creek baptized 110.

Soon it was obvious that the slow mode of transportation made it impractical for people to spend so much time in transit from one church in the west to Long Creek in the east. Other associations were born. The last Catawba River Associational meeting held outside Burke County was in 1910 with St. Paul Church in Cleveland County.

It is interesting to note that Catawba River Association is three years older than the North Carolina Baptist Convention and 18 years older than the Southern Baptist Convention.

MISSIONS COMMITTEE

The Missions Committee wishes to thank each Church of our Association who has supported the New Hope Mission in Hidden Valley this year. Contributions for this year were $661.50 from participating churches. This is an associational wide effort under the wing of Zion Baptist as the "mother" church. Let me encourage each church to consider an offering for New Hope Mission this year.

Many of our churches participated in projects in several states this past year, and we commend them for a job well done! We also want to thank our churches for their continued support of the Greater Rochester Association in the amount of $2,172.35. A recent letter from Director of Missions Norman Beckham reports that an additional $1000 was received directly from Missionary Ridge Baptist Church.

On behalf of our Missions Committee, let me say thanks to every church for their effort in missions.

EVANGELISM REPORT 1985

We are told that only three percent of all the lost people come to our churches on their own. This means that (97) percent are out there lost without help, without hope, without strength. These people will die and go to hell unless we go to where they are and share Jesus Christ with them. It is absolutely imperative that our church people come out of their beautiful church buildings into the market place and share with lost humanity the "Good News" of Jesus.

That brings us to the theme of "Good News America God Loves You." We are urging all Baptist churches to participate in that marvel outreach in March and April of 1986. The revival dates for the areas are:

(1) Eastern area, March 9-16, 1986.
(2) Piedmont area, March 23-30, 1986.
(3) Western area, April 6-13, 1986.

The suggested date for our own Catawba River Baptist Association is April 6-13, 1986. We already have (29) churches committed. That is a good beginning. We still hope to have more participating. Even if you cannot swing the particular date that we have suggested, we still would like for you to pick your own date and have a Spirit-filled revival.

This is a huge undertaking. We already have 50 states, 37 conventions and 2 fellowships committed to "Good News America." I believe that you would like to be a part of such a large evangelistic effort in our land. You will never know how richly God will bless you by taking part in such a united effort.

Along with the suggested date, we are also recommending that the length of the revival be (10) days, from Sunday to Sunday. This is the reversal of the trend today which is approximately (4) days, from Sunday to Wednesday. We believe that the extension of time will give God an opportunity to work in the hearts of saints and sinners alike. No one will deny that the work of repentance is needed in our churches today.

This past October 7-10th, we had our Southern Baptist Continuing Witness Training program (CWT) at Burkemont Baptist Church with approximately (26) present. This is done when a pastor and a layman come together to develop their skills in witnessing for Christ. In turn, the certified pastor trains his own people to reach others for Christ over a period of 13 weeks.

In 1984, out of our (57) churches in our association, we baptized (561) people. We are hoping and praying that our record will be better in 1985. We know that it will be in 1986. When you make a joint effort, under the leadership of the Holy Spirit, you do better in reaching lost people for Jesus Christ. It takes both praying and working to bring people into the Kingdom of God.

May we pray for each church, pastor and layperson in our association that we will reach out and win more people to Jesus Christ this coming year. That is our main goal in being here in the first place. May the fires of evangelism be re-kindled in our hearts once again!

Joe B. Church

HOME MISSIONS

This report is a record of Christian living. It is also a report "celebrating the diversity" of Home Missions. From personal evangelism to Christian social ministries, from language missions to black church relationships, home missionaries preach, witness, and minister in 87 languages and in 13 diversified areas.

Five of the areas are discussed in this report.

In 1984 a total of 3,723 missions personnel, plus 1,728 endorsed chaplains, 335 Atlanta staff, reported 63,739 professions of faith, 5,042 commitments to special service, and 34,363 church additions by letter.

In 1984 — At Ridgecrest a conference on Black Church Relationships was attended by 126 black pastors. They received training in church development. Also this department provided 286 scholarships for black students committed to fulltime Christian service.

In 1984 — The Department of Social Ministries distributed $90,982 in disaster relief in 14 states (a part of this in eastern North Carolina), and $532,880 in domestic relief funds.

In 1984 — The Church Extension and Language Departments helped to start 1,733 church-type missions. Our seminaries are providing training for ethnic church leaders. Nine hundred students received training in 40 ethnic leadership development centers.

In 1984 — Over 45,000 persons volunteered to serve in Home Missions work, without pay. No one knows the lasting effect on each individual who served or on the home churches. It is estimated that in time and talent they contributed over a million dollars.

GOALS OF HOME MISSION BOARD?

Many!!

Three are listed: REACH PEOPLE, DEVELOP BELIEVERS, and STRENGTHEN FAMILY LIFE. This is being done through conferences under the direction of Christian Social Ministries.

Will these goals be achieved?

Dr. William Tanner (HMB Pres.) said, "It will take all of us working, witnessing, and praying **together** to reach our land for Christ."

FOREIGN MISSIONS

Southern Baptists shaped their identity when they organized as a convention in April 1845. They established home and foreign mission boards for the "propagation of the Gospel." The Foreign Mission Board is the convention's channel through which the churches share the gospel with people of all nations. The home office has been located in Richmond, Virginia, ever since the convention's organizational meeting in 1845. The convention, with an Executive Committee staff in Nashville, Tennessee, now works cooperatively through four boards, six seminaries, seven commissions, a foundation and two associated organizations.

There were many highlights in our Foreign Mission work during 1984, as we continue to emphasize our Bold Mission Thrust. As 1984 ended, 3,432 Southern Baptist missionaries were serving in 105 countries, constituting the largest Protestant mission force in the world today. The number of churches increased to 14,791, up almost 9 percent over 1983. Overseas churches related to Southern Baptist foreign missions baptized 156,326 people last year, a 7 percent gain over 1983. Also, in 1984 a total of 11,394 Southern Baptists participated in overseas programs sponsored by the Foreign Mission Board.

Partnership missions have become very important in our Foreign Mission work as states and associations join forces to cooperate with overseas missions. At the end of 1984, there were 15 states involved in partnership missions. North Carolina is in partnership with Togo and the European Baptist Convention. In 1984, there were 1,354 people involved in Partnership Evangelism. This is a 40 percent increase over 1983.

Three very important means of funding foreign missions are the Cooperative Program, the Lottie Moon Christmas Offering, and the Foreign Mission Board's Office of Development. In 1984, foreign missions received 50 percent

of all Cooperative Program operating budget funds received by the Southern Baptist Convention Executive Committee. The Lottie Moon Christmas Offering received in 1984 was $58,025,336.70. Although the goal was not reached, this still was a 7.03 percent increase over 1983. The cumulative total received since the Lottie Moon Christmas Offering was begun in 1888 was nearly $654 million, as of May 1984. Many Baptists and other individuals worked through the Office of Development, giving more than $5 million by way of bequests, gift annuities, life insurance policies, trust agreements and outright gifts and pledges.

Overseas seminary enrollment continues to do very well. More than 8,900 were studying in overseas seminaries in 1984. This is a gain of 22.4 percent over 1983. Also in publication work, 103 missionaries and 794 national Baptists produced nearly 6.5 million periodicals (466 titles), 2.4 million books (2,400 titles), and 11.9 million tracts (332 titles) for evangelism and leadership training.

Southern Baptist giving for hunger relief was up about 4 percent during the first 10 months of the year. After the Ethiopian crisis became known the total increased to 18 percent over last year. A record $8.5 million in hunger and relief funds were channeled overseas, much going to drought-stricken Ethiopia.

The needs continue to be great, but missionaries continue to sow, nurture and harvest. We must continue to feel a sense of obedience to God's call and the personal relationships established in God's love.

Ray Busch

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

It is the desire and purpose of the stewardship division of our North Carolina Baptist Convention to plan, develop, and promote a plan of biblical stewardship to aid the churches in enlisting members in the practice of and growth in Christian stewardship.

This plan of biblical stewardship includes the individual Christian's response in terms of giving, life style, and money management. It also includes the local church and its stewardship responsibilities.

Biblical stewardship also includes the support of missions through the Cooperative Program.

Our churches place great emphasis on Cooperatives Program participation, knowing that this is indeed the lifeline of all our missions endeavors.

Bold Missions cannot be realized until all churches and their individual members acknowledge that this is the Great Commission in action. Once we set our priorities and seek first the kingdom of God our giving through the Cooperative Program will be more than just wishful thinking — it will become our bold statement that we practice what we say we believe.

Our convention is emphasizing Planned Growth in Giving as a means of developing believers in the matter of Christian Stewardship.

The Churches of Catawba River Baptist Association would do well to take a new look at our giving habits and records and make a Bold New Commitment to this great plan of cooperating together in the matter of Christian Stewardship.

We have made great strides over the years, but there remains much to be done. TOGETHER we can do it!

SOUTH MOUNTAIN BAPTIST CAMP

Theme: "*ALL FOR JESUS*"

The churches of Region 8 of North Carolina Baptists can praise the Lord because God really blessed their camp this summer. There were 1,132 who attended our regular camps. Many visitors came each week. There were 1,121 attending day camps and retreats. All of us were challenged by the consideration of our theme. There were 125 saved and 265 rededications.

Staffers and campers were urged to be involved in prayer that all would have a personal experience with God. Each day the campers were in a class on the Christian life and involvement in the ministry of prayer. Each day in chapel, we presented world wide prayer projects. We prayed for requests of most of the campers each week.

It was exciting to hear many of the campers give testimonies about their experiences with God.

We urge everyone to join with us in prayer that the campers will continue to grow spiritually and get involved in prayer and witnessing daily.

Support us in prayer and finances that our Retreat Center will be completed soon.

NORTH CAROLINA BAPTIST COLLEGE REPORT 1985

CAMPBELL — 1887, CHOWAN — 1848, GARDNER-WEBB — 1905
MARS HILL — 1856, MEREDITH — 1891, WAKE FOREST — 1834
WINGATE — 1895

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 779! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

Christian Education. There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

Baptist Students. Young people from our churches are encouraged to apply

to Baptist colleges. Pastors and parents help students when they guide them to Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

Cooperative Program. Your North Carolina Baptist Colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

REPORT TO THE ASSOCIATIONS — 1985

The Biblical Recorder

This past year has been one of the very best for the people who comprise the Baptist State Convention of North Carolina, and because the *Biblical Recorder* is a member of that family of God, it has enjoyed a good year also, perhaps the best in its history.

Readership appears to be very high. Comments, letters and other communications with the paper indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains unchanged today.

Tar Heel Baptists face a great challenge and responsibility as we struggle to meet the opportunities before us in our growing and developing state. Fewer persons are members of churches in our state now than are **not** members . . . of any kind of church. Our evangelism burden to win the lost and our ministry obligations to all people, are at the maximum now in all our history.

The *Recorder* gladly and gratefully assumes its role in the Great Commission. More than ever before, the paper will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Subscription rates will **not** be raised for the **fourth** consecutive year in 1986, despite a substantial increase in the cost of second-class postage anticipated in October, 1985. Maximum stewardship of the paper's resources has been utilized to provide the paper at minimum cost so that more families can have the paper in their home. The rates for 1986 are the same as 1985: Individual, $7.00; Club (four or more), $6.00; Every Family Plan, $5.00. Our rates are equal to or less than all other major state Baptist papers such as *The Biblical Recorder.*

All is not well in the larger family of Baptists as our national convention continues to struggle for its direction and identity. Every Baptist needs to be well-informed with accurate facts and assessments so that he or she can come to the right position under God as a disciple of Jesus Christ. We must not let the

conflict in the SBC deter us from the work and ministry we have here in our own state.

Let us pray together for the advancement of Christ's Kingdom as never before. Please pray for the paper, its ministry, staff, and contribution to the Lord's work. If the paper can help you, your church or your association, please call 919-847-2127.

BAPTIST HOSPITAL
Report to the Associations — 1985

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones with ultrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather that total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an on-going program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's efforts to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a total of 213,038 days of care. Ambulatory patients visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has an operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees, and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical services building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344,000.

BAPTIST RETIREMENT HOMES

For over 34 years, North Carolina Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works — providing security and hope in the midst of sincere concern and love — bringing about the possibility for abundant life — one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Administrative Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administration Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following facts and information will give an overview of the Retirement Homes' ministry from August, 1984 - June, 1985:

— The Retirement Homes had an average daily occupancy of 244 residents in the five group Homes, Nursing Care Unit and apartments.
— Over 30 new residents were admitted to the Homes and Nursing Care.
— Group Home fees for care were not raised. Cost containment and budget controls made this possible.
— Over $100,000 of benevolent care was provided monthly to Home residents.
— Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering gifts.
— "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.
— The Homes' Nursing Care Unit, Winston-Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible.
— The Nursing Care Unit is operating at 95% plus occupancy.
— Apartment policies have been revised. Plans are being formulated to build another duplex unit on the Hayes Home Campus.
— A 20 minute video tape "Not An Ordinary Person" has been produced to be used in communicating the Retirement Homes' ministry.
— The Retirement Homes do have vacancies. Please request admissions information — Mr. Jackson Hoyle, Administrative Offices, Winston-Salem 27100.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults — Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud is provided.

William B. Stillerman assumes the presidency on November 1.

BAPTIST CHILDREN'S HOMES' REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the child away from home.

During this our 100th year of quality child care, the Trustees, staff and President Michael C. Blackwell, pledge anew our commitment to continue fulfilling the mission and broad purpose of this Christian institution of caring as we enter our second century of service. In our Centennial year we served 1,517 children and 1,167 families.

With the Governor's proclamation of May 19, 1985 as "Baptist Children's Homes Day," the centennial celebration was well on its way. Phil Young of Henderson, was commissioned to write "Praise Book," a musical about children and families. The musical was performed by adult and children's choirs in 11 Baptist churches across the state. Dr. Alan Keith-Lucas, wrote *A Hundred Years of Caring,* an updated history of the Homes. Baptists from across the State submitted their favorite recipes for a cookbook to be released this fall. In cooperation with the Convention's Communication Department a new video, "100 Years of Caring," was released in February. Both the book and the video were underwritten by the Broyhill Foundation. During May, June and July a 1,400 mile relay marathon, the longest in the history on North Carolina, allowed hundreds of people to participate and celebrate the spirit of caring for children.

One of the final events of the Centennial will take place on November 12, 1985 at the Baptist State Convention in Charlotte. The combined voices of our children in care, along with other special features, will be an exciting entrance into our second hundred years of quality child care. We hope you will join us at the Charlotte Coliseum for an evening of celebration, praise, and thanksgiving.

An update from the Hickory-Lenoir Family Services Area reveals the following highlights:

The Hickory-Lenoir Family Services area continues to grow in the number of people served during the last year. Referrals are received from court counselors, Mental Health personnel, Departments of Social Services, school personnel, and pastors in our 11 county area.

Group Care at Mills Home and Broyhill Home continues to be the most requested service. Therapeutic camping at Cameron Home has maintained 6-8 boys from the Hickory-Lenoir area. Maternity care has been utilized by many

girls in this service area. Along with placement services, counseling is provided to the entire family. Counseling services continue to be offered to families as alternatives to placement and as follow-up after placement.

We continue to be ever grateful for the support of local Directors of Missions, pastors, and our Baptist constituents.

Mrs. Donna B. Lail, Director
Hickory-Lenoir Family Services Area

BAPTIST ANNUITY BOARD

Statistics indicate the number of Americans 65 years or older is growing twice as fast as that of the whole population. By the year 2000, the number will more than double to 5.4 million. Each day some 30 Americans become 100 years old. Thus we see the need for churches to help, through our Annuity Board, prepare for today's as well as tomorrow's ministers and church staff member's retirement.

In the Catawba River Association not all of our churches and pastors and staff members are participating in this, and most of those who do are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of salaries of all participants.

Most pastors are hesitant to ask the church to do what they should regarding this, and the urgent need is for some lay-person to take the lead in this. Deacons can and should recommend to the church what should be done about this. Just treat your pastor or member of your church staff as you hope your employer will treat you.

You may like to know that in 1984 your Annuity Board had the distinction of being ranked the second largest denominational pension board, and was among the top 150 pension boards in the United States.

Our Annuity Board wants to help you do what you should.

REPORT TO THE ASSOCIATIONS
The North Carolina Baptist Foundation, Inc.

Whether we look at our objectives in life as individual Christians or collectively, as a church, an association or convention, we should be interested, above all other life's objectives, in presenting the message of Christ to those who need to know and accept Him as Lord and Savior. One of the exciting aspects of being a Christian is to feel the joy that comes in serving Him now as well as having influence on others in the future.

Some of the future influence we have as Christians is reflected in our daily commitment of service now. This can be accomplished first through our personal witness to those who will live beyond our lifespan and, secondly, through use of our resources. An increasing number of North Carolina Baptists are experiencing the excitement that comes with knowing that a

portion of their resources will be set aside in trusts to further the spread of the Gospel, in perpetuity. The Baptist Foundation provides the services that make this possible.

During the past fiscal year (1984), 81 new trusts were established with the North Carolina Baptist Foundation to serve as trustee. These gifts totalled $265,029.34. Additions and contributions to new and existing trusts totalled $741,153 for the year. When maturity value of bonds in the invested portfolio are considered along with market value for real estate held in trust, the assets of the Foundation at the end of 1984 totalled $10,930,279. Real estate holdings have an estimated value of $4.478 million dollars. Income distributed to Baptist institutions and agencies, and to individuals receiving annuity payments totalled $471,563 during 1984.

Investing of Foundation assets is carried out under the direction of the Board of Directors elected by the State Convention. Day to day management is given to the investments by two fiscal agents selected by the Board. Investment philosophy now used calls for maximum return with some internal growth. Throughout the 65 year history of the Baptist Foundation, its Directors have taken seriously their fiduciary responsibilities as related to the trusts held as well as to the Convention.

Support of new church growth through trusts will receive increasing attention by the Convention in the immediate future. A variety of methods are available to North Carolina Baptists through their Baptist Foundation. Information concerning these and other services of the Foundation is available by contacting the Foundation office at P.O. Box 26508, Raleigh, North Carolina 27611.

NORTH CAROLINA MISSIONS

This year "1985" our theme has been "HOPE IS SOMETHING YOU GIVE . . . BECAUSE of Jesus' Love." Our association set a goal of $35,000.00 this year. Last year we received $33,255.00. The 1985 North Carolina Missions Offering is $29,504.00 so far.

Some information regarding some of last year's services provided:

— **Baptist Hospital:** Treatment was provided for over 25,000 patients from N.C. and over 3,000 from other states or foreign countries.

— **Fruitland Bible Institute:** Many pastors across North Carolina are receiving special training to aid them in serving God in our churches. — Fruitland Bible Institute is now offering an advanced diploma for graduates who complete four one-week seminars in four straight summers.

— **Language Ministries:** North Carolina Baptists have ministries with nine language groups — Spanish, Japanese, Haitian, Vietnamese, Chinese, Asian, Indian, American Indian, Korean, and Arabic.

— **Christian Higher Education:** Over 70% of all students in our 7 N.C. Baptist colleges receive financial aid.

— **New Work:** There were more than 50 areas of new work started in N.C. in 1984. These added over 1750 people to the Sunday School enrollment and over 1350 to the total church membership.
— **Our own "New Hope Mission"** continues to receive some support from our North Carolina Missions.
— **Woman's Missionary Union:** Over 8000 girls and women were participants in programs supported by the N.C. Missions Offering.
— **Baptist Retirement Homes:** Over one-fourth of the $1.27 million dollar benevolent care ministry was provided by gifts through the N.C. Missions Offering.
— **Baptist Men:** Three church buildings were built in our state in 1984.
— **Baptist Children's Homes** of North Carolina will begin the second century of quality child care on November 11, 1985.

All these ministries, and many more are funded by the North Carolina Missions Offering.

On August 12, 1985 Luther Osment gave an interesting and informative presentation of the work across our state supported by the N.C. Missions Offering.

GREATER ROCHESTER BAPTIST ASSOCIATION SISTER RELATIONSHIP

The 1984-85 church year has been a busy and productive time in our churches. It was a blessing for me to preach in several of your churches during your World Missions Conference and to have the opportunity to visit in August. Some of the highlights of our work here in Upstate New York include:

Two missions are constituting and will be accepted into the association at our annual meeting on October 5. They are Pleasant Valley Baptist Church of Geneseo and the Newark Baptist Church. They are both very strong for their ages. Newark has 28 members and Pleasant Valley, 54.

Rochester Baptist Church called a new pastor, Joe Shaler, who moved on the field in September. Every Church and mission has a capable, dedicated pastor.

First Spanish has grown, greatly strengthened its Vietnamese mission and is in the process of beginning a new Spanish language mission. God is truly doing amazing things through this church and its pastor.

Our **Mega Focus Cities Emphasis** is well underway, and we are looking forward to all of the blessing that this SBC sponsored program will bring.

There continues to be a very excellent relationship between the pastors, laypeople and associational staff. With our churches being so small, we deeply feel the need for fellowship with each other.

Thanks you all so very much for praying for us, and for all your encouragement. Thank you for your financial assistance, both through the Cooperative Program and through special gifts. You will never know how much your love means to us.

IN MEMORIAM

(By Mrs. Fannie T. Collins)

As we commemorate the passing of our beloved church members this past year to be with the Lord, we have precious memories of their dedicated service, their profound influence on others, and their now enjoying eternal life in their prepared heavenly Paradise.

The Bible gives assurance and comfort:

1. John 11:25: Jesus said, *"I am the resurrection and the life; he that believeth in me though he were dead, yet shall he live; and whosoever liveth and believeth in me shall never die."*
2. Matt. 5:8: *"Blessed are the pure in heart for they shall see God."*
3. Rev. 14:13: *"Blessed are the dead which die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labours; and their works follow them."*

The Bible also gives assurance, security, to the Christian who daily follows God's instructions, assignments, in our daily living in order to answer God's call to the heavenly mansion He has prepared. These include the commandments and other admonitions to heed. Some are:

1. John 15:4: *"Abide in me, and I in you."*
2. Joshua 24:15: *"Choose you this day whom you will serve."*
3. James 4:8: *"Draw nigh to God, and He will draw nigh to you, cleanse – and purify your hearts."*
4. Rev. 2:10: *"Be Thou faithful unto death and I will give you a crown of life."*

Poem: *"The Heavenly Call"* by James T. White

"Why should I fear death's call?
Can there ever be
In life a more beautiful adventure
Than to embark
Upon that unknown sea?"

Life's adventure can be fruitful if we heed God's teaching and are ready to answer His call.

Brotherhood - Historical

As a historical reference, it is significant to note that our Catawba River Association requested on Oct. 22, 1942 that the N.C. Baptist State Convention include the Men's Brotherhood in their Christian Education program of the State Convention. Prior to this time, the organization known as the Men's Brotherhood of the South had never been recognized by the North Carolina Baptist State Convention.

The following year (1943), the Men's Brotherhood was commenced in our association, under the leadership of Glenn A. Ramsey. Four (4) churches formed the nucleus of this organization. The churches are as follows: Calvary Baptist Church, Morganton; First Baptist of Drexel; First Baptist of Valdese and Mount Calvary Baptist, Valdese.
